DEPARTMENT OF COMMERCE

Justification for Filling Vacancy under Authority of the Act Approved June 30, 1932.

This is a temp addl pos formerly occupied by Donnelly.

Bureau or Office: **Lighthouses, 16th District, Ketchikan, Alaska**

Position: **Keeper**

Dan Kinnaley vice Wm. J. Donnelly

Compensation: **$1800 (Range $1800-2160) per annum**

Location: **Cape Spencer Lightstation, Alaska**

Appropriation: **Salaries, Keepers of Lighthouses**

Date of Vacancy: **Transfer of incumbent pending**

Justification: **The complement necessary for the operation of this station is four keepers, and the filling of this vacancy is necessary in order to maintain the complement at a minimum strength. This position requires the performance of duties directly concerned with the maintenance and/or operation of aids to navigation which must be either in actual operation or ready for immediate service at all times. In order that this service may continue without interruption, it is absolutely essential that the position be filled. The nonfilling of the position would interfere with the functioning of the aids and add to the hazards of navigation, thereby producing conditions endangering life and property. No increase in cost is involved in this transfer, the proposed pay being the same as the former incumbent who in turn is being transferred to another station.** As to the resulting vacancy, it is expected that this will be filled by transfer but we are not prepared at this time to state this definitely.

On account of the necessity of having 4 keepers on duty at this station, this position was filled on September 29, 1932, and it is accordingly requested that authority be granted as of that date.

Subject: Temporary detail.

1. In accordance with Art. 423(b) of the Regulations report is made as to temporary emergency detail of J. E. Morrison, second assistant keeper, Cape St. Elias Lightstation, to duty as assistant keeper at Cape Decision Lightstation, without change of pay, during absence of assistant keepers W. J. Donelly and E. C. Hope on legislative furlough and shore liberty, effective October 18, 1932. The emergency in this case was due to the illness of first assistant keeper Donelly and his necessary absence from the station to obtain medical treatment. This is an important three keepers station and it is necessary to have three men on duty to properly care for the station.

2. Mr. Donelly is now ready to return to duty but second assistant keeper Hope has applied for shore liberty and it is therefore desired to retain Mr. Morrison on the temporary detail.

3. The probable duration of the temporary detail is three months from the effective date stated.

4. Report as to this detail should have been made more promptly but was unfortunately overlooked.

It is therefore recommended that the temporary additional position now occupied by Kinnaley be made permanent effective March 29, 1933, this being proposed in lieu of the regular position of keeper at this station (Lt.#859) last occupied in 1931 by George Alexius which was discontinued at the close of June 30 last to avoid impounding of funds. Since the regular position of keeper (Lt.#859) was vacated in 1931 by George Alexius there have been temporary additional positions authorized from time to time so that in reality there has been a principal keeper at this station at all times.

A. to $1560 P.A. effective August 1, 1935, or entrance on duty, is returned herewith and it is requested that this change in pay be cancelled. Mr. Kinnaley is on leave and has not entered on duty under the new rate of pay.

2. The above cancellation is requested for the reason that it becomes necessary to assign him to duty as keeper in charge of Cape St. Elias Lightstation to relieve Mr. W. J. Commissioner of Lighthouses
Washington, D. C.

1. Dan Kinnaley, formerly keeper, Cape Spencer Lightstation at $1800. P. A., has been assigned to duty as temporary additional keeper, Cape St. Elias Lightstation, effective September 16, 1935, without change in pay, during the absence of the regular keeper, Charles Brown, on accumulative leave of absence in accordance with Form 73a of August 5, 1935, copy of which has been furnished to the Bureau.

2. Cost of transportation in connection with this assignment is properly payable by the Lighthouse Service as the assignment was not at the request of nor for the convenience of the employee. However, through oversight advance departmental approval of travel order was not obtained. As it was necessary for Mr. Kinnaley to depart for Cape St. Elias on short notice from Sentinel Island Lightstation where he was under temporary detail, and as the travel was practically completed before he entered on duty at Cape St. Elias, it is proposed to consider him as under temporary detail prior to his entrance on duty at Cape St. Elias. See herewith report of temporary detail submitted for Bureau approval.

