LOYALTY CERTIFICATE FOR PERSONNEL OF THE ARMED FORCES

INSTRUCTIONS ON THE USE OF THIS FORM

The Department of Defense has the authority to establish and promulgate detailed procedures to implement the national policy relating to loyalty of persons entering on duty with the Armed Forces. This has been determined by appropriate authority to include restrictions as to membership in or association with certain organizations and of certain standards of conduct. If Federal Constitutional Privilege against self-crimination; i. e., the making of a statement which will expose you to criminal trial, is claimed about all or any part of any conduct, membership, or association in question you may so claim by stating in the space indicated "Federal Constitutional Privilege is Claimed" or "Federal Constitutional Privilege is Claimed as to .....," describing the specific part of any conduct, membership, or association about which claim is made.

Concealment of, misrepresentation as to, or failure to divulge in full, conduct or associations of the character set forth in the provisions, at the time of execution of these certificates in any component of the Department of Defense may constitute grounds for discharge, separation, or other disposition of personnel, and action shall be taken by the Armed Forces for causing trial before a general court martial, or the facts will be made known to appropriate civil authorities, as the law may provide in such cases. Upon indication that any person has misrepresented, concealed, or failed to divulge in full previous conduct or associations of the character set forth, the Service having responsibility thereof shall take appropriate action.

Consequently, you must read the following provisions as to membership in or association with certain organizations and as to standards of conduct very carefully and be sure you understand them. If there is anything which you do not understand in either of these sets of provisions or in the certifications to be made, ask a commissioned officer to explain them to you. When you are certain that you understand both the provisions and the certificates, complete the certificates and sign them in the presence of a witnessing officer. Penalties for making a false statement may be very severe.

		2. Recruiting of personnel is affected due to lack of appeal and variety in the summer training offered.
		3. Units are not familiar with the operational requirements and commitments and physical aspects of their mobilization station. A tentative suggestion that would utilize all existing facilities as well as add interest and promote proficiency could be a three-year active duty for training cycle as follows:
		a. Unit training at Yorktown
		b. Job training by rate
		c. Group or unit training at mobilization station
		CCGD5 END. - Approved.
16.	2-4	FINDING AND OPINION - Since it is not expected that there will be an increase in funds appropriated for the next fiscal year for Reserve training, and the cost of operating our own training facilities, such as Yorktown, CGC DEXTER, and UNIMAK is very high, the following recommendations are submitted to perhaps make additional funds available for drill pay and ACDUTRA.
		RECOMMENDATION
		a. The Board recommends that the Commandant explore the possibility of providing airlifts for groups of trainees in co-operation with the Air Force, Navy, and Marine Corps, in order to save travel costs.
		b. The Board recommends that the possibility be explored for the use of MSTS vessels as training facilities for ORTU personnel.
		CCGD2 END. - Approved.
17.	14-2(c)	RECOMMENDATION - That further study be made for greater choice in outside schooling in specialty subjects, such as the Law Enforcement School, San Jose, Calif. It is recommended that advanced training be offered in law enforcement. A study should be made for the reactivation of explosives loading schools and for establishing a school for Training Officers assigned to ORTUs.
		DISCUSSION - During the past fiscal year, quotas were allotted to this District for the assignment of enlisted personnel to specialty schools at Yorktown, Virginia. These quotas were cancelled due to limitation of funds. Trainees that were selected to attend these schools were disappointed after definite commitments were made for them. Instead, they were assigned to schools and operating units locally. As a result, the morale of these selected trainees has been lowered considerably. It is felt that this District should be given the same privileges, disregarding the fact that expenses involved in sending trainees to schools in specialty subjects will be much higher than those encountered by other Districts. Recent assignees to the Law Enforcement School at San Jose State College, California, have returned with excellent reports relative to the type of training that was offered. It is felt that advanced classes in Law Enforcement would be beneficial to those trainees who have satisfactorily completed the initial phase of law enforcement training, and a follow-through program should be investigated. A suggestion

I am not drawing, nor have I a claim pending, on account of my own service, for a pension, disability allowance, disability compensation, or retired pay from the Government of the United States.

For and in consideration of the pay or wages due to the ratings which may from time to time be assigned me during the continuance of my service, I agree to and with CAPTAIN S. J. LOWREY of the United States Coast Guard, as follows:

First: To enter the United States Coast Guard and to report to such station or vessel as I may be ordered to join, and to the utmost of my power and ability discharge my several services or duties and be in everything conformable and obedient to the several requirements and lawful commands of the officers who may be placed over me.

