Subj: Consideration for transfer to Regular Establishment; request for

1. Receipt is acknowledged of your letter dated 4 October, 1945, in which you request retention on active duty and consideration for transfer to the regular Coast Guard.

2. Since you have been released to inactive duty, it would not be consistent with the demobilization program to recall you to active duty.

3. With reference to that part of your request pertaining to transfer to the Regular Establishment, Headquarters is unable to make an intelligent appraisal or commitment as to the number of officers required until pending legislation is passed upon by Congress and decision as to post war strength of the Coast Guard is made by that body. Until that time, the Coast Guard will be unable to avail itself of many excellently qualified, tried and experienced officers of the Reserve. However, whether an officer of the Reserve continues on active duty through the period of demobilization or is placed on inactive duty pursuant to a reduction of wartime functions, his request for transfer to the Regular Establishment will receive every consideration when the post war officer strength is finally determined.

My dear Mrs. King:

It is with sincere regret that Coast Guard Headquarters learns of the death of your husband, Lieutenant Commander William T. King, USCGR. Your husband's service while on active duty as a member of the Coast Guard Reserve during World War II was a credit to himself and his country. The willingness of his service is reflected in the fact that he continued his affiliation with the Coast Guard after release to inactive duty and made himself available for call in the event of an emergency. Dear Sir:

My husband, William Thomas King, Lieut., U.S.C.G., INACTIVE, is sailing on the S.S. SEVEN PINES, owned by Barber Asphalt Corp., and operated by the WSA. About a month or six weeks ago, a letter from your office came, addressed to him, which I forwarded to a mailing address in Hawaii. The last letter received from him stated that he had not received the Coast Guard mail. Yesterday, a similar letter arrived from your office, so I wired the company in New York for a Pacific mailing address. The return wire read as, quote, "SEVEN PINES IN NAVY PACIFIC SERVICE-- DESTINATION UNCERTAIN-- ALL MAIL SHOULD BE FORWARDED TO THIS OFFICE." SIGNED, E.V.SHAERER, BARBER ASPHALT CORP., 30 ROCKEFELLOW PLAZA, NEW YORK, N.Y.

I trust that you will give him ample time for the mail to catch up with him, or perhaps, through the WSA, you can obtain another mailing address, by which your mail will reach him more promptly. However, I will forward the letter received yesterday, via the N.Y. office.

Very Truly Yours,

Mrs Wm. T. King

Subj: Consideration for transfer to Regular Establishment; request for

1. Receipt is acknowledged of your letter dated 4 October, 1945, in which you request retention on active duty and consideration for transfer to the regular Coast Guard.

2. Since you have been released to inactive duty, it would not be consistent with the demobilization program to recall you to active duty.

3. With reference to that part of your request pertaining to transfer to the Regular Establishment, Headquarters is unable to make an intelligent appraisal or commitment as to the number of officers required until pending legislation is passed upon by Congress and decision as to post war strength of the Coast Guard is made by that body. Until that time, the Coast Guard will be unable to avail itself of many excellently qualified, tried and experienced officers of the Reserve. However, whether an officer of the Reserve continues on active duty through the period of demobilization or is placed on inactive duty pursuant to a reduction of wartime functions, his request for transfer to the Regular Establishment will receive every consideration when the post war officer strength is finally determined.

Subj: Consideration for transfer to Regular Establishment; request for

1. Receipt is acknowledged of your letter dated 4 October, 1945, in which you request retention on active duty and consideration for transfer to the regular Coast Guard.

2. Since you have been released to inactive duty, it would not be consistent with the demobilization program to recall you to active duty.

3. With reference to that part of your request pertaining to transfer to the Regular Establishment, Headquarters is unable to make an intelligent appraisal or commitment as to the number of officers required until pending legislation is passed upon by Congress and decision as to post war strength of the Coast Guard is made by that body. Until that time, the Coast Guard will be unable to avail itself of many excellently qualified, tried and experienced officers of the Reserve. However, whether an officer of the Reserve continues on active duty through the period of demobilization or is placed on inactive duty pursuant to a reduction of wartime functions, his request for transfer to the Regular Establishment will receive every consideration when the post war officer strength is finally determined.

