Hon. Albert Thomas

My dear Mr. Thomas:

I have received your memorandum of 15 September, 1947, inclosing a Coast Guard Headquarters letter and a letter of Mr. Victor Emanuel, Public Relations Director of the Veterans Service Center, Houston, Texas. The inclosures are in regard to payment for leave remaining to the credit of Chief Boatswain's Mate George W. Anderson, U. S. Coast Guard, on retirement November 1, 1946. Your memorandum requests further consideration in this matter.

The only law which provides for payment of leave remaining to the credit of a member of the armed forces separated after 31 August, 1946, is Public Law 350 - 80th Congress, an Act to amend the Armed Forces Leave Act of 1946. Section 2 of that Act states: "A member of the armed forces transferred or returned to an inactive status with retired or retainer pay on or prior to the last day of the first calendar month following the date of enactment of this Act, or a member who is on leave on such date, at the expiration of which he will be transferred or returned to an inactive status with retired or retainer pay, shall not be entitled to settlement of compensation under section 4 (c) of the Armed Forces Leave Act of 1946 as added by section 1 of this Act." Section 4 (c) of the Act provides for lump sum payment for leave remaining to a member's credit on separation after 31 August, 1946, in certain instances.

As Public Law 350 was enacted during August 1947, and, accordingly, specifically prohibits payment for leave remaining to the credit of a member retired between the dates of 1 September, 1946, and 30 September, 1947, and Chief Boatswain's Mate Anderson was retired within that period, I regret to inform you that no payment can be made in his case.

Subj: Claim for payment of pay and allowances in lieu of accumulated leave not granted prior to retirement

1. Reference is made to Form 2034, covering your claim for payment of pay and allowances in lieu of accumulated leave which was not granted to you prior to your retirement, which you addressed to the General Accounting Office and which that office forwarded to the Coast Guard for reply.

2. You are advised that military leave of absence is a privilege and not a right. While law and regulations limit the number of days leave which may be granted personnel, there is no provision which requires that such leave shall be granted, and there is no authority under which payment of pay and allowances may be made to enlisted men after release from active duty or retirement in lieu of leave not granted prior to such leave or retirement. In other words, the fact that leave with pay might have been granted during active duty gives no right to pay thereafter in lieu of leave not granted prior to release or retirement. The exception to this is the Armed Forces Leave Act of 1946, but, as you were advised by Headquarters letter of 15 May, 1947, that Act would not serve as a basis for payment in your case.

3. In view of the fact that there appears to be no basis for your claim, Headquarters is unable to take any further action in the matter.

Dear Sir:

Your claim for settlement of unused leave, submitted on Budget Bureau Form 49-R283, together with supporting documents, is returned for cancellation as that form is for the use of members separated on or prior to 31 August, 1946, only.

For the purpose of settlement of unused leave under the Armed Forces Leave Act, in thecase of a member on active duty 1 September, 1946, the leave balance is established as of 31 August, 1946, by crediting 2½ days leave for each month of active enlisted service since 8 September, 1939, and deducting all leave taken except sick leave. Of this leave balance, up to and including 60 days is credited in the leave account and the remainder, if any, is settled for. No further settlement is authorized and the 60 days credited, plus leave accruing on and after 1 September, 1946, if not taken or granted, are cancelled on separation or discharge.

As a computation of your leave as of 31 August, 1946, shows a balance of less than 60 days, no settlement is authorized in your case.

By direction of the Commandant.

1. Date of arrival at my home 25 October, 1946. Temporary mailing address below. You will be advised of my permanent address at a later date.

2. It is noted above mentioned letter gives my rating as CBM. We were advised by the Galveston Base Office that effective 1 July, 1946, my rating would be reduced to BMlc. My pay account from the District Office continued to carry me as CBM. untill 15 September, 1946 at which time they were notified by me to this effect and my pay account was then adjusted to BMlc.and the difference in pay between the two ratings was deducted from my salary for the last fifteen days of September.

3. Due to my length of service, my service record in the former Lighthouse Service, also my service record since enlisting in the Coast Guard and reccomendation from the DCGO, 8th CG District which is attached to my last service record, reccomending me for permanent CBM rating, it is requested that if my CBM rating was or is not now permanent that it be made so and certificate furnished me to this effect. It is believed that under the present law, this would make no difference in my retirement pay.