Second: I oblige and subject myself to serve { 6 years from 22 July, 1952 / during minority until 21 July, 1958 } and as required by the attached Certificate of Obligated Service unless sooner discharged by proper authority, and on the conditions contained in Title 14, United States Code, Sec. 365 to 368, cited on back hereof. In the event of war or national emergency proclaimed by the President to exist during my term of service, I additionally oblige and subject myself to serve until 6 months after the end of the war or national emergency if so required by the Secretary unless I voluntarily reenlist or extend my enlistment. I understand that when so detained, I am not entitled to enlistment allowance or reenlistment bonus and that in time of war the addition of one-quarter pay as provided by Title 14, United States Code, Section 367, is not applicable. I also oblige myself, during the above service, to comply with and be subject to such laws, regulations, and discipline for the government of the Coast Guard as are or shall be established by the Congress of the United States or other competent authority, and to submit to treatment for the prevention of smallpox, typhoid (typhoid prophylaxis), and to such other preventive measures as may be considered necessary by proper authorities.

Third: I am of the legal age to enlist; I have never deserted from and I am not a member of any of the Armed Forces of the United States, or any reserve component thereof; I have never been discharged from the United States Service or other service on account of disability or through sentence of either civilian or military court; and I have never been discharged from any service, civil or military, except with good character and for the reason given by me to the recruiting officer prior to enlistment.

Fourth: I understand that upon enlistment in the Coast Guard Reserve, or upon transfer or assignment thereto, I may be ordered to active duty in time of war, or when as proclaimed by the President a national emergency exists, and that I may be required to perform active duty throughout the war or until the national emergency ceases to exist and for 6 months thereafter.

Fifth: I understand that if I become a candidate for any Academy of one of the Armed Forces, or Officers Training School thereof, and fail to pass the entrance examination, I will be returned to general service.

Sixth: I have had this contract fully explained to me, I understand it, and certify that no promise of any kind has been made to me concerning assignment to duty, or promotion during my enlistment.

Oath of Enlistment: I, David Price Bowden do solemnly swear (or affirm) that I will bear true faith and allegiance to the United States of America; that I will serve them honestly and faithfully against all their enemies whomsoever; and that I will obey the orders of the President of the United States and the orders of the officers appointed over me, according to the laws and regulations governing the Coast Guard including the Uniform Code of Military Justice.

And I do further swear (or affirm) that all statements made by me as now given in this record are correct.

Subj: NSLI Allotment, policy #N-980 18 36; request for information concerning.

1. I am in receipt of a letter from Veteran's Administration concerning subject insurance.

2. They present the view that this insurance has never been in force even though I have a VA Form 360 countersigned 7 August 1946, which states that the insurance was effective 1 May 1945. Further, they request that the dividends which I have received be paid back in full. These dividends amount to $189.00.

3. I applied for this insurance and had an allotment made out on 9 April 1945 and there were several payments made before the allotment was cancelled administratively by Headquarters.

4. I have no genuine disagreement with the Veteran's Administration about the status of this insurance. However, in as much as I did pay several monthly premiums, I feel that they should be deducted from the total amount of the over-payment. Accordingly, it is requested that I be supplied with the information as to how many monthly payments were made and the total amount of such payments.

5. In view of the fact that I have only sixty (60) days in which to provide the Veteran's Administration with this information, it is requested that this matter be handled as expeditiously as possible.

Dear Mr. Bowden:

Reference is made to overpaid dividends on National Service life insurance policy N-980 18 36.

This contract was issued in the amount of $5,000 effective May 1, 1945 on the 5-year level premium term plan with a monthly premium of $3.80, but no premiums were paid on this policy.

A check of $178.20 was mailed to you at R. F. D. No. 1, Box 515, London Bridge, Virginia on April 4, 1950 representing the 1948 dividend of $99 on policy N-980 18 36 and $79.20 on policy V-7 88 05.

The 1951 dividend check #28833997 in the amount of $90 was also mailed to you at c/o Capt. of the Port COM USEG Gp. 109 N. York Street, Norfolk 1, Virginia on July 8, 1952. Inasmuch as this policy was never in force, you were overpaid $189. It is therefore requested that you promptly mail a remittance to cover the overpayment.

Unless a remittance of $189 is tendered within sixty (60) days from the date of this letter to liquidate the shortage, interest will be charged on the indebtedness at the rate of 4 per cent from the date of the overpayment.

Remittance should be made by check, draft or money order drawn payable to the Veterans Administration and forwarded to the Collections Section, Veterans Administration Insurance Center, Washington 25, D. C.

