Director of Insurance Service
Veterans Administration
District Office
P.O. Box 8079

Dear Sir:

The above named man has contacted this office and stated that your office advised him that premium payments for his National Service Life Insurance were not being received by your office. In this connection you are advised that prior to BOLGER's retirement from the Coast Guard on 1 April 1954 premium payments for his National Service Life Insurance were made by allotment deductions from his active duty pay. This allotment was transferred to the retired roll upon his retirement.

In view of the fact that when insurance premiums are paid by allotments all insurance records are maintained in the Central Office, it is requested that the necessary steps be taken to effect the return of subject named man's insurance records. Please advise this office what action is being taken.

Very truly yours,

B. V. BALL

When the latter endorsement has been completed, this order should be forwarded to the Commandant (FP-5) for settlement of travel expenses.

SERVICE RECORD SIGNATURES

GENERAL

(*a*) The purpose of signatures in the service record is to show that the entries are made by proper authority as represented by the person signing them. The signing of the service record also keeps the cognizant officers aware of the correctness of record maintenance and helps to guard against erroneous entries. It is therefore incumbent upon commanding officers to assure that service record entries are signed only by authorized personnel. The grade and title of the officer signing is required.

(*b*) Signatures shall be made in permanent black or blue-black ink only, except as shown below in the case of DD Form 214 which shall be signed with indelible pencil.

(*c*) Contents Checked for Accuracy (inside front cover of service record) shall be initialed by the executive officer or personnel officer each time the contents are checked for accuracy. The check for accuracy shall be made by the officer who initials it for the purpose of determining that all entries have been made in accordance with current instructions; that duplicate sheets have been forwarded to other activities as required; and that all pages are filed in proper order. The following items shall be given particular attention: Name, service number, rating, any special designator, leave record, record of emergency data, remarks, special qualifications, qualifications for advancement, training courses, pay status including cumulative years, and completeness of pages. Any discrepancies, other than misfiled material, shall be reported to the Commandant (PE) by letter.

---

Such authorization shall be in writing.

7. ADMINISTRATIVE REMARKS.—The signature, grade, and title of either the commanding officer, executive officer, or personnel officer, is required after each administrative entry and after the record of transfer and the record of receipt when occurring.

Re: John V. Bolger

Black Rock, Bpt., Conn.

Dear Mr. Merrill:

You have under your command above referred to taxpayer John V. Bolger who filed an Income Tax Return for the year 1950 with a tax liability of 116.80 which is unpaid.

Under the Internal Revenue Laws a Military man may request a deferrment of payment of tax until his discharge from service and then must be paid within a six months period of time, if it would create a hardsip upon him on current payment. Mr. Bolger did request deferrment on September 20, 1951 and deferrment was granted.

In reviewing Military deferred warrants we find that Mr. Bolger is a career sailor and it is of our opinion that immediate liquidation of this liability would not create a harship on taxpayer anymore than it would on a civilian.

Please contact Taxpayer,Mr. Bolger and explain the reason why this tax is due and payable now. Also have Mr. Bolger come to The Bridgeport Office so that we can talk to him and if he has not filed his 1952 Income tax return file it. We have waived interest on this tax and only the tax of $ 116.80 is due.

Yours truly,

LOYALTY CERTIFICATE FOR PERSONNEL OF THE ARMED FORCES

INSTRUCTIONS ON THE USE OF THIS FORM

The Department of Defense has the authority to establish and promulgate detailed procedures to implement the national policy relating to loyalty of persons entering on duty with the Armed Forces. This has been determined by appropriate authority to include restrictions as to membership in or association with certain organizations and of certain standards of conduct. If Federal Constitutional Privilege against self-crimination; i. e., the making of a statement which will expose you to criminal trial, is claimed about all or any part of any conduct, membership, or association in question you may so claim by stating in the space indicated "Federal Constitutional Privilege is Claimed" or "Federal Constitutional Privilege is Claimed as to .....," describing the specific part of any conduct, membership, or association about which claim is made.

Concealment of, misrepresentation as to, or failure to divulge in full, conduct or associations of the character set forth in the provisions, at the time of execution of these certificates in any component of the Department of Defense may constitute grounds for discharge, separation, or other disposition of personnel, and action shall be taken by the Armed Forces for causing trial before a general court martial, or the facts will be made known to appropriate civil authorities, as the law may provide in such cases. Upon indication that any person has misrepresented, concealed, or failed to divulge in full previous conduct or associations of the character set forth, the Service having responsibility thereof shall take appropriate action.

