June 14, 1937.

Director, Veterans Claims Service,

Washington, D. C.

Dear Sir:

Attention: Miss A. S. Nevitt, Record Verification Unit.

In reference to your letter of May 27 (MCB-Bc. C-988,785), addressed to the U. S. Maritime Commission, regarding the service of Mr. Gus Ohman in 1898, which letter was referred to this office in view of the fact that the tender PHAROS was a vessel of this Service.

A search of the available records of the Lighthouse Service do not disclose any employment of Gus Ohman who alleges service as a seaman on the U. S. Lighthouse Tender PHAROS from May 1 to September 1, 1898. The reason for failing to find record of service is possibly because seamen were then as now unappointed personnel and records of their service were not retained indefinitely. Should your office desire verification of the service claimed by search of the payrolls on file in the General Accounting Office, the disbursing officer who paid the compensation of the crew of PHAROS during the period in question was Major E. H. Ruffner, Corps of Engineers U. S. Army, Charleston, S. C.

The records of this Bureau indicate that during the War with Spain the tender PHAROS on which services are claimed in this instance was detailed as a torpedo guard boat about May 1, 1898, from which duty she was relieved about September 1, 1898. It does not appear precisely what the military status of this vessel was by reason of its detail as a torpedo guard boat.

Respectfully,