Certificate N-167 35 57 was issued in the amount of $5,000 effective March 1, 1942 on the 5-year level premium term plan with a monthly premium of $3.65. This contract was changed to policy V-5 78 05 in the amount of $3,000 effective March 1, 1944 on the 20-payment life

Subj: NSLI Allotment, policy #N-980 18 36; request for information concerning.

1. I am in receipt of a letter from Veteran's Administration concerning subject insurance.

2. They present the view that this insurance has never been in force even though I have a VA Form 360 countersigned 7 August 1946, which states that the insurance was effective 1 May 1945. Further, they request that the dividends which I have received be paid back in full. These dividends amount to $189.00.

3. I applied for this insurance and had an allotment made out on 9 April 1945 and there were several payments made before the allotment was cancelled administratively by Headquarters.

4. I have no genuine disagreement with the Veteran's Administration about the status of this insurance. However, in as much as I did pay several monthly premiums, I feel that they should be deducted from the total amount of the over-payment. Accordingly, it is requested that I be supplied with the information as to how many monthly payments were made and the total amount of such payments.

5. In view of the fact that I have only sixty (60) days in which to provide the Veteran's Administration with this information, it is requested that this matter be handled as expeditiously as possible.

Subj: Transfer to Cape Henry Light Station; request for

1. It is requested that I be given favorable consideration for a transfer to Cape Henry Light Station, CG Group, Virginia Beach, Virginia. I was transferred from subject station to Camp Gordon, Ga., during November, 1951, and learned that this billet had been filled upon my return to 5th Coast Guard District. I understand that the man assigned thereto has been recently transferred to another station in Virginia Beach Group and that a vacancy exists in their complement.

2. My reason for making this request is that Cape Henry Light Station is near my home at London Bridge, Virginia, and this assignment would enable me to spend more time with my wife and three minor daughters and greatly reduce the cost of transportation and other living expenses.

LOYALTY CERTIFICATE FOR PERSONNEL OF THE ARMED FORCES

INSTRUCTIONS ON THE USE OF THIS FORM

The Department of Defense has the authority to establish and promulgate detailed procedures to implement the national policy relating to loyalty of persons entering on duty with the Armed Forces. This has been determined by appropriate authority to include restrictions as to membership in or association with certain organizations and of certain standards of conduct. If Federal Constitutional Privilege against self-crimination; i. e., the making of a statement which will expose you to criminal trial, is claimed about all or any part of any conduct, membership, or association in question you may so claim by stating in the space indicated "Federal Constitutional Privilege is Claimed" or "Federal Constitutional Privilege is Claimed as to ....," describing the specific part of any conduct, membership, or association about which claim is made.

Concealment of, misrepresentation as to, or failure to divulge in full, conduct or associations of the character set forth in the provisions, at the time of execution of these certificates in any component of the Department of Defense may constitute grounds for discharge, separation, or other disposition of personnel, and action shall be taken by the Armed Forces for causing trial before a general court martial, or the facts will be made known to appropriate civil authorities, as the law may provide in such cases. Upon indication that any person has misrepresented, concealed, or failed to divulge in full previous conduct or associations of the character set forth, the Service having responsibility thereof shall take appropriate action.

Consequently, you must read the following provisions as to membership in or association with certain organizations and as to standards of conduct very carefully and be sure you understand them. If there is anything which you do not understand in either of these sets of provisions or in the certifications to be made, ask a commissioned officer to explain them to you. When you are certain that you understand both the provisions and the certificates, complete the certificates and sign them in the presence of a witnessing officer. Penalties for making a false statement may be very severe.

PROVISIONS AS TO STANDARDS OF CONDUCT

1. Conduct which may be considered as establishing reasonable grounds for invoking appropriate penalties shall include, but is not limited to, one or more of the following:

(*e*) Acting, attempting to act, or knowingly failing to act when such conduct is calculated to serve the interests of another government in preference to the interests of the United States of America.

☐ retired or retainer pay *(Part B on reverse)*
☐ evidence of age or date of birth in military file *(Part C on reverse)*

REMARKS BY SOCIAL SECURITY ADMINISTRATION:

Needed for computation of benefit amount.

INSTRUCTIONS FOR UNIFORMED SERVICE OR GSA RECORDS CENTER

In all cases, please verify the veteran's name and service number furnished by the Social Security Administration. If identical with the military file, check "Yes" in the spaces provided on the reverse of this form; if different, check "No" and enter the name and/or service number shown in the military file.

Then certify the information requested by the Social Security Administration in item 2 above. All applicable items in the block are to be filled in by the certifying organization. If you need additional space or remarks are appropriate, use the "Remarks" space on the reverse.

