To Whom it May Concern:

I have supplied as much information that I have for this request. Edward Duffy was my father's first cousin, he was unmarried and lived with my family at 69 Brownell Lane, Portsmouth, R.I. He was a light house keeper at Hog Island Light Station and entered the U.S.C.G. when the Coast Guard took over the lighthouse stations during W.W. II.

The application for a government grave marker requests his service number, dates for active duty, rank and separation date so I have asked for a copy of his DD FORM 214.

Sincerely,

Arlene E. Mulligan

My dear Mrs. Duffy:

Information has been received at Coast Guard Headquarters of the death of your son, Edward Francis Duffy, Boatswain's Mate, first class, United States Coast Guard, Retired. Please accept my sincere sympathy.

At the time of death there was due your son retired pay for the period 1-21 May 1956. This retired pay ceases at death and there is no law providing for the continued payment of any part thereof to surviving dependents. Three forms No. SF-1174 "Claim of Designated Beneficiary for Unpaid Pay and Allowances of Deceased Member of the Uniformed Services" are enclosed to aid you in making application for the final retired pay. This form is to be completed in the presence of two witnesses. The original and one copy of the claim with a copy of this letter should be returned to Commandant (PS).

If you have any uncashed retired pay checks in your possession, these should be returned to Coast Guard Headquarters with the completed form SF-1174 for inclusion with the claim for the final retired pay due. Any other uncashed Government checks should be returned to the issuing agency.

Veterans Administration Form No. 8-530 is enclosed for making application for the burial allowance. It is requested that an itemized funeral bill be forwarded to substantiate your claim for the burial allowance.

When the enclosed forms have been completed, return them to Commandant (PS) in the enclosed pre-addressed envelope which requires no postage.

Very truly yours,

O. R. SMEDER

Gentlemen:

Reference your file Misc-2881940.

Claim of Edward F. Duffy (227-275) BM1, U. S. Coast Guard, (Retired) for an increased rate of retirement pay over that rate which he was receiving during the period June 1, 1946 to June 30, 1947, is referred to your office for direct settlement. This claim for an increase in his retired pay is based on the fact that he was in receipt of "saved rate" of retired pay during the period involved, excluding $60.00 per annum for quarters. Comptroller General's Decision B-70029 dated 23 October, 1947, allowed former Lighthouse Service personnel to include the quarters allowance in computing their rate of retired pay.

Inclosed is Treasury Department Form 2249, showing the rate of pay he was receiving at the time of his change in status - from civilian to military. Also inclosed is copy of retirement letter dated May 31, 1946, and claimant's letter dated January 10, 1948.

By direction of the Commandant.

Sirs:

Transmitted herewith for administrative examination and report is the claim of Edward F. Duffy, 69 Brownell Lane, Portsmouth, Rhode Island, for the difference between retirement pay received based on net salary and that alleged to be due based on gross salary, as a former employee of the United States Lighthouse Service.

In connection therewith, it is requested that this office be furnished with copies of claimant's appointment, promotions, or any other personnel action taken while he was in a pay status for the five year period immediately prior to the date he became separated from the service and placed on retirement, together with a copy of his notice of retirement, showing the date retired and last day of duty.

It is also requested that a pay roll voucher be furnished showing the basis on which his retirement pay was computed and the amount he would have received if his retirement pay had been based on his gross salary, together with any other pertinent facts relative thereto. The payroll voucher should include complete citation to the appropriation or appropriations from which paid from the beginning of his retirement to the present date.

The enclosure should be returned with your report.

Dear Sir:

Headquarters is in receipt of your letter, dated 24 June, 1946, and has subjected your case to a thorough review insofar as existing records will permit.

With respect to the interpretation of Personnel Bulletin No. 16-39 whereby you feel you were entitled to enlist in the Coast Guard as a Chief Petty Officer, it is noted that the provisions of that bulletin specify that the pay brackets to be considered were those in which men were serving on 30 June, 1939. Records indicate that on that date your pay was $1860 per annum, which falls within the pay brackets prescribed for both Chief Petty Officers and Petty Officers, First and Second Class. It is further noted that Personnel Bulletin No. 16-39 states that men were not to be enlisted under its provisions who did not apply prior to 1 January, 1940.

Regarding the salary upon which your pension is computed, you are advised that records show your rate of pay on 17 June, 1941, when you enlisted in the Coast Guard, as $1920 per annum, plus $60 per annum quarters allowance. Under the provisions of the law, the quarters allowance is not considered in computing retired pay.

It is sincerely regretted that a more favorable reply cannot be given you. From your record it appears that you performed highly satisfactory service while in the Coast Guard. However, there is no indication of illegal action in connection either with your retirement or your advancement while in active service, and there are, therefore, no definite grounds upon which Headquarters could base action to change your retired status.

By direction of the Commandant.

iated Oct. 5, 1939, the rating I should have received according to the bracket my salary ($1980) was listed under, was that of Chief Petty Officer. This was a contract made by the U. S. Coast Guard and should have been kept by them. The Officer from the Examining Board, who interviewed me before entering the service told me I was in a favorable position with my years of service, salary, and Station for a good rate. When the rate came thru it was Boatswain's Mate, first class,. I didn't make a fuss tho I was sorely disappointed. I thought in time the U. S. Coast Guard Service would right that wrong. The Service was undergoing a change and things were unsettled.

3. When called to discuss my salary with the paymaster I was advised to stay on Lighthouse salary because it was the highest of the two. I did as I was advised.

4. For the past two years, at different times I felt I would be better off financially and would benefit more by going on "Pay and Allowances". I tried in vain to get some information on what my status was in regard to my pension and why I was not promoted. I have written, filled out questionnaire, and even went to the Boston office. I was sent from one clerk to another and no one could give me any information other than to tell me the case was peculiar. The reason I was not promoted was because no one had recommended it. Men who were not getting the salary I was getting nor had the years of service I had were made Chiefs, yet every time an Officer inspected my Station I was commended by him for the excellent con dition it was in.

5. After five years of Military Service with a good conduct mark of 4.0 and a proficiency mark of 3.6 I have never received any offer of promotion or an increase in pay. In five years my salary has been the same while men in Military Service and those in Civilian Service were given increases in some way or another. My record as a civilian Lighthouse Keeper is equally as good. I had all responsibilities as Officer-in-Charge and yet was the lowest paid salaried man on the Station. I was not eligible to receive the $150 reenlistment mon ey either. In all this I still thought when I asked for retirement I would have a chance to ask for retirement as Chief and also to be put on Pay and Allowances

future benefits. Surely the U. S. Coast Guard would compensate a man for thirty years of good and faithful service. I was still on duty up until the morning of the 4 June 1946 but still no information.

6. My salary was $165 monthly not $160. Five dollars ($5.00) was taken out every month for rent. That is another point I could not un derstand. Why a man in Military Service should have to pay rent at his post of duty.

7. I have a mother who is dependant on me and who is under the care of an eye specialist. She is partially blind.

8. What I think is only fair and I am not asking for anything which I am not rightfully entitled to, is that I should be retired as Chief Petty Officer, the agreement the Coast Guard should have lived up to according to the pay bracket in Personnel Bulletin No. 16 -39. This is one reason I tried to find out where I stood because I wanted to be able to retire as Chief Boatswain's Mate and be put on "Pay and Allowances" so I would be eligible for future benefits. I feel that I should have been given the rate of Chief Boatswain's Mate at the time of my enlistment and that I am entitled to "Pay and Allowances" dated back to the time of enlistment.

9. If you don't think I am justified in this matter then I will have to accept the pension as quoted me tho my salary was $165 monthly not $160. Three quarters of which would be $123.75. The pension of Chief Boatswain's Mate I figure would be to me $124.43 but the benefits would be due me.

Any help you can give me will be greatly appreciated. Hoping for a favorable reply, I am

Subj: DUFFY, Edward F. (227-275) B. M. 1c, USCG, absence on account of sickness; report of

1. On 25 October, 1943, subject named man, in a telephone message to this office, stated that he had sustained injuries as a result of having been struck by an automobile in Fall River, Massachusetts, while on authorized liberty 23 October, 1943 and that in accordance with a decision of Dr. H. M. Lechan, 289 Bank Street, Fall River, Mass., he would require an indefinite number of days medical treatment. DUFFY had been taken to the office of Dr. Lechan by the operator of the car, Mr. Ernest R. Hart, 450 Perkham Street, Fall River, Mass., afterwhich he was removed to the home of Mrs. Harrington, 524 Bank Street, Fall River, Mass., where he was confined for medical treatment.

