INSTRUCTIONS

The nominee's name (include full Christian name and middle initial or initials, if any) should be correctly spelled and the official name of the position and station accurately stated. In nominating a person already in the Lighthouse Service his last appointment should be examined for official name of position, station, salary, etc.

In case a nominee's legal residence as stated on this nomination is different from that contained in his last appointment, or is different from that stated on the eligible register if the nomination is for probationary appointment, a statement to that effect should be made under "Remarks."

The instructions in regard to transfers of employees, as set forth in Regulations, 1918, article 465, should be carefully followed.

Under "Action recommended" indicate clearly the kind of appointment desired, as temporary, probationary, etc. If temporary, indicate under that heading or under "Remarks" the period for which appointment is desired and the necessity therefor.

If a license from the Steamboat Inspection Service is required for the position to which appointment is recommended, state grade, waters, and tonnage covered by the license, and whether or not the same is sufficient to cover the position.

When it is proposed to fill a new position, indicate the fact by inserting, after the words "Previous incumbent," the words "New position," and give the date of Department letter. Always ascertain that proper report or recommendation for the disposition of the services of the previous incumbent has been made before submitting recommendation for the appointment of a successor.

In recommending the reinstatement, or original appointment, of a person whose papers show that he has already served under some branch of the Department of Commerce, include a brief note of that fact on the nomination.

Recommendation for permanent or temporary appointment or extension of appointment to positions for which eligible registers are maintained by the Civil Service Commission at Washington, D. C., or for appointment to excepted positions, or for transfer, promotion, reduction, or reinstatement, shall not be forwarded through the civil service district secretary, but all other recommendations for permanent or temporary appointment or extension shall be forwarded through the district secretary.

When a person recommended for probationary appointment, or reinstatement, states that he has two or more members of his family in the Government service, he should be directed to properly fill out civil service Form No. 1769, which should be forwarded with the nomination.

When a person recommended for reinstatement has been out of the service over one year, Form 381, supplemental, should be submitted in duplicate.

In recommending the probationary appointment of a keeper, state under "Remarks" whether or not quarters are furnished by the Government for his family.

After "Other eligibles considered" superintendents will state the names of the eligibles who "declined" or "failed to reply," and those who were merely considered without other action," and will indicate the same after each name by the use of the key terms "D," "FR," and "C," respectively.

Opposite "Rank on eligible list" superintendents will state whether the person recommended stands first, second, or third, as the case may be, of the eligibles available for appointment to the position in question.

In submitting nominations for temporary appointment, state under "Remarks" whether or not the work is job employment, and, if job employment, make certificate that upon completion of the work the services of a person in the position will no longer be required. INSTRUCTIONS

The nominee's name (include full Christian name and middle initial or initials, if any) should be correctly spelled and the official name of the position and station accurately stated. In nominating a person already in the Lighthouse Service his last appointment should be examined for official name of position, station, salary, etc.

In case a nominee's legal residence as stated on [redacted] nomination is different from that contained in his last appointment, or is different from that stated on the eligible register if the nomination is for probationary appointment, a statement to that effect should be made under "Remarks."

The instructions in regard to transfers of employees, as set forth in Regulations, 1918, article 465, should be carefully followed.

Under "Action recommended" indicate clearly the kind of appointment desired, as temporary, probationary, etc. If temporary, indicate under that heading or under "Remarks" the period for which appointment is desired and the necessity therefor.

If a license from the Steamboat Inspection Service is required for the position to which appointment is recommended, state grade, waters, and tonnage covered by the license, and whether or not the same is sufficient to cover the position.

When it is proposed to fill a new position, indicate the fact by inserting, after the words "Previous incumbent," the words "New position," and give the date of Department letter. Always ascertain that proper report or recommendation for the disposition of the services of the previous incumbent has been made before submitting recommendation for the appointment of a successor.

In recommending the reinstatement, or original appointment, of a person whose papers show that he has already served under some branch of the Department of Commerce, include a brief note of that fact on the nomination.

Recommendation for permanent or temporary appointment or extension of appointment to positions for which eligible registers are maintained by the Civil Service Commission at Washington, D. C., or for appointment to excepted positions, or for transfer, promotion, reduction, or reinstatement, shall not be forwarded through the civil service district secretary, but all other recommendations for permanent or temporary appointment or extension shall be forwarded through the district secretary.