The duplicate copy of this form should be kept in the veteran's military file whenever a certification about retired or retainer pay (Part B) is furnished. If there is ever a subsequent change made in the retirement record which affects the information furnished, the Social Security Administration should be advised accordingly.

PART A – This information permits the Social Security Administration to determine whether the veteran had active military or naval service during World War II (September 16, 1940–July 24, 1947) or post-World War II (July 25, 1947–December 31, 1956) for which military service wage credits may be granted. List each period of service and identify all periods of service designated as "active duty for training."

PART B – Social Security needs this information to determine whether wage credits are precluded because another Federal Agency has determined that a periodic benefit is payable based in whole or part on active military service in World War II or post-World War II.

Military retired pay is based on the WW II or post-WW II period of service, as the case may be, if active service in the period *has ever* been directly credited (used) in establishing eligibility to the retired pay, or in computing the amount of such pay. Transfer to the Fleet Naval (or Marine Corps) Reserve is treated the same as a normal retirement for purposes of completing this form. A decision to retire an individual, when officially approved, constitutes a retirement even though for any reason no retired pay is ever made.

Items 1(c) and (d) – Active service was "used" in establishing eligibility to retired pay if it comprises part of the total minimum service required for retirement according to the provisions of law under which the veteran was actually retired. The fact that he was eligible for retirement under some other provision of law is immaterial.

Item 2(a) – Retired pay is "fixed" when one of several applicable formulas for computing retirement pay is selected. If the individual is given the option of deciding which formula is to be used, the pay is not "fixed" until the selection is made and approved.

Items 2(a), (b) and (c) – A "multiple of active service" is that number used to represent years of active service when computing retirement pay. For purposes of this multiple, fractions of one-half year or more of active service are counted as a whole year. However, when computing longevity retirement and pay from the Public Health Service, the multiple is the last full year.

Item 3 – The terms "active duty" and "active duty for training" have the same meaning as defined in Sec. 102 of Public Law 881, 84th Congress (Servicemen's and Veterans' Survivor Benefits Act).

PART C – This information is requested where proof of the veteran's age is needed to adjudicate his Social Security claim.

The oldest record giving the veteran's date of birth or age should be certified. However, if a later record contains discrepant date of birth or age, certify that record as well. (The "Remarks" block may be used as necessary.)

When certifying *age*, it is important to show the date as of which the age was given. For example, some World War I discharge or separation records may show the veteran's age when he entered service. In this case, the date of entry into service is the "Date As of Which Age Was Given" while the date of discharge may be the "Date Record Established."

The information requested in item 2 above is needed by the Social Security Administration to adjudicate a claim based on the account of the above veteran. All available identifying information has been provided.

Date of Expiration: 4-30-53
Monthly Renewal Premium: $ 4.60
Current Monthly Premium: $ 3.80

The current term period for the National Service life insurance described above which was previously issued to the above named insured will expire and protection thereunder will cease on the date shown above. Under existing law he is permitted, before expiration, to apply for conversion to a permanent plan of insurance or for renewal of this term insurance for a period of five years at the premium rate for his then attained age. Renewed insurance will become effective on the day immediately following the date of expiration of the present insurance.

To renew this insurance for the five year period, it is necessary that he complete and sign the enclosed VA Form 9-1658, Application for Renewal, and before the expiration date of his current insurance, which is shown above, place it in military or naval channels through the officer responsible for insurance activities within his unit of organization for direct transmittal to the Veterans Administration, Washington 25, D.C. REPLY CONCERNING MILITARY RECORDS

RE: Bowden, David P.

The reply to the inquiry will be found in the checked item(s). If you write to us again on this subject, please return your original request, this form, and any other form you complete.

☒ Copies of requested military ☐ personnel ☐ medical records are attached. We suggest you make an extra copy and guard against loss or damage. We regret if any photocopies may be of poor quality, but they are the best copies obtainable.

☒ The attached separation document may include the following information: authority for separation, reason for separation, Reenlistment Eligibility Code, and Separation (SPN/SPD) Code. If you require a copy of the separation document that does not contain the above information, you may request a deleted copy from this Center. A seal has been affixed to the enclosed copy to attest to its authenticity.

☐ Title 32, Part 45 of the Code of Federal Regulations prohibits this Center from providing to third parties copies of separation documents which contain the type and character of discharge, authority and narrative reason for separation, reenlistment eligibility code, and separation program designator/number. If you require a copy of the separation document containing the above information, the veteran must specifically authorize the release to you of an UNDELETED copy of the separation document.