3. If Bureau considers that departmental approval of travel expenses is necessary in view of the subsequent transfer of Mr. Kinnaley advice is requested as to how the matter should be handled.

4. Mr. Kinnaley could be considered as under temporary detail pending the prospective return of the regular keeper about June 25, 1936, but in such case revision of Bureau and departmental records would be necessary, since report has been submitted as to vacation of the position of keeper, Cape Spencer, and assignment thereto of Mr. N. M. Norgaard.

5. Mr. Kinnaley left Sentinel Island September 5, 1935, and arrived at Cape St. Elias September 18, 1935. His traveling expenses have not yet been paid owing to the delay in receipt of his travel voucher and the necessity of returning it for further revision.

1. In accordance with Article 423 of the Regulations, report is made as to temporary detail of Dan Kinnaley, keeper, Cape St. Elias Lightstation, at $1800. P. A., for duty as keeper in charge at Cape St. Elias Lightstation during absence of the regular keeper, Charles Brown, on leave, pending transfer of Mr. Kinnaley to temporary additional keeper, Cape St. Elias.

2. It was necessary for Mr. Kinnaley to depart on short notice for Cape St. Elias in order that he might connect with the lighthouse tender CEDAR at the proper time for landing at the station. Through oversight, this temporary emergency detail was not reported at an earlier date.

3. A temporary detail became effective on September 5, the date on which Mr. Kinnaley began his travel to Cape St. Elias, and it terminated on September 16, 1935, on which date he entered on duty as temporary additional keeper at Cape St. Elias.

4. Bureau approval of this detail is requested in order that the detail may be properly authorized and the records completed.

Remarks: Section 16b of the Reorganization Act of 1939 prohibits changes in gross compensation or grade during the present fiscal year. The action in this case does not involve a change in gross compensation since the gross pay at the new station is the same as the gross pay at the former station, but no change in grade will be made during this fiscal year. For record purposes, however, recommendation is submitted pursuant to Comp. Gen. B-5212 of August 22, 1939, to the Federal Security Agency.

Justification: This new position at Cape Decision is a temporary additional one required to provide adequate help for the station during the absence of a regular keeper (Edward M. Toman) and Mr. Kinnaley will be vicod into the regular position upon the retirement of Mr. Toman.

1. Dan Kinnaley, keeper of Cape Decision Light Station, Alaska, has been granted extended sick and annual leave which terminates 26 September, 1941. He has submitted application for retirement on account of disability under act of 20 June, 1918, but since his retirement cannot be made effective until after completion of fifteen years continuous service or at the close of 20 October, 1941, the question arises as to whether he may be granted additional annual or sick leave to cover the balance of his fifteen years or whether he should be placed on leave without pay until the effective date of his retirement, 31 October, 1941.

2. Headquarters' decision on this matter will be awaited.

1. It is necessary for Mr. Kinnaley to have at least fifteen years of active service to be eligible for disability retirement under the Act of 4 March, 1925. If he has exhausted all of his annual and sick leave it will be necessary that he return to active duty to complete the required fifteen years of service.

2. Periods of leave without pay are necessarily deducted and therefore it would not accomplish the purpose Mr. Kinnaley desires to place him in such a status as referred to in the last sentence of paragraph 1, reference (a).

My dear Mrs. Barker:

Headquarters has been advised of the death of Dan Kinnaley, Keeper, former Lighthouse Service now U. S. Coast Guard, retired, on 11 November, 1943. Please accept my sincere sympathy.

At the time of death there was due the estate of Keeper Kinnaley retired pay in the amount of $19.78. This retired pay ceases at death and there is no law providing for the continuance of payment of any part to dependents. The forms necessary to effect settlement of this final retired pay are herewith inclosed.

