GENERAL INSTRUCTIONS
1933

1. A Health Record will be opened (issued) for each person commissioned, warranted, appointed, or enlisted in the Coast Guard. For cadets, upon reporting at the Academy; for an officer appointed from civil life, upon reporting at first unit; for enlisted persons, upon enlistment.

2. The medical officer, if any, shall have custody of the Health Records of all persons attached to the unit, including the personnel of smaller units attached to a larger unit. If there be no medical officer attached, the custody of the Health Records will devolve upon the executive officer, if he be a commissioned officer; otherwise the custody of the Health Records will devolve upon the commanding officer. The officer having custody of the Health Records shall be responsible for their proper care, continuation, and disposition.

3. In case of medical examination for promotion, retirement, annual commissioned officers' examination, or medical survey, the Health Record shall be furnished to the president of the board. If not received, it should be requested. When the board shall have finished with the Health Record, it shall be returned to its custodial officer. In all cases, brief notation of the findings of the board will be made on the Medical History Sheet, signed by the president of the board. This notation does not take the place of the full report which is submitted for administrative action.

4. A person on detached duty at some distance from where his Health Record would be kept may be given custody of his Health Record.

5. If a Health Record is lost or destroyed, a new one shall be immediately opened in full by the first custodial officer aware of such loss, who will note the fact in the new record and continue the record with such previous data as may be obtainable. If the old record be found, all data subsequent to its loss will be detached from the new and attached to the old record. A skeleton Health Record shall not be issued.

6. No photographs, folded papers, or forms are to be attached to the Health Record. The findings on laboratory and other reports in the case shall be entered on the Medical History Sheet.

7. **Transfer.**—Upon transfer of any person, except as a patient, the Health Record shall be forwarded through official channels to the new destination, or if the person is ordered to unusual, detached, or uncertain duty, it shall be retained or forwarded, as the case may be, with the person's service record. (See par. 4.)

8. The Health Record shall accompany a patient when transferred to or from hospital or when applying at an out-patient office. It shall not be forwarded through official channels, but shall be taken by the patient in a sealed envelope or by a responsible person accompanying him, and delivered with the patient to the official receiving the patient. Upon the patient's return to his unit the Health Record is to be delivered to the custodial officer.

9. If for any reason it becomes necessary to forward the Health Record to Headquarters, other than for termination of service noted thereon, it shall be accompanied by a letter stating the reason.

10. **Physical Examination Record.**—The Coast Guard Board or officer making the request for physical examination shall send to the medical board or officer two forms for physical examination record, already made out down to but not including place and date. The medical board or officer shall make out the rest of the Physical Examination Record in duplicate. In case of appointments or promotion of an officer, both forms shall be mailed by the board or officer direct to Headquarters. When promotion is made the original will be forwarded to the unit for insertion in the Health Record on top of the last Physical Examination Record. The Health Record shall be retained, but altered to show the promotion and new rank. No part of the Health Record is to be sent to Headquarters at this time. In case of enlistment both forms shall be returned to the enlisting officer, who will forward the original to Headquarters with other supporting papers after enlistment has been accomplished. 13. Extension of enlistment or change of name shall be recorded on the Health History Sheet. In the case of change in name, the name shall be corrected wherever appearing in the Health Record.

14. **Termination of Health Record Sheet.**—Upon termination of a person's service (discharge, resignation, desertion, retirement, or death) the termination of Health Record Sheet shall be filled in and the Health Record forwarded to Headquarters. If for reasons other than physical disability, a physical examination of the person shall be made in accordance with Coast Guard Regulations, and notations made as called for by the form. Termination of service should be understood as definite separation from the service or from active duty in case of retirement. Discharge for immediate reenlistment, at the same unit, resignation of temporary status to continue in regular status, or retirement with continuation on active duty are not to be considered as termination of service.

15. **Dental Record.**—The Dental Record is intended for the use of dental officers only. The record of first dental examination should be filled in at the first visit to the dental officer. All dental treatments following the first examination shall be recorded on the proper diagram and noted on the reverse of the sheet with sufficient entries to show beginning and end of treatment, diagnosis, and nature of treatment.

16. Dental treatments shall not be entered in the Medical History Sheet except those incident to treatment of a medical condition. However, notes of unusual dental conditions or treatments which may be of medical interest may be made in the medical history.