☐ The Privacy Act of 1974 does not permit the release of a social security number or other personal information to the public without the authorization of the veteran concerned; therefore, we have deleted personal identifying data relating to other persons.

☐ Since September 1979 the military service departments have not issued individual separation documents for each enlistment period if the person was discharged for immediate reenlistment. Block 18 of the DD Form 214 issued at final separation reflects the full period of continuous active military service.

☐ The Reenlistment Eligibility (RE) Code issued upon release from active duty on _____ is _____.

☐ The reason and authority for separation from active duty/discharge on _____ is _____.

☐ The record of service in the _____ indicates being in a POW status from _____ to _____.

☐ A discharge certificate is issued only as an original document; thus, there is no file copy from which to make a copy for you. We will obtain an appropriate substitute certificate for a veteran or surviving spouse if you will tell us whether the original was: 1) never received; or (2) lost or destroyed.

☐ The document you have requested, DD Form 214, Report of Separation, was not used until Jan. 1, 1950. However, a similar form was used at the time the person named above was separated. A copy of it is attached. A seal has been affixed to the enclosed copy to attest to its authenticity.

☐ When the person named above was separated, it was not the practice to issue a document which served as a report of separation.

☐ The original report of separation was issued at the time of separation. Another original cannot be issued. The attached copy, however, will serve the same purpose as the original.

☐ No report of separation was issued, since the person named above had no active service, or less than 90 days of active duty for training.

☐ The service record of the person named above does not contain a copy of a report of separation, or its equivalent. Therefore, we are instead providing the attached NA Form 13038, Certification of Military Service. This will serve as verification of military service and may be used for any official purpose.

☐ That portion of your request seeking medals/awards has been referred to the office checked below, which has jurisdiction over the issuance of medals/awards. Any further correspondence on this subject should be addressed to that office. Both offices are at 9700 Page Ave., St. Louis, MO 63132.

☐ ARPERCEN, Attn: DARP-VSE-A ☐ Navy Liaison Office, Room 5409

☐ That portion of your request regarding Air Force or Army Air Corps medals will be answered under separate cover.

☐ The medical records requested ☐ The documents requested pertaining to discharge have been lent to the Department of Veterans Affairs (VA). Please phone the VA at 1-800-827-1000 for help in obtaining these records, and provide your VA Claim Number, _____.

☐ The Department of Defense Privacy Program, 32 CFR 310.30(f), allows for the disclosure of medical records to the individual to whom they pertain. A portion of the requested medical records, however, contains information which can be interpreted and explained properly only by a physician. If you wish us to send copies to a designated physician, please provide us with the name and address of that physician. The request MUST INCLUDE the written consent (signature) of the person whose records are involved, authorizing the release of the records to the designated physician.

FEDERAL SECURITY AGENCY

U. S. Marine Hospital, Norfolk, Va.,
February 7, 1941.

The Commander, Norfolk District,
U. S. Coast Guard,
Federal Building,
Norfolk, Virginia.

Sir:- Through the Medical Officer in Charge.

In accordance with your request of January 21, 1941, BOWDEN, David P. (211-041), Surfman, was admitted to this hospital on January 29, 1941 for a medical survey. He has been examined by a medical board consisting of Passed Assistant Surgeon R. K. Maddock and Passed Assistant Surgeon C. T. Meacham.

On admission to this hospital on January 29, 1941, patient stated that he had been having dizzy spells for four or five years and these spells, which were formerly present at two to three day intervals, are now present two or three times a day. Objects appear to move back and forth in front of his eyes and at times he feels nauseated and vomits. He states that he has occasionally fallen during these attacks. Patient first complained of this condition on October 26, 1939, when he was admitted to this hospital following an eighteen day period of nausea and vomiting, abdominal pain and dizziness, which at that time was interpreted as seasickness. At the time of his discharge from hospital on November 10, 1939, the following notation was made:

> "This patient has several vague complaints in addition to the primary one of seasickness, based only on history of patient. Nothing essentially wrong was found except that patient's general attitude is that he should be put back on shore duty. He does not seem to have made any definite effort to overcome seasickness (if he really had it). No reason is seen why he should not report back to duty. No change in status of job is deemed necessary."

He was re-admitted on November 21, 1939 and remained in the hospital until February 12, 1940. During this interval he complained of headache and dizziness. At that time it was thought that the dizziness was due to a slight muscle imbalance in the two eyes. Patient was given glasses to partially correct this muscle imbalance and told to report back to the hospital in one month. Diagnosis on this admission was Phoria, left hyperphoria.