When a person recommended for probationary appointment, or reinstatement, states that he has two or more members of his family in the Government service, he should be directed to properly fill out civil service Form No. 1769, which should be forwarded with the nomination.

When a person recommended for reinstatement has been out of the service over one year, Form 381, supplemental, should be submitted in duplicate.

In recommending the probationary appointment of a keeper, state under "Remarks" whether or not quarters are furnished by the Government for his family.

After "Other eligibles considered" superintendents will state the names of the eligibles who "declined" or "failed to reply," and those "who were merely considered without other action," and will indicate the same after each name by the use of the key terms "D," "FR," and "C," respectively.

Opposite "Rank on eligible list" superintendents will state whether the person recommended stands first, second, or third, as the case may be, of the eligibles available for appointment to the position in question.

In submitting nominations for temporary appointment, state under "Remarks" whether or not the work is job employment, and, if job employment, make certificate that upon completion of the work the services of a person in the position will no longer be required. State also as definitely as possible the period for which the services of the person will be needed.

INSTRUCTIONS

The nominee's name (include full Christian name and middle initial or initials, if any) should be correctly spelled and the official name of the position and station accurately stated. In nominating a person already in the Lighthouse Service his last appointment should be examined for official name of position, station, salary, etc.

In case a nominee's legal residence as stated on this nomination is different from that contained in his last appointment, or is different from that stated on the eligible register if the nomination is for probationary appointment, a statement to that effect should be made under "Remarks."

The instructions in regard to transfers of employees, as set forth in Regulations, 1918, article 465, should be carefully followed.

Under "Action recommended" indicate clearly the kind of appointment desired, as temporary, probationary, etc. If temporary, indicate under that heading or under "Remarks" the period for which appointment is desired and the necessity therefor.

If a license from the Steamboat Inspection Service is required for the position to which appointment is recommended, state grade, waters, and tonnage covered by the license, and whether or not the same is sufficient to cover the position.

When it is proposed to fill a new position, indicate the fact by inserting, after the words "Previous incumbent," the words "New position," and give the date of Department letter. Always ascertain that proper report or recommendation for the disposition of the services of the previous incumbent has been made before submitting recommendation for the appointment of a successor.

In recommending the reinstatement, or original appointment, of a person whose papers show that he has already served under some branch of the Department of Commerce, include a brief note of that fact on the nomination.

Recommendation for permanent or temporary appointment or extension of appointment to positions for which eligible registers are maintained by the Civil Service Commission at Washington, D. C., or for appointment to excepted positions, or for transfer, promotion, reduction, or reinstatement, shall not be forwarded through the civil-service district secretary, but all other recommendations for permanent or temporary appointment or extension shall be forwarded through the district secretary.

When a person recommended for probationary or excepted appointment, or reinstatement, states that he has two or more members of his family in the Government service, he should be directed to properly fill out civil-service Form No. 1769, which should be forwarded with the nomination.

In recommending the probationary appointment of a keeper, state under "Remarks" whether or not quarters are furnished by the Government for his family.

After "Other eligibles considered" superintendents will state the names of the eligibles who "declined" or "failed to reply," and those "who were merely considered without other action," and will indicate the same after each name by the use of the key terms "D," "FR," and "C," respectively.

Opposite "Rank on eligible list" superintendents will state whether the person recommended stands first, second or third, as the case may be, of the eligibles available for appointment to the position in question.

In making certification for eligibles for temporary appointment, or requesting approval for temporary appointment outside the register, state under "Remarks" whether or not the work is job employment, and, if job employment, make certificate that upon completion of the work the services of a person in the position will no longer be required. State also as definitely as possible the period for which the services of the person will be needed.

Dear Madam:

In reference to your letter of July 21, which was referred to this office by the U. S. Information Service, this city, regarding a pension for yourself on account of your husband's service in the Lighthouse Service:

There is no provision of law for the pensioning of widows or other dependents of deceased employees, except in case the employee's death results from injury sustained in line of duty, in which case the Employees' Compensation Act provides for compensation to such dependents under certain conditions. It does not appear, however, that Mr. Peeples' death was a result of injury sustained in line of duty.