17. When a patient is sent for dental treatment, the Health Record will be sent to the dental officer concerned. Upon completion of treatment and necessary entries on the Dental Record Sheet, the dental officer will immediately return the Health Record to the custodial officer.

18. Dental officers shall notify the proper medical officer of any case which may require medical attention.

19. When dental work is done by a private dentist, the person will take a blank dental record sheet to the dentist and request him upon completion of treatment to enter briefly thereon the dental work done. This sheet shall then be inserted in the Health Record.

20. **Vaccination and Inoculation Record.**—Smallpox vaccination and typhoid prophylaxis shall be noted in the spaces provided for these entries. These spaces shall be used only for these operations done after the person has entered the Coast Guard. Statements of these operations done previously shall be noted in the Medical History. Results of smallpox vaccination shall be entered as "PR" (primary reaction); "AR" (accelerated reaction); "IR" (immunity reaction); of "F" (failure). These terms are explained on the back of the record sheet. When vaccination or inoculation is completed, report of same with result shall be entered on the record sheet.

21. **Medical History Sheet.**—As the medical history is continuous, care must be taken to indicate the name of the place and date of each entry and to number the sheets consecutively. The full name, serial number, rank, or rating of the patient shall be entered upon each sheet. The name of a Coast Guard unit is usually sufficient when a man is treated there; as, "CHELAN", "BASE TWO", etc. The name of the city or town should be stated when necessary to complete the sense; as, "U. S. Marine Hospital, Stapleton, N. Y."; "U. S. P. H. S. Relief Station, Philadelphia, Pa.", etc.

22. Daily entries are not obligatory, but entries shall be made as often as required to give concisely the diagnosis, origin, misconduct status, and all essential details regarding symptoms, course, laboratory findings, treatment or refusal of treatment, and results. If a conflicting opinion relative to origin, misconduct status, etc., is subsequently expressed by the same or some other medical officer, the reason for such change shall be fully stated. Diagnosis shall conform by name and number to the Official Nomenclature of the U. S. Public Health Service.

23. Trivial affections not requiring admission to the sick list may be indicated by a "note." No case of venereal disease and no case involving absence from duty on account of sickness shall be recorded as a "note" on the Medical History Sheet.

24. Should a wrong entry be made, it shall not be erased or changed, but additional entry shall be made showing wherein the entry is in error, then sign

INSTRUCTIONS FOR UNIFORMED SERVICE OR GSA RECORDS CENTER

In all cases, please verify the veteran's name and service number furnished by the Social Security Administration. If identical with the military file, check "Yes" in the spaces provided on the reverse of this form; if different, check "No" and enter the name and/or service number shown in the military file.

Then certify the information requested by the Social Security Administration in item 2 above. All applicable items in the block are to be filled in by the certifying organization. If you need additional space or remarks are appropriate, use the "Remarks" space on the reverse.

The duplicate copy of this form should be kept in the veteran's military file whenever a certification about retired or retainer pay (Part B) is furnished. If there is ever a subsequent change made in the retirement record which affects the information furnished, the Social Security Administration should be advised accordingly.

PART A – This information permits the Social Security Administration to determine whether the veteran had active military or naval service during World War II (September 16, 1940–July 24, 1947) or post-World War II (July 25, 1947–December 31, 1956) for which military service wage credits may be granted. List each period of service and identify all periods of service designated as "active duty for training."

PART B – Social Security needs this information to determine whether wage credits are precluded because another Federal Agency has determined that a periodic benefit is payable based in whole or part on active military service in World War II or post-World War II.

Military retired pay is based on the WW II or post-WW II period of service, as the case may be, if active service in the period *has ever* been directly credited (used) in establishing eligibility to the retired pay, or in computing the amount of such pay. Transfer to the Fleet Naval (or Marine Corps) Reserve is treated the same as a normal retirement for purposes of completing this form. A decision to retire an individual, when officially approved, constitutes a retirement even though for any reason no retired pay is ever made.

Items 1(c) and (d) – Active service was "used" [illegible] lishing eligibility to retired pay if it comprises p[illegible] total minimum service required for retirement acc[illegible] the provisions of law under which the veteran wa[illegible] retired. The fact that he was eligible for retiren[illegible] some other provision of law is immaterial.

Item 2(a) – Retired pay is "fixed" when one of[illegible] applicable formulas for computing retirement pa[illegible] If the individual is given the option of deciding[illegible] mula is to be used, the pay is not "fixed" unti[illegible] tion is made and approved.