He was re-admitted on April 1, 1940 and discharged on April 11, 1940, at which time the following summary of his case was made:

"On previous admission he was studied by Doctor Plumlee, who recommended that he have prisms, gradually to be increased up to three diopters, over a period of six months rest from duty. He returned as an out-patient on February 21, 1940 and was given a prescription for prisms. He was seen by Doctor Cooley, who recommended Rx O.D. 2 diopter prism base up O.S. 3 diopter prism base out. This was given with recommendation to have glasses put in temporary frames, so the prisms could be changed if found unsuitable. He returned and was re-admitted to the hospital on April 1, 1940, complaining that the dizziness had increased with the glasses. "Things in the distance would wobble". Rest in the hospital improved him symptomatically. He was seen again by Doctor Cooley, who found the glasses as ordered.

"Since the vertigo seemed to be coming from hyperphoria, as far as could be determined, he was discharged and told that he must give the glasses a fair trial of one month before returning to us for checking.

"The symptoms, chief of which is vertigo, probably are from his muscle imbalance, especially hyperphoria, but could possible be due to aniseikonia. This latter possibility, however, was not ruled out as we have no means of determining it's presence or measurement. If he continues to have vertigo despite adjusting prisms, I would advise that he be sent to Baltimore or some other place for aniseikonia determination.

"April 11, 1940 discharged from hospital unimproved, but no further hospitalization necessary. No treatment needed except the wearing of prescribed glasses. Disability - temporary, unfit for duty for four months (to complete the period advised by Doctor Plumlee)."

Following his discharge from hospital he was seen as an out-patient and the recommendation that the muscle imbalance be gradually corrected by glasses was followed without any relief from the dizziness. In fact, he thought it increased it to some extent. On May 11th he was advised to wear a patch over one eye for a period of four days to a week to see if this would control his dizziness. He reported that he was still dizzy during the time he had one eye covered.

He was again admitted to the hospital on August 13, 1940 and remained in the hospital until August 28, 1940. At the time of discharge it was noted that no pathological basis could be established for the dizziness. Inasmuch as blindfolding one eye did not relieve the dizziness it was felt that the hyperphoria could be definitely ruled out as a cause of vertigo.

During these several admissions to the hospital complete studies of the gastro-intestinal tract, gall bladder, spinal fluid, blood and urine were all normal. A moderate deviation of the nasal septum to the left was noted, but was thought not to be causing any symptoms. A slight marginal thickening of both maxillary nasal sinuses was noted and thought to be of little consequence. Efforts to determine foci of infection in and around the teeth were negative on several occasions.

Upon his last admission on January 29, 1941, an effort was again made to establish some cause for dizziness and was again unsuccessful. In addition to the above studies, an injection of histamine subcutaneously was tried in an attempt to induce an attack of vertigo. This injection was followed by slight flushing of the face and the patient complained of slight dizziness. However, there were no objective signs of vertigo. Following the test patient walked away with a rather slow gait until he thought he was out of sight then hurried down the corridor with an entirely normal gait. On this admission he was seen by Doctor Walter B. Martin, consultant in internal medicine, who considered the patient to be a malingerer, but suggested several procedures, which were followed without finding any cause for patient's alleged disability.

(a) There is no evidence of any disease or injury.
Diagnosis: Malingering.

(b) As far as can be determined, there is no connection between the patient's alleged disability and any performance of duty or exposure incident thereto. The condition is definitely not an incident of service.

(c) No disability is considered to exist. Therefore, no treatment will be required.

(d) No physical disability was discovered which would render this man unfit for retention in the Coast Guard. However, in view of the past record it is questionable whether he would be a suitable individual for retention in the service.

R. K. Maddock

R. K. Maddock, P. A. Surgeon.

C. T. Meacham, P. A. Surgeon.

Respectfully forwarded:

Sir:- Through the Medical Officer in Charge.

In accordance with your request of February 6, 1940, the following report of medical survey is forwarded in the case of David P. Bowden (211-041), Surfman, Little Island Coast Guard Station, Virginia Beach, Virginia, who was admitted to this hospital on November 21, 1939 and discharged February 12, 1940:

Patient stated that for the past five or six years he has been noticing vertigo at times, usually when he is too warm, but recently it became intolerable and persistent, between October 10th and October 26th while at sea and was continuous for three days after coming ashore.

Was admitted to this hospital on October 26, 1939 and the following diagnoses made: Seasickness (based on history). Hyperopia. Astigmatism. He remained in the hospital until November 10th, when he was discharged fit for duty.

The patient does not recall any illness or injury that could be associated with the incidence of vertigo. He states that the attacks of vertigo occur while riding in a car, while observing moving objects and while riding an elevator.