NAO-770

5 December, 1942.

Captain J. E. Whitbeck, USCG,
District Coast Guard Officer
Seventh Naval District
Miami, Florida.

Dear Captain Whitbeck:

Orders have been requested with regard to King, Tompkins and Solana as you requested. Lieutenant Hutchins' case may call for some special arrangement. All these orders will be issued on a permanent basis instead of on the temporary basis in which these officers were originally assigned to the District.

There is at present at Tampa, Ensign J.B.Greene who recently completed the course at St. Augustine and was rated by St. Augustine as outstanding officer material. He is a qualified deck officer with four or five years experience in the Merchant Marine. If you have need of his services, we will be glad to get permanent orders to him accordingly. If you have no need for his services, we will try to assign him to one of the larger sea-going units.

There will be leaving from St. Augustine Thursday December 10th, Lieutenant (j.g.) M. F. Post, and Ensign J.M.Fichter, both of whom are engineering officers. We have not as yet of course reports from St. Augustine as to their standing there. Post is an experienced chief engineer and is fifty years old. Captain Shepheard's organization has need of a lieutenant (j.g.) engineering at Tampa and unless you have other desires, I would be of the opinion that Post could best be assigned to the Merchant Marine Inspection Service. Ensign Fichter has no particular qualifications other than an engineering experience comparable to his rank. If you have use for his services we will assign him as you may direct. If you do not have use for his services, we will find a billet for him elsewhere.

At your entire convenience, would you be good enough to advise in the foregoing?

Sincerely yours,

/S/ R. T. MERRILL

MEMORANDUM FOR - Commander N. R. Stiles:

It is requested that orders be issued to the following named officers as indicated. All these officers are presently serving on temporary orders, under which the District Coast Guard Officers do not feel justified in assigning them to duty for fear they might be shortly withdrawn.

Lieutenant (E) Joseph P. Dring, to District Coast Guard Officer, Third Naval District, for duty under Merchant Marine Inspector at New York.

Lieutenant (j.g.) William T. King, to District Coast Guard Officer, Seventh Naval District, for duty under Merchant Marine Inspector at Miami.

Ensign (D) Fred V. Solana, to District Coast Guard Officer, Seventh Naval District, for assignment to duty at Ft.Lauderdale, Fla.

Ensign John B. Tompkins, to District Coast Guard Officer, Seventh Naval District, for such duty as may be assigned.

Captain R. T. Merrill, USCGR,
Assistant to Chief Personnel Officer,
Room 2100,
1300 "E" Street, N. W.,
Washington, D. C.

Dear Captain Merrill:

Since receiving your letter of 28 November on the subject of Naval Auxiliary Officers, I have had a talk with Lieutenant (jg) W. T. King. Lieutenant King appears to be a capable officer with the necessary background of Merchant Marine shipboard engineering experience to qualify him for the vacancy existing in the Merchant Marine Inspection Service in Miami. I furthermore believe Mr. King will be pleased with this duty and recommend that he be assigned for this Service.

The other engineer awaiting assignment, Lieutenant Thomas B. Hutchins, because of his long experience aboard ocean vessels, should also be well qualified for the Merchant Marine Inspection Service. Captain Shepheard will find few Merchant Marine engineers in the Naval Auxiliaries who have had longer uninterrupted ocean shipboard service that has Lieutenant Hutchins.

Of the two remaining officers awaiting assignment, one of them, Ensign (D) Fred V. Solana can be used to advantage at Fort Lauderdale where the supervision of boat repairs will keep him fully occupied. Mr. Solana has had much small boat experience; his understanding of these smaller craft can be fullyutilized right in his own home town by the Fort Lauderdale assignment.

C O P Y

Ensign (D) John B. Tompkins probably can be best used right here in Miami. At the moment, I am undecided whether he will be most useful as navigation instructor, or should be assigned to other duties. He passed the navigation examination at St. Augustine with a mark of 100%, and he also completed the navigation course in the Pan-American Airways School. Until we can look further into the abilities of Mr. Tompkins, I believe it will be best to hold him here for further assignment.