2. Upon receiving this information, this office notified the Medical Officer in Charge, CG Infirmary, Newport, R. I. of the facts in the case and requested that DUFFY be removed to the CG Infirmary for treatment if possible. Subject named man was directed by letter from this office, dated 25 October, 1943, file 73, to present himself at the CG Infirmary, Newport, R. I. for treatment if possible and also to submit a written report of the incident as soon as possible, to which a reply dated 27 October, 1943 was received. Copies of these letters are attached hereto as inclosures 1 and 2.

3. On 11 November, 1943 received information from the Medical Officer in Charge, CG Infirmary, Newport, R. I. that under the circumstances he did not consider it advisable to remove DUFFY to the infirmary for treatment and issued verbal orders placing him in absence on account of sickness status for an indefinite period under the care of Dr. Lechan. On the strength of this and under authority of Article 3004 (1), Regs, form 2599, reporting the action taken, were submitted from this office

GENERAL INSTRUCTIONS
1933

1. A Health Record will be opened (issued) for each person commissioned, warranted, appointed, or enlisted in the Coast Guard: For cadets, upon reporting at the Academy; for an officer appointed from civil life, upon reporting at first unit; for enlisted persons, upon enlistment.

2. The medical officer, if any, shall have custody of the Health Records of all persons attached to the unit, including the personnel of smaller units attached to a larger unit. If there be no medical officer attached, the custody of the Health Records will devolve upon the executive officer, if he be a commissioned officer; otherwise the custody of the Health Records will devolve upon the commanding officer. The officer having custody of the Health Records shall be responsible for their proper care, continuation, and disposition.

3. In case of medical examination for promotion, retirement, annual commissioned officers' examination, or medical survey, the Health Record shall be furnished to the president of the board. If not received, it should be requested. When the board shall have finished with the Health Record, it shall be returned to its custodial officer. In all cases, brief notation of the findings of the board will be made on the Medical History Sheet, signed by the president of the board. This notation does not take the place of the full report which is submitted for administrative action.

4. A person on detached duty at some distance from where his Health Record would be kept may be given custody of his Health Record.

5. If a Health Record is lost or destroyed, a new one shall be immediately opened in full by the first custodial officer aware of such loss, who will note the fact in the new record and continue the record with such previous data as may be obtainable. If the old record be found, all data subsequent to its loss will be detached from the new and attached to the old record. A skeleton Health Record shall not be issued.

6. No photographs, folded papers, or forms are to be attached to the Health Record. The findings on laboratory and other reports in the case shall be entered on the Medical History Sheet.

7. **Transfer.**—Upon transfer of any person, except as a patient, the Health Record shall be forwarded through official channels to the new destination, or if the person is ordered to unusual, detached, or uncertain duty, it shall be retained or forwarded, as the case may be, with the person's service record. (See par. 4.)

8. The Health Record shall accompany a patient when transferred to or from hospital or when applying at an out-patient office. It shall not be forwarded through official channels, but shall be taken by the patient in a sealed envelope or by a responsible person accompanying him, and delivered with the patient to the official receiving the patient. Upon the patient's return to his unit the Health Record is to be delivered to the custodial officer.

9. If for any reason it becomes necessary to forward the Health Record to Headquarters, other than for termination of service noted thereon, it shall be accompanied by a letter stating the reason.

10. **Physical Examination Record.**—The Coast Guard Board or officer making the request for physical examination shall send to the medical board or officer two forms for physical examination record, already made out down to but not including place and date. The medical board or officer shall make out the rest of the Physical Examination Record in duplicate. In case of appointments or promotion of an officer, both forms shall be mailed by the board or officer direct to Headquarters. When promotion is made the original will be forwarded to the unit for insertion in the Health Record on top of the last Physical Examination Record. The Health Record shall be retained, but altered to show the promotion and new rank. No part of the Health Record is to be sent to Headquarters at this time. In case of enlistment both forms shall be returned to the enlisting officer, who will forward the original to Headquarters with other supporting papers after enlistment has been accomplished. The duplicate will be placed in the man's Health Record. In cases of reenlistment both forms will be forwarded to Headquarters for action and reenlistment will not be effected until duplicate copy is returned showing Headquarter's action. Upon receipt of duplicate copy from Headquarters same will be inserted in the Health Record.

11. The record shall be typewritten, if possible, and must be completely filled in as called for by the items on the form and in accordance with the instructions relative to the making of physical examinations. If any space is insufficient, the space under "Remarks" may be used.

