Dear Mrs. Brown:

Information has been received at Coast Guard Headquarters of the death of your husband. I wish to extend to you and your family my sincere sympathy in your great loss.

You can be assured that we at Coast Guard Headquarters will help you in every way possible to facilitate applying for Federal Benefits that may be available to you.

The enclosed benefit guide briefly explains the assistance and survivor benefit furnished by the Coast Guard as well as other governmental agencies. The enclosed forms are forwarded to aid you in filing for Veterans Administration benefits, Uniformed Services Identification and Privilege Card and a Headstone or Marker to which there may be entitlement.

Four forms No. SF-1174, Claim for Unpaid Compensation of Deceased Member of the Uniformed Services, are enclosed to aid you in applying for the unpaid accrued retired pay. These forms must be completed in the presence of two witnesses and signed by you. Return the original and two copies of the completed claim to this office.

An annuity was provided for you by your husband under the Survivor Benefit Plan. In order that the Coast Guard may begin payment of your annuity, it is requested that you sign forms No. DD-1884, Application for Annuity, on the front and back and return them to this office with a copy of your marriage certificate. VA form No. 21-534, Application for Dependency and Indemnity Compensation by Widow or Child, should be completed and forwarded to your local VA office in order for them to adjudicate your claim for possible entitlement.

Sincerely,

FORM 2522 MUST ALWAYS ACCOMPANY PATIENT WITH HEALTH RECORD WHEN APPLYING FOR INPATIENT TREATMENT, AND FOR FIRST OUTPATIENT TREATMENT.

Form NCG-2525
October 1936

16—30671-1

GENERAL INSTRUCTIONS
1933

1. A Health Record will be opened (issued) for each person commissioned, warranted, appointed, or enlisted in the Coast Guard. For cadets, upon reporting at the Academy; for an officer appointed from civil life, upon reporting at first unit; for enlisted persons, upon enlistment.

2. The medical officer, if any, shall have custody of the Health Records of all persons attached to the unit, including the personnel of smaller units attached to a larger unit. If there be no medical officer attached, the custody of the Health Records will devolve upon the executive officer, if he be a commissioned officer; otherwise the custody of the Health Records will devolve upon the commanding officer. The officer having custody of the Health Records shall be responsible for their proper care, continuation, and disposition.

3. In case of medical examination for promotion, retirement, annual commissioned officers' examination, or medical survey, the Health Record shall be furnished to the president of the board. If not received, it should be requested. When the board shall have finished with the Health Record, it shall be returned to its custodial officer. In all cases, brief notation of the findings of the board will be made on the Medical History Sheet, signed by the president of the board. This notation does not take the place of the full report which is submitted for administrative action.

4. A person on detached duty at some distance from where his Health Record would be kept may be given custody of his Health Record.

5. If a Health Record is lost or destroyed, a new one shall be immediately opened in full by the first custodial officer aware of such loss, who will note the fact in the new record and continue the record with such previous data as may be obtainable. If the old record be found, all data subsequent to its loss will be detached from the new and attached to the old record. A skeleton Health Record shall not be issued.

6. No photographs, folded papers, or forms are to be attached to the Health Record. The findings on laboratory and other reports in the case shall be entered on the Medical History Sheet.

7. **Transfer.**—Upon transfer of any person, except as a patient, the Health Record shall be forwarded through official channels to the new destination, or if the person is ordered to unusual, detached, or uncertain duty, it shall be retained or forwarded, as the case may be, with the person's service record. (See par. 4.)

8. The Health Record shall accompany a patient when transferred to or from hospital or when applying at an out-patient office. It shall not be forwarded through official channels, but shall be taken by the patient in a sealed envelope or by a responsible person accompanying him, and delivered with the patient to the official receiving the patient. Upon the patient's return to his unit the Health Record is to be delivered to the custodial officer.

9. If for any reason it becomes necessary to forward the Health Record to Headquarters, other than for termination of service noted thereon, it shall be accompanied by a letter stating the reason.