Very sincerely yours,

Signed

J. E. WHITBECK.

28 November, 1942.

Captain J. E. Whitbeck, USCG,
District Coast Guard Officer,
Seventh Naval District,
Miami, Florida.

Dear Captain Whitbeck:

The Merchant Marine Inspection Service of the Coast Guard has very definite need for inspectors and Captain Shepheard has asked for the assignment of 107 officers for this work. He has a vacancy in Miami for one Lieutenant, junior grade, Engineering. Lieutenant (j.g.) W. G. King has completed his course at St. Augustine and has returned to his station at Miami.

In most cases I would consider it very desirable that these Merchant Marine officers taken into the Coast Guard Reserve be given duty in the Coast Guard organization and if possible on something afloat. This so they become further indoctrinated in Coast Guard procedures. On the other hand, of course, the Inspection Service is also a function of the Coast Guard and should be kept at an efficient level.

The purpose of this is therefore to ask where you think Lieutenant King can best be utilized. Orders to all these officers who were originally taken in for Naval Auxiliaries duties are being modified in so far as their being held for that duty is concerned and they may be assigned any duties in the District as deemed best by the District Coast Guard Officer.

Very sincerely yours,

R. T. MERRILL

Subj: Dual compensation

1. The part of your letter of 8 June 1960, pertaining to your eligibility to hold a government job after retirement has been referred to the Legal Division for reply. You state that you understand that you may work for a federal, state, county or city government upon retirement, with affecting your retired pay. Your question will be answered with regard to a federal position as you will see that it then becomes unnecessary to answer in regard to any other government position.

2. You were retired under 14 U.S.C. 355, the 20 years enlisted retirement section of Title 14. This was so provided in your Statement of Service, of 3 May 1960, and it was also stated therein that you are to receive the 10% additional pay for good conduct, that other enlisted retirees receive. There is also contained in your record a Certificate of Satisfactory Service in the rank of BOSN W-1, dated 12 April 1960. You are listed in the Register for August 1959, as having permanent enlisted status.

3. From the foregoing facts, it is plain that you were retired with permanent enlisted status, although you were promoted on the retired list to BOSN W-1. Thus you are exempt from the Dual Office Act of 1894, 5 U.S.C. 62, as your advancement to that rank on the retired list is regarded as taking place subsequent to your retirement, and for the purpose of this law you remain an enlisted man. The Economy Act of 1932, 5 U.S.C. 59a, does not apply to you because you served only as a non-commissioned warrant officer. See 25 Comp. Gen. 521, 531, and 16 Comp. Gen. 232, 234. Accordingly, your understanding that you will be able to work for the federal government without affecting your retired pay is correct. The same result follows as to state, county and city governments as far as federal law is concerned.

4. While final determination as to whether accepting a particular position with the federal government violates either the Dual Office Act of 1894, or the Economy Act of 1932, is a matter for the Comptroller General and the courts, it is the policy of the Coast Guard to give as much assistance and advice as possible to retired members who desire to accept employment.

My first preference for duty , is to be assigned to a Marine inspection school or office for training and duty. Seventh, eight, eleventh, twelfth, thirteenth, second , ninth CG Districts would be prefered if vacancy exists in those districts. If this is not possible I would prefer for a second choice, any C.G. Base or Depot handling Aids To Navigation in the above listed districts. I have fifteen years experience with Aids To Navigation, Buoys and construction.

If possible I request to be releived at that time, due to savings involved in moving of dependents in order for my dependent to be with me at that time. Any consideration in being placed in The Marine Inspection division will be appreciated. I intend to be in the CG for thirty years and I would like very much to fill out my carreer of general service in that field of duty.

Subj: Appreciation for services

1. I would like to extend my sincere appreciation to you and the personnel of the JASMINE (WAGL-261), of which you were Officer in Charge, for the excellent work performed in the southwestern Louisiana area immediately following the hurricane "AUDREY" disaster. Cognizance has been taken of the fact that you and your personnel worked long hours and under trying conditions from 27 June 1957 to 29 June 1957. Your efforts thus contributed materially to the rehabilitation of that area and to the overall success of Coast Guard operations.