Dear Sir:

I have before me your letter of August 5, 1936, to Mrs. G. H. Peeples, Corsicanna, Texas.

I am interested in Mrs. Peeples who is now living in Galveston, Texas. She tells me that for many years a certain per cent was taken out of her husband's check, from month to month, in the Lighthouse Service, for insurance or pension. It does seem to me that she should be entitled to the amount he paid out. This lady is absolutely without funds and has four small children dependent upon her. If there is any way for her to recover the amount her husband paid into the government for pension I wish you would let me know, so that we may proceed in the proper way to recover the same. This is purely a labor of love on my part. Please let me hear from you.

Does Pl refer to deductions? legislation pd. Probably so - Did Peeples ever pay any? Send Pet form under Govt portion ?

Hon. Harold D. King,
Commissioner of Lighthouses,
Department of Commerce.

Dear Mr. King: 9/2 Answd. Copy to 8th

I am writing regarding the case of Guy H. Peebles, whose widow resides at 1718 Avenue M-1/2, Galveston, Texas.

Mr. Peebles was an employee of the United States Lighthouse Service for about 17 years, I am advised. He died recently and his widow wishes to file claim for refund of money deducted from his pay for the retirement fund. Please be good enough to look into this case, and if claim has not yet been filed, furnish the necessary blank forms.

The matter was taken up with the Civil Service Commission, but it will be seen from enclosed copy of letter just received from President Mitchell that inquiry should be made of the Lighthouse Service.

Thanking you, and awaiting your advices in the matter, I am,

Sincerely yours,

J. J. Mansfield

Dear Mr. Mansfield:

In reference to your letter of August 31, in the interest of the widow of Mr. G. H. Peeples, who resides at 1718 Avenue M-1/2, Galveston, Texas:

The Bureau is in receipt of another inquiry in the interest of Mrs. Peeples and the Bureau is inclosing for your information a copy of a letter addressed to the Rev. W. H. Bryan in the matter, from which you will see that there were no deductions made on account of retirement while Mr. Peeples was employed as a keeper in the Lighthouse Service.

Very truly yours,

Commissioner of Lighthouses.

Dear Dr. Bryan:

Receipt is acknowledged of your letter of August 28, 1936, regarding the case of Mrs. G. H. Peeples of Corsicana, Texas, widow of a former lighthouse keeper, recently deceased.

As to any deductions from Mr. Peeples' pay, for insurance or pension, this office is constrained to believe that Mrs. Peeples is mistaken, at least so far as pertains to his service as a lighthouse keeper, since lighthouse keepers are beneficiaries of the Lighthouse Service Retirement Act, which requires no contributions from employees subject to it. However, if Mrs. Peeples is able to present any evidence on this point that may be verified, this office would be glad to look into the matter further.

In case Mr. Peeples had other Government service beside that of lighthouse keeper, subsequent to August 1, 1920, it is possible that such service may have been in a position subject to the civil service retirement laws, in which case percentage deductions from pay would have been made, which if not previously refunded, would now be subject to refund to his proper representative. However, a letter dated August 27, from the President, U. S. Civil Service Commission, to Hon. J. J. Mansfield, does not indicate that there was such service.

The statement of Mrs. Peeples is noted that Mr. Peeples worked seventeen years in Government work. His actual service as a lighthouse keeper was slightly over eleven years; for while his first appointment was in May, 1920, there were three periods when he was out of the service, aggregating nearly five years.

It may be explained that from July 1, 1932, to March 31, 1935, Congress reduced the pay of Government employees for reasons of economy, and during this period percentage deductions in differing amounts were made in the pay checks of lighthouse keepers as well as others. This may possibly be the deductions which Mrs. Peeples has in mind, but these were straight pay reductions, not refundable, and were not for "insurance or pension".

This office appreciates your interest in the case and sincerely sympathizes with Mrs. Peeples, but regrets that it is not in its power to provide any relief. It is not known to this office what provision, if any, is made in Texas for widows' or mothers' pensions or other local relief, of which

no doubt advantage would be taken as may be available.

Very truly yours,

For the Commissioner:
