July 14, 1928.

Mr. John K. Kinolau,

Through the Commissioner of Lighthouses.

Sir:

You are advised that your salary as keeper in the Lighthouse Service has been changed from $ 1260 per annum to $1200 per annum, effective upon entrance on duty.

No new appointment will be issued to you as a result of this change, and an oath of office is not required.

COMMISSIONER OF LIGHTHOUSES:

Subject: Transfer of Assistant Keeper J. K. Kinolau.

Reference: 19th radio of July 2, 1928.

1. The transfer and demotion of J. K. Kinolau from First Assistant Keeper, Kilauea Point Light Station to Third Assistant Keeper, Makapuu Point Light Station is recommended for the following reasons:-

a. For making false statements regarding incidents which led to letter of caution addressed to him May 18, 1928, (copies forwarded to Bureau same date).

b. For indifferent and antagonistic attitude toward station work required of him.

c. For attempts to influence Second Assistant Keeper against full and proper performance of his duties.

2. The conduct of this keeper has not been sufficiently insubordinate, in the Superintendent's opinion, to warrant charges being preferred. His attitude, however, has been at this station much the same as at other stations where previously employed: indifference, passive resistance to authority, and evasion of his share of station work.

3. Kinolau has been successively: Second Assistant Keeper, then First Assistant Keeper, Makapuu Point Light Station; Assistant Keeper, Barbers Point Light Station; Second Assistant Keeper, Makapuu Point Light Station; First Assistant Keeper, Kilauea Point Light Station. (The last promotion was made because no other qualified employee was available.) In all these positions there has been continuous friction between Kinolau and the principal keepers, due to the attitude already described. He has been cautioned on several occasions, and when transferred from Barbers Point Light Station, he was involved in a protracted investigation of missing station property, it not being possible to definitely establish his personal responsibility.

4. In view of recent changes in pay schedules, the present transfer will not result in decrease of pay. Kinolau now receives $1140. p.a., minimum of his range, and will receive $1200. p.a., the new minimum of the position to which transferred. Such transfer is not in violation of Section 2, Civil Service Rule I.

Sir:

You are advised that on Sunday night May 6th, 1928, Mrs Kinolau wife of the 1st Asst Keeper returned to this station from a visit at 8:15 P.M. bringing with her three visitors, these visitors were taken down to the tower where 1st Asst Kinolau was on watch. They were allowed by Kinolau to go upstairs stay in the watch room, and remained there until the Keeper went down to the tower. Being questioned by the Keeper why visitors were allowed in the tower at that time, he replied that they had just come to visit.

The Keeper relieved Kinolau for 15 minutes and directed him to go and see

the visitors off the station, these directions were carried out.

Kinokau and his wife know that visitors are not allowed after sunset, this is especially true as to visitors being allowed in the tower after the light is in operation.

In addition to the above report this station again calls your attention to the poor spirit shown by Kinokau ever since he has been on this station. He is lazy slow in obeying orders and unreliable. He is unfit for the position of 1st Asst Keeper.

MEMO BY THE SUPERINTENDENT
Relative to
Letter of August 3, of Asst. Keeper, J.K.Kinolau
Barbers Point Light Station

The Superintendent had a personal interview with Additional Keeper Nihoa on August 10, 1925, regarding this matter and his reported conduct at Barbers Point Light Station. The Additional Keeper admitted substantially the facts as reported except that he claimed that the Asst. Keeper started the trouble. Nihoa apologized for his conduct and was given to understand that in future at any station he was to obey the instructions of the keeper in charge of the station and conduct himself without friction with any of the keepers, his efficiency rating depending on reports coming from the various stations at which he was placed on duty.

1. With reference to letter of August 3rd signed by J. K. Kinolau, Asst. Keeper in charge at that time of the station, reporting trouble with the Additional Keeper, you are advised that the Additional Keeper has admitted to the Superintendent that these charges were substantially correct. These facts have been noted on the efficiency record of the Additional Keeper.

2. The Superintendent expects keepers at a station to work together in harmony xx and not only to do each his share of the work but to lend assistance to each other whenever necessary. It should be understood that a keeper's record is hurt when it is shown he is unable to get along x and work well with other keepers.

John K. Kinolau,
1st Assistant Keeper,
Makapuu Point Lightstation,
(Thru the Keeper)

1. Receipt is acknowledged of your report of Jan. 12th, relative to the reasons which caused the light to stop for a period of eighteen minutes during your watch on Dec. 26th,

2. It is unfortunate that this is the third occasion on which the light at Makapuu Point has been reported not showing its proper characteristic, and that on each occasion the trouble has occurred during your watch. The Superintendent is considerably disappointed that you have failed on these occasions to make prompt report of the trouble to the Keeper.

3. With a belief that a change in station will permit you to show a greater appreciation of your responsibility and result in an improvement in efficiency and interest for your work, the Superintendent expects to be able to arrange for your transfer to Molokai Lightstation in the position of 2nd Assistant Keeper at a salary of $780 per annum base pay, which is the same as you are now getting. Molokai Lightstation is a three keeper landfall station, equally as important as Makapuu and will give you the same opportunity for development in the Lighthouse Service. Your quarters there will be as comfortable and attractive as those you now have.

4. Advise promptly thru the keeper whether you will accept this transfer if the Superintendent is able to make the necessary arrangements. In case you go to Molokai Lightstation, transportation for yourself and family and household furnishings will be made by the Lighthouse Tender KUKUI.

1. There are enclosed herewith forms 73a covering transfers of John K. Kinolau, Geo. S. B. Walters and Fred J. Brightman. The transfer of Kinolau was made necessary to fill a vacancy by transfer of Walters from Kilauea due to dissatisfaction among the Keepers. It was first proposed to transfer Walters to Second Assistant at Molokai Light Station, but on account of his family he didn't desire to go and preferred to resign. It was with his mutual consent that he was transferred to 3d Assistant Keeper at Makapuu Point temporarily. In the case of Brightman, he is a qualified radio operator and it was desired to keep him permanently at Makapuu Point in order that radio communication might be maintained between Honolulu and Makapuu.

COMMISSIONER OF LIGHTHOUSES:

1. John K. Kinolau, First Assistant Keeper of Kilauea Point Light Station, has during the calendar year 1927, taken a total of 43 days of annual and sick leave, 24 of which were on account of illness. Kinolau used 13 days in excess of the authorized period. In view of Kinolau's illness which happened at two different times, one time on account of having been hit by an automobile, and another on account of what the doctor told him was appendicitis, it is requested that 13 days in excess of the authorized period be waived in this case.

RLC Bureau of Lighthouses, Washington, D.C., July 13, 1928.

Submitted to the Secretary of Commerce recommending the transfer of John K. Kinolau from 1st Assistant Keeper, Kilauea Point Light Station, at $1260 per annum (Range $1260-1560) to 3rd Assistant Keeper, Makapuu Point Light Station, at $1200 per annum (Range $1200-1500), effective on a date later to be reported. The pay and ranges indicated are the rates proposed for the respective positions under the Welch Act. The Bureau does not concur with the Superintendent as to making this transfer without change in pay, but considers that it should be made at a corresponding step in range in accordance with the keepers' classification system. Further report as to the reason for this disciplinary action will be submitted to the Department in due course.

COMMISSIONER OF LIGHTHOUSES:

Subject: Transfer of Assistant Keeper J. K. Kinolau.

Reference: 19th radio of July 2, 1928.

1. The transfer and demotion of J. K. Kinolau from First Assistant Keeper, Kilauea Point Light Station to Third Assistant Keeper, Makapuu Point Light Station is recommended for the following reasons:-

a. For making false statements regarding incidents which led to letter of caution addressed to him May 18, 1928, (copies forwarded to Bureau same date).

b. For indifferent and antagonistic attitude toward station work required of him.

c. For attempts to influence Second Assistant Keeper against full and proper performance of his duties.

2. The conduct of this keeper has not been sufficiently insubordinate, in the Superintendent's opinion, to warrant charges being preferred. His attitude, however, has been at this station much the same as at other stations where previously employed: indifference, passive resistance to authority, and evasion of his share of station work.