If there will be no legal representative to administer the estate, the next of kin or the person who paid, or will pay the funeral and burial expenses should execute the inclosed Form No. 1055, claim for final pay, in the presence of two witnesses and a notary public, taking care to answer all questions. If a representative is appointed a copy of the Court Order showing the appointment should be attached to Form No. 1055. If the funeral expenses have been paid, a bill receipted by the undertaker who conducted the services should be forwarded. Otherwise, the undertaker should sign the inclosed waiver form. This information is necessary to support the claim for the final retired pay.

When the inclosed forms have been comple[illegible], please return them to Coast Guard Headquarters, Washingto[illegible]C.

By direction of the Commandant.

Dear Sir:

In the settlement of income tax withheld from the pay of retired personnel of former Lighthouse Service for the year 1943, there was included Form W-2, showing the amount withheld from the pay of Dan Kinnaley, Keeper, Retired, for the year. Subsequent to submission of returns for the year, notice was received that this person had died 11 November, 1943.

It appears, therefore, that the amount of $1.20, withheld subsequent to his death, should be refunded to the next of kin or the estate of the deceased.

Secretary of Commerce:

Department letter of July 5, 1935, approving the transfer of Dan Kinnaley from keeper of Cape Spencer Lightstation at $1800 to keeper of Five Finger Lightstation at $1560 per annum is herewith submitted for cancellation. The Superintendent states that it has been found necessary to transfer Mr. Kinnaley to a temporary additional position of keeper at Cape St. Elias Lightstation to relieve William J. Donelly who feels that he has not had sufficient training for the operation of the station.

The position of keeper at Cape St. Elias Lightstation is in the range $1800-2160, and as Mr. Kinnaley will be transferred thereto without change in his present pay of $1800, the matter will be reported on Form 73a when the effective date has been determined.

Submitted to the Secretary of Commerce, approved. The action recommended involves the permanent assignment of the nominee as Keeper (principal) at Cape Spencer Lightstation. It is therefore recommended that the temporary additional position now occupied by Kinnaley be made permanent effective March 29, 1933, this being proposed in lieu of the regular position of keeper at this station (Lt.#859) last occupied in 1931 by George Alexius which was discontinued at the close of June 30 last to avoid impounding of funds. Since the regular position of keeper (Lt.#859) was vacated in 1931 by George Alexius there have been temporary additional positions authorized from time to time so that in reality there has been a principal keeper at this station at all times.

1. There is inclosed Appointment Division memorandum dated May 13 in connection with your nomination of April 5 for the removal of the temporary limitation on the present appointment of Keeper Dan Kinnaley whom you desire to transfer from a temporary additional position authorized at Cape Spencer to the permanent position authorized there, his pay in both positions being $1800 in the range $1800-2160. Your detailed report covering the Department's memorandum is requested, together with the return of the memorandum to the Bureau. In addition it is requested that you submit a detailed report as to the problem at these stations and the present arrangements for it, including your view as to a revision of the arrangements doing away in the future with temporary promotions, which the Bureau considers should be discontinued.

2. It would appear desirable to have a complement at each of these stations sufficient to permit the keepers composing it to relieve each other for leave purposes and thus eliminate temporary additional positions and temporary promotions which are incident to the present arrangement. It is of course desirable that any change in arrangement should not result in additional expense; and in the event of an additional position in the station complement it might not be found necessary to keep them all filled the entire time.

Memorandum for Mr. Kerlin

Herewith is a recommendation from the Bureau of Lighthouses for the removal of a temporary limitation placed upon the position of principal keeper (range $1800-2160) at Cape Spencer Light Station, Alaska, a far westward station, now occupied by Dan Kinnally, during the absence of the regular incumbent on accrued leave.

The Lighthouse Regulations provide in part as follows: "At certain stations in northwestern Alaska which are dependent on lighthouse tenders for transportation and which are visited only once each year the keepers may be allowed a year's leave of absence upon completion of two years' continuous service at the station." There are five of these so-called far westward stations.