10. **Physical Examination Record.**—The Coast Guard Board or officer making the request for physical examination shall send to the medical board or officer two forms for physical examination record, already made out down to but not including place and date. The medical board or officer shall make out the rest of the Physical Examination Record in duplicate. In case of appointments or promotion of an officer, both forms shall be mailed by the board or officer direct to Headquarters. When promotion is made the original will be forwarded to the unit for insertion in the Health Record on top of the last Physical Examination and new rank. No part of the Health Record shall be retained, but altered to show the promotion this time. In case of enlistment both forms shall be returned to the enlisting officer, who will forward the original to Headquarters with other supporting papers after enlistment has been accomplished. The duplicate will be placed in the man's Health Record. In cases of reenlistment both forms will be forwarded to Headquarters for action and reenlistment will not be effected until duplicate copy is returned showing Headquarters' action. Upon receipt of duplicate copy from Headquarters same will be inserted in the Health Record.

11. The record shall be typewritten, if possible, and must be completely filled in as called for by the items on the form and in accordance with the instructions relative to the making of physical examinations. If any space is insufficient, the space under "Remarks" may be used.

12. The nature and degree of all physical defects of persons accepted for service in the Coast Guard must be fully described in order that no improper claims for compensation or pension may be allowed. Particular attention should be paid to those conditions which may not be disqualifying but which might be made the basis of such claims on the ground that they have developed or have become disabling while the person was in service. Waivers may be recommended by the medical examiner in accordance with the instructions relative to physical examinations, but the waiver must be authorized by the Commandant before the person is accepted.

ENLISTMENT CONTRACT 16—8420-3 U. S. GOVERNMENT PRINTING OFFICE

LOYALTY CERTIFICATE FOR PERSONNEL OF THE ARMED FORCES

INSTRUCTIONS ON THE USE OF THIS FORM

The Department of Defense has the authority to establish and promulgate detailed procedures to implement the national policy relating to loyalty of persons entering on duty with the Armed Forces. This has been determined by appropriate authority to include restrictions as to membership in or association with certain organizations and of certain standards of conduct. If Federal Constitutional Privilege against self-crimination; i. e., the making of a statement which will expose you to criminal trial, is claimed about all or any part of any conduct, membership, or association in question you may so claim by stating in the space indicated "Federal Constitutional Privilege is Claimed" or "Federal Constitutional Privilege is Claimed as to ....," describing the specific part of any conduct, membership, or association about which claim is made.

Concealment of, misrepresentation as to, or failure to divulge in full, conduct or associations of the character set forth in the provisions, at the time of execution of these certificates in any component of the Department of Defense may constitute grounds for discharge, separation, or other disposition of personnel, and action shall be taken by the Armed Forces for causing trial before a general court martial, or the facts will be made known to appropriate civil authorities, as the law may provide in such cases. Upon indication that any person has misrepresented, concealed, or failed to divulge in full previous conduct or associations of the character set forth, the Service having responsibility thereof shall take appropriate action.

Consequently, you must read the following provisions as to membership in or association with certain organizations and as to standards of conduct very carefully and be sure you understand them. If there is anything which you do not understand in either of these sets of provisions or in the certifications to be made, ask a commissioned officer to explain them to you. When you are certain that you understand both the provisions and the certificates, complete the certificates and sign them in the presence of a witnessing officer. Penalties for making a false statement may be very severe.

PROVISIONS AS TO STANDARDS OF CONDUCT

First: To enter the Coast Guard of the United States and to report to such station or vessel as I may be ordered to join, and to the utmost of my power and ability discharge my several services or duties and be in everything conformable and obedient to the several requirements and lawful commands of the officers who may be placed over me.

Second: I oblige and subject myself to serve { THREE (3) years from 3 May, 1949, / during minority until 2 May, 1952, } unless sooner discharged by proper authority.

I understand that when so detained, I am not entitled to enlistment allowance and that in time of war the addition of one-quarter pay as specified in the Act of July 11, 1941, is not applicable.

I also oblige myself, during such service, to comply with and be subject to such laws, regulations, and discipline for the government of the Coast Guard as are or shall be established by the Congress of the United States or other competent authority, and to submit to treatment for the prevention of smallpox, typhoid (typhoid prophylaxis), and to such other preventive measures as may be considered necessary by proper authorities.

Oath of Allegiance: I, Ed Brown, do solemnly swear (or affirm) that I will bear true faith and allegiance to the United States of America, and that I will serve them honestly and faithfully against all their enemies whomsoever, and that I will obey the orders of the President of the United States and the orders of the officers appointed over me, according to the laws of the United States and the regulations governing the Coast Guard.