3. Kinolau has been successively: Second Assistant Keeper, then First Assistant Keeper, Makapuu Point Light Station; Assistant Keeper, Barbers Point Light Station; Second Assistant Keeper, Makapuu Point Light Station; First Assistant Keeper, Kilauea Point Light Station. (The last promotion was made because no other qualified employee was available.) In all these positions there has been continuous friction between Kinolau and the principal keepers, due to the attitude already described. He has been cautioned on several occasions, and when transferred from Barbers Point Light Station, he was involved in a protracted investigation of missing station property, it not being possible to definitely establish his personal responsibility.

4. In view of recent changes in pay schedules, the present transfer will not result in decrease of pay. Kinolau now receives $1140. p.a., minimum of his range, and will receive $1200. p.a., the new minimum of the position to which transferred. Such transfer is not in violation of Section 2, Civil Service Rule I.

Involves a reduction of $60 - from $1260 to $1200 -

J. K. KINOLAU,
First Assistant Keeper,
Kilauea Point Light Station,
Kilauea, Kauai.

- Thru the Keeper -

1. It has been reported to the Superintendent that on the night of May 6th, 1928 during your first watch at the light, you permitted three visitors to enter and remain in the tower during that period.

2. You know from your long experience as a Keeper in this Service that visitors are not permitted in the lighthouse after sunset. This infraction of the Regulations will be noted on your record, and you are warned that a repetition will result in disciplinary action.

CHIEF CLERK
1928 AUG 9 PM 3

COMMISSIONER OF LIGHTHOUSES:

Subject: Transfer of Assistant Keeper J. K. Kinolau.

Reference: 19th radio of July 2, 1928.

1. The transfer and demotion of J. K. Kinolau from First Assistant Keeper, Kilauea Point Light Station to Third Assistant Keeper, Makapuu Point Light Station is recommended for the following reasons:-

See Bur. reason 7/14/28.

a. For making false statements regarding incidents which led to letter of caution addressed to him May 18, 1928, (copies forwarded to Bureau same date).

b. For indifferent and antagonistic attitude toward station work required of him.

c. For attempts to influence Second Assistant Keeper against full and proper performance of his duties.

2. The conduct of this keeper has not been sufficiently insubordinate, in the Superintendent's opinion, to warrant charges being preferred. His attitude, however, has been at this station much the same as at other stations where previously employed: indifference, passive resistance to authority, and evasion of his share of station work.

3. Kinolau has been successively: Second Assistant Keeper, then First Assistant Keeper, Makapuu Point Light Station; Assistant Keeper, Barbers Point Light Station; Second Assistant Keeper, Makapuu Point Light Station; First Assistant Keeper, Kilauea Point Light Station. (The last promotion was made because no other qualified employee was available.) In all these positions there has been continuous friction between Kinolau and the principal keepers, due to the attitude already described. He has been cautioned on several occasions, and when transferred from Barbers Point Light Station, he was involved in a protracted investigation of missing station property, it not being possible to definitely establish his personal responsibility.

4. In view of recent changes in pay schedules, the present transfer will not result in decrease of pay. Kinolau now receives $1140. p.a., minimum of his range, and will receive $1200. p.a., the new minimum of the position to which transferred. Such transfer is not in violation of Section 2, Civil Service Rule I.

Per reason 7/14/28.

RLC Bureau of Lighthouses, Washington, D.C., July 13, 1928.

Submitted to the Secretary of Commerce recommending the transfer of John K. Kinolau from 1st Assistant Keeper, Kilauea Point Light Station, at $1260 per annum (Range $1260-1560) to 3rd Assistant Keeper, Makapuu Point Light Station, at $1200 per annum (Range $1200-1500), effective on a date later to be reported. The pay and ranges indicated are the rates proposed for the respective positions under the Welch Act. The Bureau does not concur with the Superintendent as to making this transfer without change in pay, but considers that it should be made at a corresponding step in range in accordance with the keepers' classification system. Further report as to the reason for this disciplinary action will be submitted to the Department in due course.