12. The nature and degree of all physical defects of persons accepted for service in the Coast Guard must be fully described in order that no improper claims for compensation or pension may be allowed. Particular attention should be paid to those conditions which may not be disqualifying but which might be made the basis of such claims on the ground that they have developed or have become disabling while the person was in service. Waivers may be recommended by the medical examiner in accordance with the instructions relative to physical examinations, but the waiver must be authorized by the Commandant before the person is accepted.

SUBJECT: Absence from duty.
REFERENCE: Letter from this office Mar.3rd and your reply Mar.6th.

1. Your explanation concerning the matter of your absence from the station and the station being permitted to operate with one keeper for a period of eight days, is not satisfactory. If, as indicated by your letter, the wind was blowing hard on February 21st and there was any doubt as to your being able to return to the station promptly, your trip ashore should have been deferred. Furthermore it is to be noted that you remained absent from the station from Feb. 21st to March 1st concerning which no report was forwarded to this office until after the station had been inspected and your absence discovered, this notwithstanding the fact Section 4 Paragraph 105 of Instructions to Employees requires that when keepers are on leave and are unable to report to their stations through no fault of their own within the time allotted, they should promptly notify the office and request instructions. It is also to be noted that up to the present time application for leave has not been submitted to cover the period of absence referred to which was excess leave during the month since you had previously been ashore from February 1st to Feb.9th.

2. You are hereby cautioned for the occurrence referred to herein, and advised that a repetition will result in more drastic disciplinary measures being taken. The fact you have been cautioned will be made a part of your official history of the Lighthouse Service.

Please accept the heartfelt thanks and appreciation of our family.

EATON,
Superintendent

This Is Not a Fish Story, Mates, But It's First Cousin to One

You've often heard the fantastic story of two men in the boat and the oars leaked. Well, two Bristol fishermen provided a thrilling variation of that yarn yesterday.

Seems Steve Mello, 39, of 70 Charles street, and Manuel Silvia, 19, of 23 E street, set out yesterday afternoon for to catch a mess of fish. They had plenty of bait, ambition, sunlight, water and no doubt, there's plenty of fish in Mt. Hope Bay.

Steve did the rowing for a short distance. But he felt Manny, being younger, should do more than just sit and stare at the glistening waters from his post in the stern.

"Can you row, Manny?" he queried.

"Sure, lemme take them sticks. I'll show you whether I can row or not."

With a minimum of boat rocking, the pair shifted positions. Steve settled back complacently in the stern while Manny began plying the oars. And Manny was doing a fine job, putting his back into the task until the small skiff fairly skimmed along the water.

An extra hefty heave—Manny's foot slipped—and so did the oars . . . out of the locks. Steve scrambled along the gunwales trying to reach the rapidly drifting oars. No luck.

The tide caught the oarless craft and Steve and Manny set sail on an unscheduled cruise. Past and under Mt. Hope bridge they scudded. Raymond D. Robertson, chairman of the Raytown Safety Council, saw them and summoned the police.

Sergt. William T. Cashin, a naval World War veteran, responded, but he'd never learned in the navy how to catch a drifting boat unless another craft was available. So, in company with Mr. and Mrs. Robertson and a reporter, he watched the luckless pair glide along toward Hog Island.

Sergt. Bill put in a call for the Coast Guard as there was no boat in the vicinity. Then the party on shore settled back to await the arrival of the guard from Newport.

Steve and Manny, meanwhile, were well on their unwilling way to Prudence Island. They left Hog Island astern without any trouble and the current began to turn their course toward the open sea.

Succor came quicker than expected in the person of a crew from the Hog Island Lighthouse. A motorboat was put out and took the, by now, frightened fishermen in tow. Sarge Bill, watching from shore, cancelled the call for the guard.

Back safely ashore, Steve looked ruefully at the fine live bait in the bottom of his boat. He wondered aloud how he could go fishing with no oars. And then, remarked with considerable emphasis:

"Some fishin' trip, I'll say."

To accompany 2nd District's endorsement of May 27th on copy of letter dated May 26, 1939, relative to assistance rendered by the Keeper and 1st Assistant Keeper, Hog Island Shoal Light Station.

June 19, 1939.

Mr. Edward F. Duffy, Keeper,
Hog Island Shoal Light Station, R. I.,
(Through Supt. of Lighthouses, Chelsea, Mass.)

I have read with interest a report relative to your action on May 24 in going to the rescue of two men who were adrift in a row boat and being carried out to sea, after having lost their oars. It is noted that after hearing their call you immediately put out in the motor boat and towed them to Bristol.

I take pleasure in commending you for your meritorious action on this occasion and in having the matter made a part of your official history.