Consequently, you must read the following provisions as to membership in or association with certain organizations and as to standards of conduct very carefully and be sure you understand them. If there is anything which you do not understand in either of these sets of provisions or in the certifications to be made, ask a commissioned officer to explain them to you. When you are certain that you understand both the provisions and the certificates, complete the certificates and sign them in the presence of a witnessing officer. Penalties for making a false statement may be very severe.

PROVISIONS AS TO STANDARDS OF CONDUCT

1. Conduct which may be considered as establishing reasonable grounds for invoking appropriate penalties shall include, but is not limited to, one or more of the following:

(*a*) Sabotage, espionage, or attempts or preparations therefor, or intimate and sympathetic associations with or voluntary assistance to persons who the subject of investigation has reasonable cause to believe may be spies or saboteurs.

(*b*) Treason, sedition, or writings and acts which can reasonably be considered as intended to encourage seditious or treasonable opinions or actions.

(*c*) Advocacy of revolution or of force or violence to alter the existing constitutional form of government of the United States; advocacy of revolution or of force or violence to bring about economic, political, or social change.

(*d*) Intentional unauthorized disclosure to any person under circumstances which may indicate disloyalty to the United States, of documents or information of a classified or nonpublic character.

(*e*) Acting, attempting to act, or knowingly failing to act when such conduct is calculated to serve the interests of another government in preference to the interests of the United States of America.

I certify, as regards the standards of conduct, that:

1. I have read the instructions on the use of this form and I understand them.

2. I have read the provisions applying to the standards of conduct and I understand them.

3. If I have engaged in any such conduct, I have so indicated by describing in the statement below the nature thereof.

4. If I have not engaged in any such conduct, I have so indicated by writing "None" or "None to my knowledge" in the statement below.

INCLOSURE TO PERSONNEL CIRCULAR NO. 13-52

YOUR INSURANCE STATUS

FACTS FOR COAST GUARD PERSONNEL BEING SEPARATED FROM ACTIVE SERVICE

A. On being separated from the Coast Guard you automatically fall into one of the several classes listed below with respect to your government insurance.

(1) CLASS "A" - Those who had no National Service Life Insurance (NSLI) or U.S. Government Life Insurance (USGLI) but were covered under the provisions of the Servicemen's Indemnity and Insurance Acts of 1951, Public Law 23, 81st Congress.

(2) CLASS "B" - Those who had NSLI and USGLI on the term plan but who waived the full premium thereon.

(3) CLASS "C" - Those who had NSLI or USGLI on a permanent plan and who were granted waiver of the cost of the pure insurance risk only.

(4) CLASS "D" - Those who had NSLI or USGLI on a permanent plan and who turned in their policies for cash surrender value.

(5) CLASS "E" - Those who continued regular premium payments on NSLI or USGLI without applying for waiver or cash surrender.

B. Upon separation from the service, you should determine the class in which you fall and take the action indicated below.

(1) Class "A" - Make application for new type post-service, non-convertible term insurance within 120 days after release or separation from the service. Such insurance will be granted without medical examination. If suffering from a service-connected disability, you may apply within one year of the determination of such disability by the Veterans Administration for one of the 7 plans provided under nonparticipating Nation Service Life Insurance. A medical examination is required in this case. Further information may be secured from the nearest VA Office.

(2) CLASS "B" - Resume regular premium payments on NSLI or USGLI within 120 days after release or separation from the service. Further information may be obtained at the nearest VA Office. (CAUTION: If term insurance expires within 120 days after separation, such insurance will not be automatically renewed by the VA. In such cases, application for renewal of term insurance must be made to the VA, Washington 25, D. C.)

(3) CLASS "C" - Continue regular premium payments on NSLI or USGLI after release or separation from service. Waiver terminates 120 days after separation. Further information may be obtained at the nearest VA Office.

(4) CLASS "D" Make Application within 120 days after release or separation for a replacement policy in the same amount and on the same plan or for reinstatement of the NSLI or USGLI plan which was previously surrendered. Application should be made at your nearest Veterans Administation Office.

(5) CLASS "E" - If payment was by allotment, direct premium payment should be made to the Veterans Administration, Collections Section, Washington 25, D. C. If payments have been made direct to the Veterans Administration Office, such payments should continue to be made in the same manner.

C. Persons in any of the above classes who must commence payments within 120 days after separation should make such payments to the VA, Collections Section, Wash, D.C.