On admission he was also suffering from severe headaches and ear aches. The ear ache was relieved in a few days. The headache was persistent for some two weeks, but was relieved by the fitting of glasses. Since wearing the glasses, however, he suffers transitory attacks of headache, which can always be associated with nasal obstruction, as relief is obtained by shrinking the nasal mucosa. The glasses furnished this patient did not correct difference in elevation of the two eyes, which is believed to be the cause of the vertigo. However, such correction should be made as soon as possible, the initial prism being very small and increased in strength each month until the total correction of three prism diopters, base down, left eye, is tolerated. The above treatment, it is believed, will completely relieve vertigo and headaches. However, it should be continued over a period of months, during which time he should be considered unfit for sea duty and he should refrain from driving an automobile. Within six months it is believed he can return to sea duty, if employed in such a position that the use of glasses will be possible

Phoria, left, hyperphoria.
Salpingitis, eustachian.
Vertigo, cause extra-ocular muscle imbalance.

(b) The above conditions are considered incident of service.

(c) As stated above, his disability is considered temporary. However, it will be about six months before his refractive error can be corrected to eliminate the extra-ocular muscle imbalance that is causing his vertigo.

(d) He is deemed physically fit for retention in the Coast Guard if he can be employed in such a position that the use of glasses will be possible without continuous irritation from them becoming obscured by steam or spray.

Mrs. David P. Bowden,

Virginia Beach, Virginia.

Madam:

Your letter of December 21, 1939, wherein you advise of circumstances regarding your husband, David P. Bowden, surfman, being subject to seasickness while attached to Chesapeake Lightship No. 116, has been received and given due consideration.

For your information the transfers and assignments of personnel within a district are made under authority of the district commander as found necessary for the efficient operation of the units under their command.

The paramount work of the Coast Guard requires ability to withstand periods of duty at sea and it is unfortunate that your husband is inapt for duty afloat.

However, it is not the intent or purpose of the Coast Guard officials to impose undue hardships on any of the personnel, and it is believed that the case of your husband being unable to perform duty on board of a lightship is now known to the district commander and that he will, insofar as possible, make adjustments of personnel which will take into consideration the fact that your husband is inapt for duty on the lightships.

By direction of the Commandant,

Very truly yours,

F. E. ALLISON,
Lieutenant Commander, U. S. Coast Guard,
Chief, Enlisted Personnel Section.

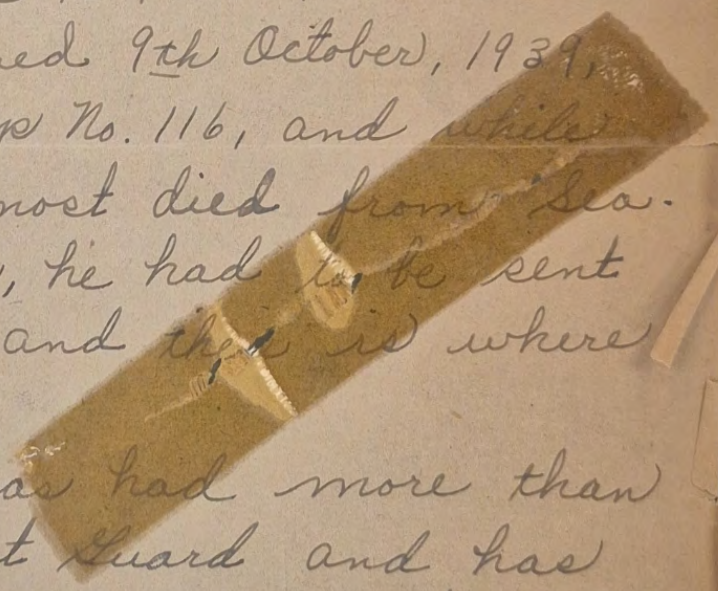
DEC 22 1939

Admiral R. R. Waesche:-

Dear Sir:

My husband David R. Bowden Surfman, recently attached to the Little Island Station was transferred 9th October, 1939, to Chesapeake Lightship No. 116, and while he was there he almost died from seasickness. Got so sick, he had to be sent to Hospital, Norfolk, Va. and there is where he is at this time.



My husband has had more than 8 years in the Coast Guard and has tried to do his best wherever sent, and will, I hope, Continue to do so, but if he is sent back to sea, he will almost die, and probably might, from seasickness. According from what I hear from Norfolk District, he will be sent back to the Lightships upon his release from Hospital.

