Sir,

In regard to the Service Number on my retired pay check, will state that the check had been punctured thru one of the figures of the Service Number and I could not tell what the number was neither could the Cashier in the bank who cashed my check tell what it was either.

Gentlemen:

Reference your file Misc-2073152.

Inclosed is a letter of Mr. Edward Farrow, a retired member of the former Lighthouse Service, in which he claims the difference due in retired pay based on gross salary, which includes the amount deducted as a charge for occupancy of Government quarters, over that paid him based on net salary, for the period July 1, 1939 to June 30, 1947. In this connection, reference is made to the Comptroller General's decision of October 23, 1947 (B-70029). Also inclosed is Standard Form 50 (9 Part), describing this retirement. This form shows correct computation of retired pay to be $1440.00 per annum, whereas, for the period July 1, 1939 to June 30, 1947, Mr. Farrow was paid at the rate of $1395.00 per annum - an underpayment of $45.00 per year, or $3.75 per month. Computation of the amount due and appropriations chargeable are as follow:

2001255 - Retired Pay, Former Lighthouse Service, Coast Guard,	1940 - -	$	45.00
2011255 - " " " " " " "	1941 - -		45.00
2021255 - " " " " " " "	1942 - -		45.00

2071255 - " " " " " " "	1947 - -		45.00
TOTAL		$	360.00

For tax withholding purposes, the records of this office show that Mr. Farrow claims 2 exemptions.

Mr. Farrow's mailing address is 938 N. Bentalou St., Baltimore, Maryland, and his claim is forwarded for settlement. No part of this claim has been or will be paid by this office.

By direction of the Commandant.

Very truly yours,

Sirs:

Transmitted herewith for administrative examination and report is the claim of Edward Farrow, 938 North Bentalou Street, Baltimore 6, Maryland, for the difference between retirement pay received based on net salary and that alleged to be due based on gross salary, as a former employee of the United States Lighthouse Service.

In connection therewith, it is requested that this office be furnished with copies of claimant's appointment, promotions, or any other personnel action taken while he was in a pay status for the five year period immediately prior to the date he became separated from the service and placed on retirement, together with a copy of his notice of retirement, showing the date retired and last day of duty.

It is also requested that a payroll voucher be furnished showing the basis on which his retirement pay was computed and the amount he would have received if his retirement pay had been based on his gross salary, together with any other pertinent facts relative thereto. The payroll voucher should include complete citation to the appropriation or appropriations from which paid from the beginning of his retirement to the present time.

The inclosure should be returned with your report.

Miss Miriam C. Bragg
20 Anchorage Lane
Somers Point, New Jersey

My dear Miss Bragg:

Reference is made to your letter received in this office on 15 July 1963 concerning settlement of the accrued retired pay due upon the death of your uncle, Edward Farrow, Keeper, former Lighthouse Service, now United States Coast Guard, Retired, and making inquiry about a burial allowance.

In reply you are advised that in accordance with existing laws governing payment of the accrued retired pay, the claim of a designated beneficiary, widow, child, children, parents or legal representative takes precedence over the claim of the heirs at law. Since Mr. Farrow did not designate a beneficiary to receive the accrued retired pay and is not survived by a widow, payment of the sums due must be made to his son. The proceeds of the June 1963 check will be included with the pay due for 1 July 1963.

Mr. Farrow's entire service in the former Lighthouse Service was in a civilian capacity, therefore the Veterans Administration burial allowance provided for military personnel is not applicable.

Very truly yours,

A. C. WAGNER
Captain, U. S. Coast Guard
Chief, Special Services Division

Keeper,
Lower Cedar Point,
Wayside, Maryland.

1. This office has your letter of August 11th requesting leave for a period beyond that allowed by the regulations. This office has heretofore been rather liberal in granting leave beyond the allowed 8-day periods. This arrangement, which makes necessary the employment of a substitute, has been costly to the government. Recently instructions were furnished to all districtsoffices by the Bureau as a result of a program by the President to discontinue all expenditures that are not absolutely necessary and as a result this office is obliged to limit extended leave beyond the 8 days to those keepers and assistants who reside a long ways from stations. Your request, therefore, can not be approved. If, however, you desire to hire a substitute at your own expense for a portion of this time, you may do so. You may make an arrangement to hire a substitute for a few days during the middle of this period, in order that the assistant keeper may not be required to remain alone at the station over a period of 8 days.