MEDICAL HISTORY

STATE NAME OF PLACE DATE EACH NEW ENTRY

US MARINE HOSPITAL, Stapleton S.I. NY
10-14-50 Admitted to inpatient status.
11-3-50 Discharged.
DIAGNOSIS: 723-615 Calculus in ureter, left.
E-traction of calculus. 723-032 Double ureter, left.
NOT MISCONDUCT.
OFF DUTY: 21 days.
PERS & FAMILY HIST: See previous entries.
DISCHARGE SUMMARY: Admitted with chief complaint of left flank pain and scrotal pain of 24 hrs duration. History of having had an attack of severe left flank pain radiating to the left inguinal region six weeks ago. This last two weeks. No hematuria, no urgency or frequenty. Slight burning on urination. Physical exam was negative. Lab data including serology, blood calcium and phosphorus were normal. Urine showed pus cells and occasional calcium oxilate cryystals. Flat plate of the abdomen revealed a calcific shadow believed to be low in the left ureter. Retrograde pyelogram confirmed the presance of this calculus but on the first attempt on Oct 18, 1950 extraction was unsuctessful. An incidental finding on this exam was the presence of a duoble ureter on the left with soperate ureteral orifice to the bladder. This is a congenital condition and is of no pathological significance. On 27 Oct, a 2nd attempt at extraction of the stone was made and was succesful. Patient became asymptomatic following this procedure.
Discharged and recommended two weeks no work or sick leave.

REMARKS BY SOCIAL SECURITY ADMINISTRATION:

INSTRUCTIONS FOR UNIFORMED SERVICE OR GSA RECORDS CENTER

In all cases, please verify the veteran's name and service number furnished by the Social Security Administration. If identical with the military file, check "Yes" in the spaces provided on the reverse of this form; if different, check "No" and enter the name and/or service number shown in the military file.

Then certify the information requested by the Social Security Administration in item 2 above. All applicable item block are to be filled in by the certifying organization the need additional space or remarks are appropriate, use the "Remarks" space on the reverse.

One copy of this form should be kept in the veterans file whenever a certification about retired or (Part B) is furnished. If there is ever a subsequent made in the retirement record which affects the furnished, the Social Security Administration advised accordingly.

PART A — This information permits the Social Security Administration to determine whether the veteran had active military or naval service during World War II (September 16, 1940—July 24, 1947) or post-World War II (July 25, 1947—December 31, 1956) for which military service wage credits may be granted. List each period of service and identify all periods of service designated as "active duty for training."

PART B — Social Security needs this information to determine whether wage credits are precluded because another Federal Agency has determined that a periodic benefit is payable based in whole or part on active military service in World War II or post-World War II.

Military retired pay is based on the WW II or post-WW II period of service, as the case may be, if active service in the period *has ever* been directly credited (used) in establishing eligibility to the retired pay, or in computing the amount of such pay. Transfer to the Fleet Naval (or Marine Corps) Reserve is treated the same as a normal retirement for purposes of completing this form. A decision to retire an individual, when officially approved, constitutes a retirement even though for any reason no retired pay is ever made.

Items 1(c) and (d) — Active service was "used" in establishing eligibility to retired pay if it comprised total minimum service required for retirem the provisions of law under which the v retired. The fact that he was eligibl some other provision of law is imma

Item 2(a) — Retired pay is "fixed" applicable formulas for computing re If the individual is given the option o formula is to be used, the pay is not "fixed" until the selec tion is made and approved.

Items 2(a), (b) and (c) — A "multiple of active service" is a number used to represent years of active service th fraction retirement pay. For purposes of this multip counted one-half year or more of active service long ity retireme whole year. However, when computing, the multiple is th pay from the Public Health S full year.

Item 3 — The terms training" have the sa Public Law 881, 84th Co ve duty" and "active duty for ining as defined in Sec. 102 of Survivor Benefits Act). s (Servicemen's and Veterans'

PART C — This information is the veteran's age is needed to ad ested where proof of rity claim. ate his Social Secu-

The oldest record giving the veteran's ate of birth or age should be certified. However, if a later record contains discrepant date of birth or age, certify that ecord as well. (The "Remarks" block may be used as necessary.)

When certifying *age*, it is important to sho the date as of which the age was given. For example, some World War I discharge or separation records may show the veteran's age when he entered service. In this case, the date of entry into service is the Date As of Which Age Was Given" while the date of discharge may be the "Date Record Established."

