First Asst. keeper, Old Orchard Shoals Light Station at $1380 per annum from Dec 4 1924 to March 31. 1925 on which latter date you resigned

2. While employed as above you were under the Lighthouse Service Retirement Act, in connection with which no retirement deductions are made from salaries.

J.T. Yates Superintendent
By W.J. Lawton Chief Clerk.

It is in regards to this letter that I am asking about as to does this or any subsequent retirement act affect my standing at the present time and kindly note the variance of moneys recd as per Washington quotation of Paid £16.16 and 3rd Light house dist of £320 and £380 per annum.
How could I possiably receive £16.16 in the period of 4 months and 10 days when highest salary was £380 per annum ??

Secondly there is a slight discrepancy in the computation of moneys recd while in the employ of the Submarine Base.
I was employed at that station on three separate years at 3 separate times of employment i.e.:

Aug 19 1927 to Dec 31. 1927:	106 working days	@ £4.40 per day	£466.40
Apr 10 1928 to June 30. 1928:	65½ " "	@ 4.48 per day	293.44
May 13 1929 to July 13 1929:	48½ " "	@ 4.48 per day	217.28 £977.12

You will probably note that I have placed these computation i.e. Sub Base on Page 2 and this on page 3 so you can place one alongside of the other for comparison a difference of from £977.12 received against £1065.37
This makes a very small item of difference when it comes to a final analysis of amount of about £3 difference due toward retirement fund but would like to have records correct so there will be no discrepancies when I reach retirement on Dec 31. 1940.
Computation for service at Waterhut Naval correct as I am still employed here and checked records with Chief Clerk.
Another thing I would like to ask is.- I served time during the Spanish American War and for such service I now receive a disability pension.
Was discharged and subsequently re enlisted

and served around 3 years.

I am receiving a pension for disability recd while in the service in the Philipine Islands during the Spanish American War but I would like to know if I can apply my second enlistment i.e. Feb 21. 1902 to Feb 20. 1905 towards my civil service retirement if not I will have to ask for an extention of time to have the necessary 15 years for to recive an annuity.

Thanking you for Past favors

I am Respt Yours

Mr. George N. Eistertz,

Dear Sir:

In reference to your letter of June 7, addressed to Mr. Robert H. Alcorn, of this city, requesting information as to service credit for retirement purposes, which was referred to this office for reply:

The Lighthouse Service Retirement Law would not apply in your case unless you were employed in the Lighthouse Service at the time of your retirement. The matter of the computation of the amount you would have to contribute to the Civil Service Retirement and Disability Fund for buying past service for which retirement deductions had not previously been made is one for determination by the Civil Service Commission, and it is therefore suggested, if your present position is within the purview of the Civil Service Retirement Act, and if you have not already done so, that you take this matter up with your present office with a view to that office officially verifying all of your past Government Service and then if you are obliged to purchase any of the service for which retirement deductions had not been made, it is suggested that you file with your present office Civil Service Commission Form 3012, Application for Service Credit, which office will forward it to the Civil Service Commission through the proper channels for action. That Commission will then request this or any other office in which you had previous service for any additional information, if needed. It is thought if you follow this procedure the matter of your service, etc., will be straightened out.

For the Commissioner:

Respectfully,

W. P. Harman
Administrative Assistant.

ABSTRACT OF OFFICIAL RECORD OF U. S. GOVERNMENT EMPLOYEE

(For the use of the department to which the employee has been transferred)

WJL-PS

INSTRUCTIONS

1. The act, approved February 14, 1922, prescribes that "each executive department, and each independent establishment of the Government not within the jurisdiction of any executive department, shall establish and maintain such record as will enable it to determine the amount deducted within each fiscal year from the basic salary, pay, or compensation of each employee within its jurisdiction to whom this act applies. When such employee is transferred from one office to another a certified abstract of his official record shall be transmitted to the office to which the transfer is made."

2. A complete official record in the Federal service of the employee named should be set forth on this abstract. If an employee is transferred to another department, an abstract will be prepared in duplicate, showing his appointment in the department from which transferred and all changes of grade or compensation while therein. The original, properly executed, will be transmitted to the department to which transferred, the duplicate to be retained in his personal file. Should such employee be again transferred the second department will prepare an abstract setting forth the data contained in that received by it, with the addition of his record while in the second department, such abstract to be transmitted to the department to which he is transferred, a duplicate being retained.

In the case of a reinstatement, the department in which the employee is reinstated should apply to the establishment in which the former service was rendered for an abstract of record in the case. Statements of employees must not be accepted unless verified from official records.

3. In Table II show the amount deducted for the retirement fund during each fiscal year, or part of fiscal year, the employee was in your service.

4. This certificate must be signed and countersigned (if necessary) by an official recognized by the Bureau of Pensions as authorized to sign certificate of administrative officer on application for refunds.