In compliance with HQ letter dated 17 October, 1946 file (CG-73-706-531) PEA-C, also indorsement DCGO, 8th CG District, dated 22 October, 1946, inclosed herewith is my health record, my service and pay records also form 2599 will be forwarded by District Office. Date of arrival at my home 25 October, 1946. Temporary mailing address below. You will be advised of my permanent address at a later date.

2. It is noted above mentioned letter gives my rating as CBM. We were advised by the Galveston Base Office that effective 1 July, 1946, my rating would be reduced to BM1c. My pay account from the District Office continued to carry me as CBM. untill 15 September, 1946 at which time they were notified by me to this effect and my pay account was then adjusted to BM1c.and the difference in pay between the two ratings was deducted from my salary for the last fifteen days of September.

3. Due to my length of service, my service record in the former Lighthouse Service, also my service record since enlisting in the Coast Guard and reccomendation from the DCGO, 8th CG District which is attached to my last service record, reccomending me for permanent CBM rating, it is requested that if my CBM rating was or is not now permanent that it be made so and certificate furnished me to this effect. It is believed that under the present law, this would make no difference in my retirement pay.

Subj: ANDERSON, George W. (222-249) CBM; recommendation for permanent rating

1. It is strongly recommended that subject-named man be given the permanent rating of Chief Boatswain's Mate in the United States Coast Guard.

2. He was inducted into the Coast Guard from the former Lighthouse Service on 17 October, 1942, having served in that organization in the capacity as Keeper for twenty-six and one-half (26½) years. Total service in both organizations approximates thirty (30) years. Since entering the Coast Guard, Anderson has performed his assigned duty as Lighthouse Keeper in a diligent manner, demonstrating his thorough knowledge of this highly important phase of Coast Guard work at all times.

3. ANDERSON reenlisted in the Regular Establishment of the Coast Guard on 19 March, 1946 for a period of two (2) years, at the expiration of which he contemplates retirement.

4. It is realized that this recommendation is not in strict adherence to the provisions of Alcoast 143-45, but is believed that Headquarters' deviation therefrom to award this man a permanent Chief Petty Officer appointment is appropriately just in view of his long tenure of faithful service.

UNITED STATES COAST GUARD

NEW ORLEANS 9, LA

ADDRESS REPLY TO
DISTRICT COAST GUARD OFFICER
EIGHTH NAVAL DISTRICT (p)
REFER TO FILE:
CG-73

27 March, 1946

To: The Commandant (PE)

Subj: ANDERSON, George W. (222-249) CBM; recommendation for permanent rating

1. It is strongly recommended that subject-named man be given the permanent rating of Chief Boatswain's Mate in the United States Coast Guard.

2. He was inducted into the Coast Guard from the former Lighthouse Service on 17 October, 1942, having served in that organization in the capacity as Keeper for twenty-six and one-half (26½) years. Total service in both organizations approximates thirty (30) years. Since entering the Coast Guard, Anderson has performed his assigned duty as Lighthouse Keeper in a diligent manner, demonstrating his thorough knowledge of this highly important phase of Coast Guard work at all times.

3. ANDERSON reenlisted in the Regular Establishment of the Coast Guard on 19 March, 1946 for a period of two (2) years, at the expiration of which he contemplates retirement.

4. It is realized that this recommendation is not in strict adherence to the provisions of Alcoast 143-45, but is believed that Headquarters' deviation therefrom to award this man a permanent Chief Petty Officer appointment is appropriately just in view of his long tenure of faithful service.

To: DCGO,8th Naval District

Via: Commanding Officer,CG Operating Base,Galveston,Texas

Subj: ANDERSON, George W. (222-249) G.B.M. Record of service; request for

1. It is requested that my record of Government service, Quartermaster Department,Military and former Lighthouse service be furnished for entry on my present Coast Guard enlistment record as this record does not show that I have had any previous Government service before my enlistment in the Coast Guard 16 October, 1942.

2. It is believed my thirty years of Government service will be completed 16 December,1945,which will entitle me to retirement at that time and it is desired to verify this and entry made on my service record.

3. It is also requested that I be advised if my retirement will be computed under former Lighthouse Service pay or my present rate of salary. If under my present salary,in case of a reduction at some future time in the present rate of pay for this rating, would I also suffer a reduction in my retirement pay?.Please advise what retirement I would receive if retired under the former Lighthouse salary,also the amount I would receive if retired under my present salary and will I be eligible for retirement before the war is over.