In discussing the question of accrued leave with certain Bureau representatives it was learned that the administration of that part of the regulations is left almost entirely in the hands of the superintendent. It seems to be the practice of that officer in granting accrued leave to keepers to set up temporary additional positions in the same range as those occupied by the keepers who have earned their leave and to assign thereto (which in most instances means a promotion) the regular keepers who remain on duty at the station. In other words, the permanent employees during those periods occupy temporary positions. After the keepers have utilized their accrued leave they either return to their regular assignment or they are transferred to other stations. If the former action is taken everyone enjoying temporary benefits returns to his regular assignment, while on the other hand if the latter action is taken the employees occupying the temporary positions are "viced" into the existing vacancies. If these practices were indulged in with any degree of regularity it would not be particularly difficult for this office to maintain its records and to follow the history of each case. However, it frequently happens that a permanent employee while occupying a temporary position becomes eligible for his accrued leave. When that occurs the employee in question is permitted to take leave at the rate of pay he was receiving while serving on the temporary assignment. It is not uncommon for this procedure to so badly deplete the complement of a station that it cannot adequately be maintained except by the informal detail thereto of such additional keepers as might be required to perform the work. There is still another practice (quite irregular) which is not uncommon. For example, a second assistant keeper may be promoted to a temporary additional position of first assistant keeper. While serving in that position the principal keeper goes on accrued leave at which time the person occupying the temporary position of first assistant keeper is promoted to a temporary additional position of principal keeper.

The latitude permitted the superintendent in administering the leave regulations at the far westward stations makes it difficult for this office to maintain uniform and accurate records of the personnel assigned to these stations. This lack of uniformity may, in a measure, be attributed to the fact that definite instructions as to what is desired have not been forthcoming. Therefore, it would seem that the better thing to do would be for the Department or the Bureau to issue definite instructions as to what is desired when recommendations are submitted for the purpose of furnishing relief in those instances where the regular keeper is on accrued leave of absence. In that connection the following suggestions are offered: Abolish the present practice of setting up these so-called temporary positions and do one of two things; provide relief for the keeper on leave by assigning to the station an at large keeper, or if the work at the station is such that it can be absorbed, without jeopardy to the service, by the remaining keepers, require them to do so without further increase in pay.

The location of the five far westward stations and the fact that there are no family quarters provided are facts considered in determining the pay of these keepers and the amount of leave they are entitled to upon the completion of two years of continuous service. These emoluments would seem to be ample reward for the conditions under which they have to work without giving to them additional increases in salary when one or more of the keepers earn their accrued leave. The practice at present resorted to would not work out if the lowest paid keeper at the station was the first to earn his leave and therefore I cannot see why such practices should continue if one of the higher paid keepers is the first to earn his leave.

Your instructions are respectfully requested.

Re: Dan Kinnaley, Kpr., Retired, Deceased

Gentlemen:

The following information relative to the pay account of the retired civilian employee named above is furnished for use in the settlement of claim for final pay in his case:

Date of death, 11 November, 1943.

Gross pay to date of death.....$20.98

Federal Tax withheld and disposed of.....$1.20

Other deductions.....None 1.20

Net amount due on death.....$19.78

Last paid to and including 31 October, 1943, on D. O. Voucher No. 206, settled in the October, 1943 account of C. L. Herndon, S.D.A., (Navy), Symbol No. 55-152.

Appropriation to which chargeable: 1740910 Retired Pay, Former Lighthouse Service, Coast Guard, 1944

Federal Tax withheld and disposed of in the amount of $1.20, as shown above, represents withholding for the period 1 November to 31 December, 1943. Since notice of death was received subsequent to the settlement of income tax withheld for the year 1943, it has been necessary to deduct this amount from the gross amount due at time of death.

Application for payment of amount due the deceased (Standard Form 1055) is being furnished next of kin.

Very truly yours,

FEB 4 1944 31 78