Items 2(a), (b) and (c) – A "multiple of active[illegible] that number used to represent years of active[illegible] computing retirement pay. For purposes of th[illegible] fractions of one-half year or more of active se[illegible] counted as a whole year. However, when con[illegible] ity retirement and pay from the Public Health[illegible] multiple is the last full year.

Item 3 – The terms "active duty" and "activ[illegible] of training" have the same meaning as defined [illegible] ans' Public Law 881, 84th Congress (Servicemen' Survivor Benefits Act).

PART C – This information is requested w[illegible] of the veteran's age is needed to adjudicate hi[illegible] ecu- rity claim.

The oldest record giving the veteran's date [illegible] or age should be certified. However, if a later rec[illegible] ains dis- crepant date of birth or age, certify that rec[illegible] well. (The "Remarks" block may be used as necessar[illegible]

When certifying *age*, it is important to sho[illegible] ate as of which the age was given. For example, s[illegible] rld War I discharge or separation records may show[illegible] eteran's age when he entered service. In this case, the[illegible] of entry into service is the "Date As of Which Age Wa[illegible] n" while the date of discharge may be the "Date Reco[illegible] tablished."

In the event of war or National emergency declared by the President to exist during my term of service, I oblige and subject myself to serve until 6 months after the end of the war or National emergency if so required by the Secretary of the Navy unless I voluntarily reenlist or extend my enlistment. I understand that when so detained, I am not entitled to enlistment allowance and that in time of war the addition of one-quarter pay as specified in the Act of July 11, 1941, is not applicable.

I also oblige myself, during such service, to comply with and be subject to such laws, regulations, and discipline for the government of the Coast Guard as are or shall be established by the Congress of the United States or other competent authority, and to submit to treatment for the prevention of smallpox, typhoid (typhoid prophylaxis), and to such other preventive measures as may be considered necessary by proper authorities.

Third: I am of the legal age to enlist; I have never deserted from the United States Coast Guard, Navy, Army, or Marine Corps; I have never been discharged from the United States Service or other service on account of disability or through sentence of either civilian or military court; and I have never been discharged from any service, civil or military, except with good character and for the reasons given by me to the recruiting officer prior to enlistment. Fourth: I understand that upon enlistment in the Coast Guard Reserve, I may be ordered to active duty in time of war, or when in the opinion of the President a National emergency exists, and that I may be required to perform active duty throughout the war or until the National emergency ceases to exist and for 6 months thereafter.

Oath of Allegiance: I, Elmer GASKILL, do solemnly swear (or affirm) that I will bear true faith and allegiance to the United States of America, and that I will serve them honestly and faithfully against all their enemies whomsoever, and that I will obey the orders of the President of the United States and the orders of the officers appointed over me, according to the laws of the United States and the regulations governing the Coast Guard.

Dear Mrs. Gaskill:

Reference is made to your letter dated 22 May, 1944, in which you state that your husband, Elmer W. Gaskill, has discontinued your allotment of $60.00 per month, for the support of yourself and child. Please be advised that the allotment was discontinued after March, 1944; however, it was reinstated beginning May, 1944, for the same amount.

Please also be advised that in reply to your inquiry concerning your son's support, Coast Guard Headquarters will direct your husband to comply with any court order connected with this matter. Whether the payments for his support will come directly from your husband or from the government will depend on whether your husband elects to continue receiving a quarters allowance or to apply for the payment of a family allowance. The quarters allowance is credited directly to the enlisted man's pay account, whereas the family allowance is paid directly to the enlisted man's dependents. The law allows the serviceman to choose which allowance he desires to receive.

By direction of the Commandant.

U. S. Coast Guard
Washington, D.C.

Dear Sir:-

I have at hand your notice of April 26, 1944, which I recieved a few days ago, concerning the discontinuation of my allotment, of $60.00 sixty dollars per month, from my Husband Elmer W. Gaskill (103-961) C Mo MM. U.S.S. Bamsden DE (382).

This is a great shock to me. I am still his lawful Wedded Wife + have been since Oct. 3, 1931. My child is still his son. The boy is a fine healthy child of 6 years.

Mr Gaskill was a good + faithfull Husband up until February of 1941 when he suddenly without any explination turned his attentions elsewhere. Several high Ranking Officers in the Coast Guard will vouch for me, I know that I was never anything but a faithful wife to him during the ten years before he left me. Some seem to think he just went to Hollywood.