2. A copy of this letter is being forwarded to the Commandant for file in your permanent record at Headquarters.

1. Reference is made to letter from the above-named man dated 23 March, 1945, with inclosure and indorsements, requesting authority for extension of enlistment or reenlistment in the STE.

2. As this man has completed approximately five years and four months of the six years continuous service required for reenlistment in the regular establishment, and must serve only eight more months before he is eligible for the regular establishment, his request for reenlistment in the STE at this time is disapproved. This disapproval is based on the fact that if King were reenlisted it would be necessary to discharge him at such an early date as to cause unnecessary paper work and correspondence.

1. On 20 September, 1944, my original Special Temporary Enlistment (3 years) and volunatry extension for TWO years thereof, expired, having completed 5 years of net service. Under provision of paragraph 13(a), Personnel Bulletin 103-44, I will be eligible for discharge from Special Temporary Enlistment after six years continuous service and reenlistment in the REGULAR ESTABLISHMENT. It is my intention to serve the required time and become eligible under that provision.

2. However, at the expiration of the enlistment and a while prior thereto I was serving outside of the continental limits of the U.S. and was not able to obtain the correct information as to the procedure. In the meantime, my enlistment was extended pending receipt of my intentions at Navy 920.

3. I have been examined physically and am enclosing form 2525B, requesting authority to voluntarily extend my enlistment for a period of ONE year. If such authority cannot be granted, then I will agree to reenlist in the Special Temporary Knlistment for a period of FOUR years, and upon expiration of six years continuous service would like to be discharge and reenlisted in REGULAR ESTABLISHMENT for a period of FOUR or SIX years. In the latter case, I request that a letter for such authority be forwarded for insertion in service record for reference at expiration of six years service under STE. Also, would it be necessary for me at the expiration of that period to be examined physically; advise effective date for voluntary extension and for reenlistment.

3. Together with the 2525B, man will write a letter to The Commandant(PEA-PL) requesting authority to either voluntarily extend enlistment for ONE year or otherwise, or authorization for discharge and reenlistment in Special Temporary Enlistment for FOUR years. In the case of the latter Headquarters should be requested to include a provision that when the required six years has been served, KING may be discharged and reenlisted in Regular Establishment. Since it is Headquarters policy that all extensions or reenlistments cannot be made retroactive until authorization from Headquarters and execution thereof, effective date will be actually on date of execution. 1. Reference your letter of 16 December, 1944, file 73, this is to advise that subject man signed an involuntary extension of enlistment on or about 21 September, 1944.

2. It was King's desire to reenlist or to secure permission to extend his enlistment for a period of one year so that he could serve the required six years in Special Temporary Enlistment, receive a discharge and reenlist in the REGULAR ESTABLISHMENT at the end of that time. However, we were advised by Commander Shaner, CG Replacement Unit, Gamadoda, that they were in receipt of a dispatch from Headquarters stating that upon completion of an enlistment contract, or an extension thereof, a man would be automatically reenlisted under an Involuntary Extension of Enlistment agreement. King signed this reextension agreement only after verbal protest. Inasmuch as no further information was received by this command regarding proper action to be taken in such cases, and believing that the procedure followed was proper, no further effort was taken to secure the wishes of KING.

3. This officer is anxious that KING be accorded the opportunity of extending his enlistment for one year as was his desire, and it is requested that you advise what action should be taken to accomplish this.

Subj: KING, William T.(222-314)BM1c,USCG; expiration of enlistment of.

1. Service record of subject man indicates that he enlisted in the U.S.Coast Guard 21 September, 1939, and effective 21 September, 1942, original enlistment was extended for a period of two years. Enlistment expired 20 September, 1944, with completion of five years' service. This office will extend enlistment for an indefinite period, namely for the duration of the war or national emergency and six months thereafter.

2. Should KING have intentions of remaining in the service it would be to his advantage to request authority from Headquarters for extension of enlistment for one year, for purpose of serving required six years in Special Temporary Enlistment and discharge and reenlistment in the REGULAR ESTABLISHMENT upon expiration of the required period of service. In this case man will be examined by any medical officer and report of examination, in triplicate, forwarded to this office together with letter of transmittal. The letter will be written by KING to the Commandant, via his Commanding Officer and via Commander,CGAMD Navy 920, requesting authority to extend his enlistment for one year so that he may serve the additional year to complete his six years of service so he may be eligible for discharge and reenlistment in the REGULAR ESTABLISHMENT.

