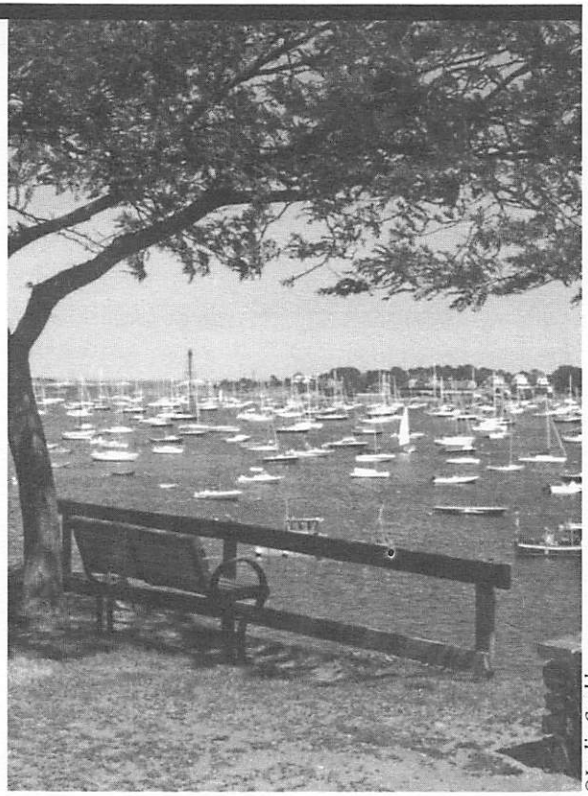
WELCOME TO MARBLEHEAD!



©Leslie Gould

Welcome New or Perspective Residents!

On behalf of the Marblehead Chamber of Commerce, I would like to extend a warm welcome as you settle into your new home and town. For whatever reasons you chose to settle in Marblehead, you'll quickly discover its unique blend of charm, history and community spirit!

Aside from its history, what sets Marblehead apart is that all your shopping and family needs are within 4.2 square miles. There is very little you need to leave town for!

Our business community supports civic groups such as the schools and library and other religious or charitable organizations. However, for a small town, Marblehead is home to over 1,000 businesses – including over 20 restaurants, more than 100 retail stores and service-oriented businesses. We encourage you to enjoy Marblehead to the fullest by shopping locally and participating in many activities offered throughout the year. Check out town events like the Marblehead Christmas Walk, Marblehead Festival of the Arts, Walk For A Beautiful Town and Farmer's Market to name a few.

Take advantage of programs offered by the Marblehead Historical Society, Marblehead Arts Association and many other non-profit civic organizations.

Marblehead is only 17 miles north of Boston and easily accessible from Route 128. Public transportation by bus runs daily from Marblehead to Boston and the commuter rail can be accessed in the neighboring towns of Swampscott and Salem. Transportation schedules are available in the Chamber office.

Again, welcome to Marblehead!

Leslie Gould