Since he left I have been forced to return to my profession, which means I work 12 hours out of 24. Not too much now with a War to win I realize that, but I have to have my mother take care of the Boy. She does an excellent job but it's not a happy life for a 6 year old who longs for a Daddy + needs his Mother. However Two adults and a child cannot live on $60.00 sixty dollars per month. I am the full support of my Mother. I have undergone a very serious + expensive operation in the meantime + lost 2 months work but recieved no help from Mr Gaskill.

I cannot see why he alone needs all of his salary when his son must have a home, food, + clothes. His Mother is practically destitute. She has applied for Old Age relief but I do not know whether she recieved it or not. He never writes to her much less sends her any money, but being her son she wouldn't complain nor would any Mother.

I have never wanted to make any trouble for Mr Gaskill even tho it was pretty rough to have a man you had loved dearly for years just up + walk out on you. I admit I was incapicated with a heart condition for 3 years after my baby's birth but that was unavoidable. I had to live with my Mother as I was not physically fit to care for my child. I belive the marriage ceremony says for better or for worse.

For the past 2 years he would not communicate with me in anyway. Nor has he written to his Mother only when I wrote to Washington + got his address from you for her. She would not like me to mention it She just sits + grieves herself about to death over it. I have tried hard to get in touch with him as I wanted to know his plans for the future.

However after this last insult I shall divorce him when I can. I will not find that hard to do as I have ample grounds. It will be a while before I can get away to do this + I wish you would please, if possible take imediate steps to force him to continue my allotment at present until that time, as I need it desperately. I cannot take care of the Boy + Myself alone on my salary let alone My Mother + send his Mother a couple of Dollars now + then.

Would it be too much trouble for you to forward the following information to me. When I do get away to divorce Mr Gaskill will the amount set by the court for the Boy's support be sent to me from Washington or be sent by Mr Gaskill himself. Knowing him I know I will have great difficulty getting it personally.

You people have been very kind in the past + I surely do appreciate everything that was done for me. Very truly yours

Mrs Lydia A. Gaskill R.N.

1. The service records for subject man are returned for correction of the leave account. As GASKILL reenlisted on 20 August, 1948, it appears that the ANCR on 30 June, 1949 is in error. Correction of this error will show that he was entitled to compensation for 10 days unused leave in lieu of 12 days, on date of retirement, 15 February, 1951.

Dear Sir:- In reference to your letter of August 18th, 1945, concerning the care and custody of my Son, Allen Westcott Laskill, I would reply as fallows.

I was awarded complete custody of my Son in a Divorce from, Elmer W. Laskill, Mo. M.M. (63-90) which was granted to me by the C. Court of Hopewell Virginia, on December 30th, 1944. In said Divorce Mr. Laskill agreed to pay the sum of ($60.00) sixty dollars per month until the Child reached the age of 16 years.

At the present time Allen W. Laskill is residing with his Maternal Grandmother, Mrs Elsie M. Allen of Shelter Island, New York. When it became necessary for me to secure an allotment from Mr. Laskill several years ago, I found it, insufficient to support myself and a growing child. Consequently, I returned to my old profession of Nursing.

It then became necessary for my Mother to care for him as I worked 12 hours per night 6 or 7 nights per week at the E. L. I Hospital (address above) Altho I was at Home days I had to sleep several hours.

His Grandmother is a fine, capable, person and gives him the best of care. As time went on and we became involved in a War, Nurses became fewer + fewer for Civilian Jobs, and those of us available had to carry on our own work + that of the Younger Girls called to Military Service. Concequently I am unable to leave my duteis at the Hospital at present. At Shelter Island he is located near both School + Church.

However in the meantime after my Divorce became final, I married Mr. Robert E. Sinton, a fine Gentlemen, who has been the Chief Machinist at the H. W. Sweet Shipyard, Greenport, N. Y. for over 30 years.

I am in a position to give Allen a good Home and have him with me, at the termination of the present Emergency, when the Younger Nurses have finished nursing our wounded Veterans back to Health. At present he spends any free time I have with me. His Father has seen him of late and seems pleased with the care he is getting.

The allowance if it is sent from Washington will all be used for his (Allen W. Paskill) care, plus more which we all know it takes to raise a Boy today.

I am enclosing the original Birth Certificate as it will take several days to secure a copy. I trust this matter can be straightened out, Satisfactorily

Very truly yours,
Mrs Lydia L. Paskill Sinton
