This office has previously reported that David O. Dear Sir: RE: Misc-2880536-DRH

Reference is made to your letter of April 21, 1948, transmitting claim in the interest of David O. Kinyon, Post Office Box 142, Carbonado, Washington, for overtime compensation alleged to be due from 1934 to June 30, 1939, as a former employee of the Lighthouse Service and the Coast Guard.

It appears that Mr. Kinyon bases his claim for additional compensation on the belief that during the period referred to, his hours of duty were governed by the provisions of the forty-hour week statute of March 28, 1934.

You are advised that since Sec. 23 of the Act of March 28, 1934, established a forty-hour work week for employees in the trades and occupations whose rates of pay were fixed by wage boards or other wage-fixing authorities, it did not apply to personnel in other kinds of work, such as Lighthouse Keeper. As a Keeper, Mr. Kinyon was employed on a per annum basis (see Act of August 26, 1937, 50 Stat. 840). There was no provision in law or otherwise for the payment of overtime to keepers prior to Public Law 821, 77th Congress, approved December 22, 1942.

Since Mr. Kinyon was retired from the Lighthouse Service at the close of May 31, 1939, there is no additional compensation due him and his claim is returned herewith.

Very truly yours

Supt.

Mr. David O. Kinyon, Keeper, Tree Point Light Station, Alaska.
(Through Superintendent of Lighthouses).

1. Referring to previous correspondence in regard to your desire to be transferred to the position of keeper or assistant keeper in the 17th Lighthouse District, and particularly to the Superintendent's letter of June 22, 1925:

2. There is now a vacancy in the position of Assistant Keeper at Ediz Hook Light Station, Wash. (a two-keeper station). The salary range of the position of Assistant Keeper is $1200 to $1440. As you are in the fourth step of the range of compensation in the position which you occupy at Tree Point, your salary at Ediz Hook, if transferred, would be $1380 per annum. There is a station launch which could be used, weather permitting, etc., in connection with attendance at school for children. There are also bus facilities from the station to the schools, the station being about 1-1/2 miles distant from the bus line.

3. There is also a vacancy in the position of Assistant Keeper at Coquille River Light Station, Oreg. (a two-keeper station). The range of pay for this position is $1140 to $1380, and your pay, if transferred thereto, would be in the fourth step of that range, namely $1320 per annum. It will be necessary to cross the river with the station launch in order to permit taking advantage of school facilities in this vicinity. Both this station and Ediz Hook Light Station have quarters for families.

4. Please answer promptly whether or not you desire transfer to one of these stations, and if so state which one. Send your reply through the 16th Superintendent who will be asked by this office to state when it would be permissible, in case you should be selected for appointment to one of those positions, for you to be transferred. Please also advise date of birth, legal residence and whether there are any members of your family in the Government service, and if so the positions they occupy and the relationship. Upon receipt of the information called for further consideration will be given by the Superintendent to your transfer. Other applicants are also being considered for the filling of these two vacancies.
