Personnel.

March 16, 1911.

The Commissioner of Light-Houses,

Washington, D.C.

Sir:

Referring to the resignation of Charles Sorenson, as Assistant Keeper of Honolulu Harbor, etc., Light-Station, T.H., effective at the close of March 14, and to the nomination of his successor, Henry K. Au, recommended to take effect March 15, at a salary of $600 per annum, I have to state that the increase in pay from $300 to $600 per annum, approved in the case of Charles Sorenson by the Bureau's telegram of March 10, and which, it is assumed, will be approved in the present case, can be paid from funds allotted, Salaries of Keepers of Light-Houses, 1911.

It will be noted that Joseph Kaimana precedes Henry K. Au on the list of eligibles, but that their average is the same. Both are sailors on the Kukui, and both are good men for the position. Kaimana signified his willingness to accept, but stated he would prefer to remain on the Kukui for the present, if he might do so without detriment to his standing on the list of eligibles. His

request was granted. William A. Cahill, third on the list, resides at Hilo, and his ~~xx~~ reply will not be received for at least 10 days. It was necessary to make selection immediately, on account of the short notice given by Sorenson.

Henry K. Au has proven himself a steady man on the Kukui; and it is hoped, with the increase in pay which has been authorized, it will be possible to retain the services of a competent man at Honolulu Harbor Light-Station in the position of Assistant Keeper.

Respectfully,

Lieutenant, U.S.N.,

Inspector, 19th L.H.District.

Referring to your failure to report to the Inspector the absences on various nights of former Keeper, William F. Williams, beginning the first week in September and continuing until September 23, 1915, at the time these absences begun.

Your reply that you intended to report him if he should again leave the station without authority is unsatisfactory as Regulations, U. S. L. H. 1. Henry K. Au, Keeper, Honolulu Harbor Light Station, at $720 per annum, was committed to the Insane Asylum by the District Court of Honolulu, on May 26, 1919. Inclosed is copy of report by the Public Health Service dated June 20, 1919, regarding his condition, which would indicate that his recovery is improbable.

a 2. It is recommended that Au's services be discontinued effective at the close of June 24, 1919, granting him 30 days' sick leave.

b 3. If the above recommendation is approved this employee will have been granted 15 1/2 days leave in excess of the accrued rate during the calendar year. He has been in the service over eight years, with a good record and did not take any leave during 1917 and 1918. In view of these facts and the circumstances connected with his separation from the Service, it is recommended that the provision that a person leaving the Service will not be granted more than accrued leave be waived.

4. In the event that the Department will not approve leave in excess of the accrued rate, the effective date of the separation should be changed to June 7, 1919, the expiration of his accrued leave.

JAS 7/14/19.

5. The position is being filled temporarily by the additional keeper. Nomination of a regularly appointed keeper will be submitted at an early date. Mr. Au has dependent children and steps will be taken to arrange for payment of salary due to the legally appointed guardian.

Sir:

Replying to your letter of June 7, 1919, relative to the physical condition of Henry K. Au, I have to advise you that this patient shows a positive Wassermann reaction. In the opinion of the Medical Superintendent of the Oahu Insane Asylum it is believed that his mental symptons are due to cerebro-spinal syphilis. Since his admission to the asylum he has improved very much but the prognosis, as regards his ultimate recovery, is believed to be not very good.