3. Advise this office of man's decision on this matter.

Subj: Service in action.

1. Herewith is certificate of your service in action as a member of the ship's company of the U. S. Army FS-367, during the period from 27 December, 1944 to 15 January, 1945.

2. During the first five days of this period you were subjected to continuous and severe attacks by enemy bombs, suicide crash bombers, and floating mines; and during the remainder of the period you were subjected to spasmodic, yet vicious, attacks by the enemy. Because of your unhesitating obedience and complete willingness to face danger, this ship was able, while under attack by enemy bombers, to save an apparently doomed destroyer and its crew from approaching oil flames from a sinking tanker. These same qualities prompted you, with other members of the crew, to go alongside that same tanker for the purpose of rescuing possible survivors. Also, you went alongside a disabled Liberty ship, with enemy bombs dropping in the immediate vicinity, to remove casualties.

3. As a consequence of these actions, your ship suffered damage and you assisted in shooting down the twenty-three planes credited to surface craft while in convoy from Leyte and numerous other planes while in port at Mindoro, P.I.

4. By the good performance of your duties, by your gallantry under fire, by the successful completion of our mission and by the damage you inflicted on the enemy, you acquitted yourself in a manner fully in keeping with the highest standards set by Coast Guard tradition.

5. It is with pleasure that your commanding officer commends you on your exemplary conduct in action, and you can be proud of your work as helmsman on watch during general quarters.

ADDENDA to Standard Form 88, in the case of KING, William Thomas BMC,222-314,U.S.C.G.

This thirty-one year old, white male presented himself at this activity for a reenlistment physical in the U.S. Coast Guard on the 11 January 1952. During the course of the routine laboratory tests it was discovered that the urinalysis revealed an abnormal number of red blood cells. Repeated urinalysis consistently confirmed a diagnosis of microscopic hematuria. On the 20 February 1952, an I.V. Pyelogram, film # 92 revealed " there is prompt appearance of dye in either kidney, but concentration is poor. The middle calyces on the left are not visualized. Recommend retro-grade pyelography". /s/ R.C. SPEIR,Jr.,CDR,MC,USN. On 27 February 1952 X-Ray film # 92 reported," There is definite distortion of the kidney pelvis on the left and of the calyces in the lower half of the kidney. Tumor must be ruled out". /s/ R.C.SPEIR, Jr.,CDR,MC,USN.

It was felt that further specialists examination was indicated, and the patient was sent to USAF Hosp, 5005th Hosp. Gp., the narrative summary follows:

Patient is a 31 year old white male, member of the Coast Guard, who was admitted to the hospital on 11 March 1952, with the chief complaint of hematuria microscopic, found on reenlistment physical examination. Patient gives no history of any urological symptoms except for occasional slight urethral discharge. In Jan 52 while patient was being examined for reenlistment microscopic hematuria was found. Patient gives history of having malaria at age 13 and again at age 23.

Laboratory studies: Admission urine showed numerous red cells. Serology is negative. CBC was normal. NPN 39 mgm%. IVP was negative.

Physical examination was completely normal.

Course in the hospital: It was felt that because patient had an unsuccessful cystoscopy at Kodiak, the present hematuria was on a traumatic basis. Prostatic secretions were examined on 12 March 1952 and contained numerous red cells. There were no other findings and patient had no further hematuria, being discharged to duty 24 March 1952.

INSTRUCTIONS ON THE USE OF THIS FORM

The Department of Defense has the authority to establish and promulgate detailed procedures to implement the national policy relating to loyalty of persons entering on duty with the Armed Forces. This has been determined by appropriate authority to include restrictions as to membership in or association with certain organizations and of certain standards of conduct. If Federal Constitutional Privilege against self-crimination; i. e., the making of a statement which will expose you to criminal trial, is claimed about all or any part of any conduct, membership, or association in question you may so claim by stating in the space indicated "Federal Constitutional Privilege is Claimed" or "Federal Constitutional Privilege is Claimed as to .....," describing the specific part of any conduct, membership, or association about which claim is made.