References: (a) Report of Change in Pay Status in case of above-named man dated 10 June, 1935.
(b) Article 149 (c) and (d), Pay and Supply Instructions.
(c) New York Division pay roll May, 1935 settled in the May, 1935 account of Chief Pay Clerk Louis Brezovic, Special Disbursing Agent.

Inclosure: (1) Reference (a).

1. Reference (a), issued for the purpose of adjusting an overcredit to the above-named man's account on reference (c), is in error and is returned herewith for cancellation. Records at Headquarters as well as reference (a), indicate that Bolger was absent without leave during the period 8:00 a.m., 25 May, 1935 to 8:00 a.m., 1 June, 1935. On reference (c) he was carried for twenty-four days' pay in the amount of $49.68, which is correct. As he returned from his absence without leave on 1 June, 1935, he is entitled to pay from and including that date.

2. It is believed that reference (b) is not clearly understood by the officer preparing the account of Bolger. For his information he is advised that a man absent without leave for two or more days running through the 31st of the month is entitled to pay up to the day of departure and would suffer no additional loss of pay because of such absence on the 31st. However, if he departed on such absence on the 31st, one day's pay would not accrue for that month.

Dear Sirs:

In regard to a policy I have taken out on 7 October, 1942, for $10,000, policy #N-2,540,547, since I have taken this policy out to the best of my knowledge there has been no deductions from my pay in payment for this policy. When I took this policy out I agreed to pay the amount due each month by deduction from my pay.

If you could help me I would deeply appreciate it, because I am interested in maintaining this insurance, a prompt reply to this letter advising me would be deeply appreciated.

Subj: BOLGER, John V. (101-078) CBM(a); completion of service record

1. The subject-named man is being discharged at this unit in accordance with Article 589, Coast Guard Regulations.

2. Article 3 (Efficiency Marks) of subject man's service record indicates the omission of a quarterly mark for period ending 31 December, 1942 while attached to the EM REED. Also a mark for 8 March, 1943 has been omitted, date of detachment of subject man from that vessel on transfer to the YARD. There is also no entry under Article 3 for the quarter ending 31 March, 1943 while attached to the EM EUPHANE.

3. Inasmuch as the signature in the service record is the same for entries of both the above vessels and the YARD, it is believed that the records of the EM REED and the EM EUPHANE were carried at the YARD. It is therefore requested that The Commandant (PEA-E), U. S. Coast Guard Headquarters, Washington 25, D. C. be advised as to the necessary corrections to be made by indorsement hereon.

I CERTIFY that I have examined the above-named person and find him suffering from Obs for renal calculi
(Give diagnosis by number and name according to official nomenclature)

My professional opinion in the case is expressed below for the information of the Coast Guard administrative officers. Incident of service? {*Yes. / *No.} Fit for duty? {*Yes / *No.} Absent from duty on account of the effects of a disease, as distinguished from injury, directly attributable to and immediately following his own intemperate use of alcoholic liquor or habit-forming drug? {*Yes / *No.} Absent from duty on account of the direct effects of a venereal disease due to his own misconduct? {*Yes. / *No.} If "yes," did the initial symptoms appear less or more than one year ago? {*Less. / *More.} Treatment will require approximately 15 days absence from duty. 1. There is herewith forwarded a notification from the Veterans Administration that the $10,000 level term National Service Life Insurance issued under policy number N 12 917 544 will expire on 30 June, 1951 In order that you may continue to have the protection of this insurance, it must be renewed or, if you prefer, it may be converted to one of the six permanent plans, i.e., Ordinary Life, 30-Payment Life, 20-Payment Life, 20-Year Endowment, Endowment at age 60 or Endowment at age 65.

2. In view of the fact that the application for renewal of insurance on the five-year level term plan or application for converted insurance must reach the Veterans Administration before the expiration of the current term period, you are urged to take immediate steps toward completing the application and making the necessary allotment adjustment.

3. There is in effect at the present time an allotment of your pay in the amount of $8.50 per month for premiums on National Service Life Insurance as follows:

If insurance is renewed, the new allotment should be $11.40. Your authorized certifying officer should be instructed to discontinue the $8.50 allotment with the month of last payment May, 1951 and to establish the new allotment, reflecting the increased premium, effective with the month of first payment June, 1951 to conform with administrative change authorized by Headquarters.

4. The completed application, in duplicate, together with the necessary allotment adjustment (Forms CG-2528 and CG-2528A) should be forwarded to the Commandant (PMM) for transmittal to the Veterans Administration.