Now Admiral I am only writing in behalf of my husband, and he did not tell me to do so, but I am asking you to see that [illegible] is given

shore duty or if he is to be returned to Lightship why give him a discharge, which he had rather have than return to Lightship

The men aboard the Lightship will verify my statement, as to how sick he was while aboard.

Please let me hear from you regarding this matter.

I do not want to do anything Contrary to Headquarters wishes, but would be very thankful indeed that you give this matter very Careful Consideration, because with all seriousness I have not exaggrated one little bit.

Thanking you for what you may do in this matter, I am,

yours truly

Mrs. David D. Bowden

Attention: Merlin O'Neill,
Vice Admiral U.S.C.G.

Dear Mr. O'Neill:

I am writing in regard to the two requests that Mr. Tillett, officer in charge of Cape Henry Light Station, has written for my husband to be sent back to Cape Henry as he was stationed there when transfered to Military Police School. When my husband was transferred to Augusta Georgia to attend Military Police School he was told that no one attending this school would ever be sent back on Light Stations or Life Boat Stations, but upon return he was sent on one along with many others.

My husband is suffering from arthritis of the spine and

it is my belief as well as the belief of doctors that if he could be placed on land where he can keep dry, and get a proper diet his condition would be helped greatly.

My husband has no desire to go to Cape Henry in charge, he would only like to be placed there as he was before as BM 1C. As we understand there is a seven room home vacant to serve as quarters if he should be transferred there.

My husband was one of the first enlisted men to be sent on water lights in 1939 and he has served for ten years on water lights. I do feel that I am not asking too much for my husband to be stationed nearer home for the next three or four years he has left in the Coast Guard.

Our children have attended as many as three schools in one term. We have three

young daughters at home still and would greatly appreciate any help you could give us on this matter.

Enclosed is one request from L. E. Tillett, officer in charge of Cape Henry; the other was sent to district office along with my husband's request for transfer.

Sincerely Yours,
Mrs. David Bowden

A letter was received 2/25/53 from Senator Robertson dated 2/23/53 enclosing letter from State Senator V. MEMORANDUM

Mr. Stratton, secretary to Senator Robertson (of Virginia) telephoned this afternoon to receive any suggestion as to advice which could be communicated to friends of the Senator who are interested in the transfer of Boatswain's Mate, 1c, David L. Bowden (211-041) to Cape Henry, Va., Light Station.

Mr. Stratton represented that Bowden was previously stationed at the Cape Henry Light Station, but upon being sent to Camp Gordon for police training and upon completion of the course, was sent to Thimble Shoals Light Station off Willough-- by, Va.

In February, 1953, communication was addressed to the Commandant by the Senator, and in the usual course, the District Commander, Rear Admiral Wood, advised the Senator direct, March 6, that there was no vacancy at Cape Henry, but that consideration would be given to Bowden's transfer in the event of a vacancy occurring.

Mr. Stratton said he has learned that a vacancy did occur at the Cape Henry Station, but Bowden apparently was overlooked or not favorably considered. He mentioned that the Senator was keenly interested in this case, as pressure was being brought to bear upon him from important quarters, and he was anxious to see something done for Bowden or else given some information which could be passed on in defending the lack of favorable consideration or action in returning Bowden to Cape Henry Light Station.

P.S.-- Mr. Stratton, a member of the CG during the World War II, was stationed at Coast Guard Headquarters.

COMMONWEALTH OF VIRGINIA

SENATE
February 19, 1953

Hon. Willis A. Robertson
U. S. Senate
Senate Office Building
Washington, D. C.

Dear Senator Robertson:

I would like to ask you to help me in a little matter if possible.

Mr. David Bowden B.M.L-1 is now stationed on the Thimble Shoals Light Station off from Willoughby which station is a ship located off shore.

On November 15, 1951, Mr. Bowden was sent to the Military Police School in Camp Gordon, Georgia on his return to the Cape Henry Light Station he was informed that his berth has been filled and subsequently was sent to the Light Ship where he has been since that time.

Mr. Bowden has twenty-two (22) years in the Coast Guard, has a wife and three children now at home. His home is in Princess Anne County and only about a five minute drive from the Cape Henry Station.

Mr. Bowden would greatly appreciate a transfer back to the Cape Henry Light Station in order that he could spend more time at home with his family when he did not have duty. As it is now he has only six days per month off and then on occasions he is not able to get home for the full time off.

I understand that there may be a vacancy at the Cape Henry Light Station at this time.

I will greatly appreciate any consideration and assistance that you may give to this matter.

Should there not be a vacancy at this time Mr. Bowden desires to have his name submitted for the position should one occur.

Sincerely yours,

/s/ Jack