Concealment of, misrepresentation as to, or failure to divulge in full, conduct or associations of the character set forth in the provisions, at the time of execution of these certificates in any component of the Department of Defense may constitute grounds for discharge, separation, or other disposition of personnel, and action shall be taken by the Armed Forces for causing trial before a general court martial, or the facts will be made known to appropriate civil authorities, as the law may provide in such cases. Upon indication that any person has misrepresented, concealed, or failed to divulge in full previous conduct or associations of the character set forth, the Service having responsibility thereof shall take appropriate action.

Consequently, you must read the following provisions as to membership in or association with certain organizations and as to standards of conduct very carefully and be sure you understand them. If there is anything which you do not understand in either of these sets of provisions or in the certifications to be made, ask a commissioned officer to explain them to you. When you are certain that you understand both the provisions and the certificates, complete the certificates and sign them in the presence of a witnessing officer. Penalties for making a false statement may be very severe.

PROVISIONS AS TO STANDARDS OF CONDUCT

1. Conduct which may be considered as establishing reasonable grounds for invoking appropriate penalties shall include, but is not limited to, one or more of the following:

(*a*) Sabotage, espionage, or attempts or preparations therefor, or intimate and sympathetic associations with or voluntary assistance to persons who the subject of investigation has reasonable cause to believe may be spies or saboteurs.

(*b*) Treason, sedition, or writings and acts which can reasonably be considered as intended to encourage seditious or treasonable opinions or actions.

(*c*) Advocacy of revolution or of force or violence to alter the existing constitutional form of government of the United States; advocacy of revolution or of force or violence to bring about economic, political, or social change.

(*d*) Intentional unauthorized disclosure to any person under circumstances which may indicate disloyalty to the United States, of documents or information of a classified or nonpublic character.

(*e*) Acting, attempting to act, or knowingly failing to act when such conduct is calculated to serve the interests of another government in preference to the interests of the United States of America.

I certify, as regards the standards of conduct, that:

1. I have read the instructions on the use of this form and I understand them.

2. I have read the provisions applying to the standards of conduct and I understand them.

3. If I have engaged in any such conduct, I have so indicated by describing in the statement below the nature thereof.

4. If I have not engaged in any such conduct, I have so indicated by writing "None" or "None to my knowledge" in the statement below.

5. I understand that if what I state below is found to be incorrect, incomplete, or misleading in any important particular, I may be subject to prosecution and punishment under the appropriate laws of the United States.

6. I understand the meaning of the statements made in the certifications above.

GENERAL

(*a*) The purpose of signatures in the service record is to show that the entries are made by proper authority as represented by the person signing them. The following items shall be given particular attention: Name, service number, rating, any special designator, leave record, record of emergency data, remarks, special qualifications, qualifications for advancement, training courses, pay status including cumulative years, and completeness of pages. Amount of Insurance $ 5000
Date of Expiration 7-31-51
Monthly Renewal Premium $ 3.55
Current Monthly Premium $ 3.30

The current term period for the National Service life insurance described above which was previously issued to the above named insured will expire and protection thereunder will cease on the date shown above. Under existing law he is permitted, before expiration, to apply for conversion to a permanent plan of insurance or for renewal of this term insurance for a period of five years at the premium rate for his then attained age. Renewed insurance will become effective on the day immediately following the date of expiration of the present insurance.

To renew this insurance for the five year period, it is necessary that he complete and sign the enclosed VA Form 9-1658, Application for Renewal, and before the expiration date of his current insurance, which is shown above, place it in military or naval channels through the officer responsible for insurance activities within his unit of organization for direct transmittal to the Veterans Administration, Washington 25, D. It is also necessary that the premiums due for the remainder of the current term period be paid; therefore, his present allotment should continue in force for the period required to accomplish this purpose.

[illegible] ested that consideration be given me for transfer to [illegible] t within the 8th CG District that does not require [illegible] strenuous nature as my present assignment.