5. Advise Commandant (PMM) of action that will be taken by you in connection with your National Service Life Insurance.

INCLOSURE TO PERSONNEL CIRCULAR NO. 13-52

YOUR INSURANCE STATUS

FACTS FOR COAST GUARD PERSONNEL BEING SEPARATED FROM ACTIVE SERVICE

A. On being separated from the Coast Guard you automatically fall into one of the several classes listed below with respect to your government insurance.

(1) CLASS "A" - Those who had no National Service Life Insurance (NSLI) or U.S. Government Life Insurance (USGLI) but were covered under the provisions of the Servicemen's Indemnity and Insurance Acts of 1951, Public Law 23, 81st Congress.

(2) CLASS "B" - Those who had NSLI and USGLI on the term plan but who waived the full premium thereon.

(3) CLASS "C" - Those who had NSLI or USGLI on a permanent plan and who were granted waiver of the cost of the pure insurance risk only.

(4) CLASS "D" - Those who had NSLI or USGLI on a permanent plan and who turned in their policies for cash surrender value.

(5) CLASS "E" - Those who continued regular premium payments on NSLI or USGLI without applying for waiver or cash surrender.

B. Upon separation from the service, you should determine the class in which you fall and take the action indicated below.

(1) Class "A" - Make application for new type post-service, non-convertible term insurance within 120 days after release or separation from the service. Such insurance will be granted without medical examination. If suffering from a service-connected disability, you may apply within one year of the determination of such disability by the Veterans Administration for one of the 7 plans provided under nonparticipating Nation Service Life Insurance. A medical examination is required in this case. Further information may be secured from the nearest VA Office.

(2) CLASS "B" - Resume regular premium payments on NSLI or USGLI within 120 days after release or separation from the service. Further information may be obtained at the nearest VA Office. (CAUTION: If term insurance expires within 120 days after separation, such insurance will not be automatically renewed by the VA. In such cases, application for renewal of term insurance must be made to the VA, Washington 25, D. C.)

(3) CLASS "C" - Continue regular premium payments on NSLI or USGLI after release or separation from service. Waiver terminates 120 days after separation. Further information may be obtained at the nearest VA Office.

(4) CLASS "D" Make Application within 120 days after release or separation for a replacement policy in the same amount and on the same plan or for reinstatement of the NSLI or USGLI plan which was previously surrendered. Application should be made at your nearest Veterans Administation Office.

(5) CLASS "E" - If payment was by allotment, direct premium payment should be made to the Veterans Administration, Collections Section, Washington 25, D. C. If payments have been made direct to the Veterans Administration Office, such payments should continue to be made in the same manner.

C. Persons in any of the above classes who must commence payments within 120 days after separation should make such payments to the VA, Collections Section, Wash, D.C.

Subj: BOLGER, John V. (101-078) BM1; disciplinary action

1. Service record and mast information report in case of subject man are transmitted herewith. At Commanding Officer's mast, this date, BOLGER was awarded trial by summary court martial on the alleged misconduct while he was assigned as Officer-in-Charge of Great Captain's Island Light Station.

2. During interrogation, BOLGER failed to deny any accusations against him, but suggested that his alleged misconduct was not as serious a matter as indicated. He implied that the initial complaints were lodged by a Mr. Masson in order to make him, BOLGER, the "goat" in a divorce action.

3. BOLGER'S current service record shows creditable efficiency marks and no disciplinary infractions. However, a statement of service indicates some seven incidents of deductible time (mostly AOL) during his previous enlistments.

4. Subject's indiscretions are apparently the product of the "lonely life" at a light station. It does not appear that the efficiency of the light station was materially impaired by his carefree moments. Although he has separated from his wife, there seems to be no domestic difficulty contributory to the delinquency.

It is requested that this unit be furnished the standing on the eligibility list for readvancement to Chief Petty Officer of the following named personnel attached to this Group:

Subj; Request for transfer.

1. In view of the fact that plans are underway to make my present assignment a family station for the present keeper. It is requested that I be transferred to STEPPING STONES LIGHT STATION, N.Y.
2. My reason for the above request is that my home is in N.Y.C., and for the past 7 nseven years I have been stationed away from the 3rd CGDis. I have had to do some considerable traveling to reach home.

3. Due to my recent reduction in rating, and cancellation of furlough traveling rates, financially I feel both losses, and being stationed nearer home would compensate me greatly. I have completed 20 years CG, service having 17 years sea duty during that time. Would appreciate if this request be given favorable consideration.