[illegible] ason for this irregular request is due to a back condition [illegible] as existed since December 1954. This condition causes much [illegible] fort and pain. I was informed by the U. S. Public Health Service [illegible] e, Mobile, that this trouble was caused from two bones having grown [illegible] ether at the lower end of my spine. My present assignment aboard the [illegible] ADBUSH causes poor posture inasmuch as the overhead is too low for my height. As officer in charge, I am required to do quite a lot of heavy lifting since the primary duty consists of heavy construction work, which aggravates this condition as substantiated by the enclosed letter from U. S. Public Health Service Clinic, Mobile. No hospitalization for this ailment is deemed necessary.

3. I have over fifteen (15) years service in the Coast Guard, approximately thirteen (13) of which has been sea duty, and two (2) tours of overseas assignment.

4. Should this request meet with favorable consideration, my preference for assignment are as follows: First choice - Recruiting duty (previous experience); second choice - CG Depot, Corpus Christi, Texas; third choice - CGC CARTIGAN, Panama City, Florida.

LOYALTY CERTIFICATE FOR PERSONNEL OF THE ARMED FORCES

INSTRUCTIONS ON THE USE OF THIS FORM

The Department of Defense has the authority to establish and promulgate detailed procedures to implement the national policy relating to loyalty of persons entering on duty with the Armed Forces. This has been determined by appropriate authority to include restrictions as to membership in or association with certain organizations and of certain standards of conduct. If Federal Constitutional Privilege against self-crimination; i. e., the making of a statement which will expose you to criminal trial, is claimed about all or any part of any conduct, membership, or association in question you may so claim by stating in the space indicated "Federal Constitutional Privilege is Claimed" or "Federal Constitutional Privilege is Claimed as to .....," describing the specific part of any conduct, membership, or association about which claim is made.

Concealment of, misrepresentation as to, or failure to divulge in full, conduct or associations of the character set forth in the provisions, at the time of execution of these certificates in any component of the Department of Defense may constitute grounds for discharge, separation, or other disposition of personnel, and action shall be taken by the Armed Forces for causing trial before a general court martial, or the facts will be made known to appropriate civil authorities, as the law may provide in such cases. Upon indication that any person has misrepresented, concealed, or failed to divulge in full previous conduct or associations of the character set forth, the Service having responsibility thereof shall take appropriate action.

Consequently, you must read the following provisions as to membership in or association with certain organizations and as to standards of conduct very carefully and be sure you understand them. If there is anything which you do not understand in either of these sets of provisions or in the certifications to be made, ask a commissioned officer to explain them to you. When you are certain that you understand both the provisions and the certificates, complete the certificates and sign them in the presence of a witnessing officer. Penalties for making a false statement may be very severe.

PROVISIONS AS TO STANDARDS OF CONDUCT

1. Conduct which may be considered as establishing reasonable grounds for invoking appropriate penalties shall include, but is not limited to, one or more of the following:

(*a*) Sabotage, espionage, or attempts or preparations therefor, or intimate and sympathetic associations with or voluntary assistance to persons who the subject of investigation has reasonable cause to believe may be spies or saboteurs.

(*b*) Treason, sedition, or writings and acts which can reasonably be considered as intended to encourage seditious or treasonable opinions or actions.

(*c*) Advocacy of revolution or of force or violence to alter the existing constitutional form of government of the United States; advocacy of revolution or of force or violence to bring about economic, political, or social change.

(*d*) Intentional unauthorized disclosure to any person under circumstances which may indicate disloyalty to the United States, of documents or information of a classified or nonpublic character.

(*e*) Acting, attempting to act, or knowingly failing to act when such conduct is calculated to serve the interests of another government in preference to the interests of the United States of America.

2. I have read the provisions applying to the standards of conduct and I understand them.

KING, William T.(222-314)BMC(P); records of

1. H/L 29 April 1952 (PE-3,MM) requested that the identification card of FRITZ (discharged 1-31-52 on board the CGC KIMBALL (WSC-143) and reenlisted the following day), or a statement as to its disposition, be forwarded to HQ inasmuch as Form 2500-C indicates that it was surrendered. Neither the card nor the statement has been received.

2. HQ's copy of the current Form 2500 for KING, who was discharged on 5-12-52 and reenlisted the following day on board the CGC SEDGE (WAGL-402) indicates that he was born on 5 March 1922. Form 2500, dated 1-22-46, indicates that he was born 5 March 1921 and, all records pertaining to his original enlistment on 9-21-39 indicate that he was born on 5 March 1920. It is assumed that the correct date of birth is 5 March 1920 inasmuch as KING's application for enlistment and the Consent of Parent form 2551 indicate that date; therefore, all records reporting information to the contrary have been corrected to show 5 March 1920.

3. It is requested that either of the above mentioned records for FRITZ be forwarded promptly and that KING's records be corrected to report date of birth as 5 March 1920 or that information and supporting evidence concerning other changes be submitted to the Commandant (PE-3).

Subj: National Service Life Insurance, re-establishment of allotment upon retirement 1 May 1960

1. The records at Headquarters indicate that you applied for a waiver of premiums on $5,000 National Service Life Insurance and authorized discontinuance of the allotment in the amount of $3.30 with month of last payment May 1951.

2. Your attention is called to the fact that while on waiver of premiums the term period of your $5,000 National Service Life Insurance issued under policy number V 1745 55 78 expired on 6 August 1956. The policy was automatically renewed for an additional 5-year period in accordance with Public Law 148, 83rd Congress. Under the provision of Public Law 23, 82nd Congress, payment of premiums on this insurance must be resumed by the insured within 120 days after the date of separation from active service in order to prevent lapse of this policy.

3. If you desire to continue the protection of this insurance after the 120 day period, future premium payments may be forwarded directly to the Veterans Administration or you may authorize an allotment from your retired pay. If you desire to pay future premiums by allotment, it is necessary that you authorize an allotment in the amount of $3.85 with month of first payment August 1960 which is the rate for the renewed policy.

4. The necessary Allotment Authorization, NAV S & A Form 545 is enclosed. It is requested that you sign this form at the place indicated and return it promptly to Commandant (PS).

5. Records at this office indicate that you have given the date of your birth as 25 March 1920 and 5 March 1921. In order that the records at Headquarters and at the Veterans Administration may be corrected, it is requested that you forward a certified copy of your birth certificate to this office.

Subj: King, William T. (222-314) BM1c; forwarding of information

1. Reference is made to letter from the above-named man dated 23 March, 1945, with inclosure and indorsements, requesting authority for extension of enlistment or reenlistment in the STE.

2. As this man has completed approximately five years and four months of the six years continuous service required for reenlistment in the regular establishment, and must serve only eight more months before he is eligible for the regular establishment, his request for reenlistment in the STE at this time is disapproved. This disapproval is based on the fact that if King were reenlisted it would be necessary to discharge him at such an early date as to cause unnecessary paper work and correspondence.

C.G. ARMY MANNING
DETACHMENT

(1) Commanding Officer, USA-FS 367.
(2) Commander, CGAMD, Navy 920.

Subj: Request for authorization for either extension or discharge and reenlistment.

1. On 20 September, 1944, my original Special Temporary Enlistment (3 years) and volunatry extension for TWO years thereof, expired, having completed 5 years of net service. Under provision of paragraph 13(a), Personnel Bulletin 103-44, I will be eligible for discharge from Special Temporary Enlistment after six years continuous service and reenlistment in the REGULAR ESTABLISHMENT. It is my intention to serve the required time and become eligible under that provision.

2. However, at the expiration of the enlistment and a while prior thereto I was serving outside of the continental limits of the U.S. and was not able to obtain the correct information as to the procedure. In the meantime, my enlistment was extended pending receipt of my intentions at Navy 920.

3. I have been examined physically and am enclosing form 2525B, requesting authority to voluntarily extend my enlistment for a period of ONE year. If such authority cannot be granted, then I will agree to reenlist in the Special Temporary Enlistment for a period of FOUR years, and upon expiration of six years continuous service would like to be discharge and reenlisted in REGULAR ESTABLISHMENT for a period of FOUR or SIX years. In the latter case, I request that a letter for such authority be forwarded for insertion in service record for reference at expiration of six years service under STE. Also, would it be necessary for me at the expiration of that period to be examined physically; advise effective date for voluntary extension and for reenlistment.
