Justification for Filling Vacancy under Authority of the Act Approved June 30, 1932.

Lighthouses, 17th District, Portland, Oregon

Position:
Keeper

Compensation:
$1560 ($1560-1920) per annum

net P.C. increase

John Petersen vice E.E. Day

Location:
Destruction Island Lightstation, Wash.

Appropriation:
Salaries, Keepers of Lighthouses

Date of Vacancy:
Transfer of incumbent pending

Justification:
This vacancy will result from the reassignment of the present incumbent without increase in his present pay of $1560.

The complement necessary for the operation of this station is four keepers, and the filling of this vacancy is necessary in order to maintain the complement at a minimum strength. This position requires the performance of duties directly concerned with the maintenance and/or operation of aids to navigation which must be either in actual operation or ready for immediate service at all times. In order that this service may continue without interruption, it is absolutely essential that the position be filled. The nonfilling of the position would interfere with the functioning of the aids and add to the hazards of navigation, thereby producing conditions endangering life and property.

It is proposed to fill this vacancy by promotion of another keeper at this station, with increase in pay from $1380 to $1560 per annum. Separate justification is submitted for filling the resulting vacancy.

Filling this pos. auth by Dec. letter of 10/27, having been pub. in connection with proposed tr. of Merrill D. Spencer from which was later cancelled. Spencer promoted to Kpr. at Pt. Wilson

My dear Mrs. Petersen:

Reference is made to your letter of 7 January, 1948 requesting to be advised if you are eligible to receive a widow's pension based on the service of your husband, John Petersen, civilian employee, Mukilteo Light Station, United States Coast Guard.

Please be advised that an award of pension is made only to dependents of deceased military personnel. Since the records at Headquarters indicate that your husband's entire service was in the capacity of a civilian employee, this benefit is not available to you. However, should you have knowledge that your husband served in one of the armed forces prior to his employment in the United States Coast Guard, it is suggested that you communicate with the Widows and Dependents Claim Service, Veterans Administration, Washington, D. C. and submit evidence of your husband's military service. The Veterans Administration has sole jurisdiction in the awarding of pensions.

In reply to your request that the $20.00 per month rent paid by your husband while serving as a keeper be refunded, you are advised that this amount was in payment of quarters furnished by the Government for the use of your husband. There is no provision under the law whereby this sum may be refunded upon the death of the employee.

By direction of the Commandant.

Very truly yours,

re: Your late husband Mr. John Peterson

Dear Madam:

Your letter dated November 21, 1949, and addressed to the Claims Division, General Accounting Office, has been referred to this office for reply inasmuch as the Coast Guard administers the provisions of the Lighthouse Retirement Act of June 20, 1918, as amended.

The record shows that your husband, John Peterson, was employed as a Keeper by the former Lighthouse Service and the Coast Guard from July 26, 1927 until his death April 26, 1946. During the entire period of this employment he was covered by the provisions of the Lighthouse Retirement Act.

Under that Act no deductions are made from an employee's salary for retirement purposes, retirement under the Act being in effect an award for faithful service. Consequently there is no money or "fund" to the credit of such employees nor is there any provision for the payment of a pension of any kind to the widows or dependents of employees covered by that Act.

There has been no recent legislation passed to authorize the payment of pensions to widows of employees covered by the Lighthouse Retirement Act.

Gentlemen:

My name is Anna Peterson and I am the widow of John Peterson who served as lighthouse keeper for many years. He had service at Destruction Island, Cape Mears and Mukilteo.

I understand that there is now a pension for widows of the light-house keepers. I would like to know if I am entitled to anything under this new law.

I also wrote you in Nov. 1948 regarding refund on rent that I thought might be due me. I had a letter from you dated Nov. 17, 1948 - carrying this reference - Misc. 2286643-BCW. -saying that you would look into my claim. I have never heard from you since.

My husband's full name was John Peter Jorgen Peterson - his birthdate 5/16/83, His service number on his Coast Guard Identification card is 6094-110 - Coast Guard Reserve.

May I hear from you soon.

Sincerely yours,

Excellent (E) means that performance in every important phase of the work was outstanding and there was no weakness in performance in any respect.
Very Good (VG) means that performance in at least half of the important phases of the work was outstanding and there was no weakness in performance in any respect.
Good (G) means that performance met requirements from an over-all point of view.

Inspection and Appeals

If you have any question regarding your efficiency rating, it is suggested that you discuss the matter with your immediate supervisor. Your efficiency rating sheet (Standard Form 51, Revised), or a copy of it, will be made available to you for inspection, if you request it of your supervisor or the personnel officer. Such a request is not considered as an appeal. You are also entitled to see the final ratings (not the rating forms) of all employees in your office or station. Information on appeals may be secured from your supervisor or personnel office. There are time limits governing the filing of appeals.

U. S. GOVERNMENT PRINTING OFFICE 16—38834-1

Significance of Efficiency Ratings

The salary advancement act provides for successive salary advancements based on several factors, one of which is efficiency ratings. Ratings of "Good" permit periodic salary advancement by successive steps up to and including the middle rate for the grade (the fourth step in six rate grades), and ratings of "Very Good" and "Excellent" permit periodic salary advancement by successive steps above the middle rate of the grade.
The rate of compensation of an employee whose efficiency rating is "Fair" must be reduced one salary step if his rate of compensation is above the middle rate. If the rate of compensation is equal to or below such middle salary rate, it is not subject to reduction on that account.
An employee whose efficiency rating is "Unsatisfactory" is not permitted to remain in his position. He must be assigned to a position more nearly commensurate with his ability, either (1) in the same line of work, in which case the position must be in a lower classification grade and his rate of compensation must not be in excess of the middle ra... in grade, or (2) in some other line of work for which he is ... which case he is considered as having received a new appoin... extent that his rate of compensation must be at the minir... such grade and he must begin a new probationary period; ... able vacancy is available he must be separated from the serv... ciency. A probationary employee, assigned to a position of ... fication grade, begins a new probationary period in the n...

Dear Sirs:

This is to inform you that Mr. John Petersen, Keeper at Mukilteo Light Station, died 26 April, 1946. His widow, Anna Petersen, 316 West 53rd, Seattle 7, Wash., has been furnished Standard Forms 1055.

This is $44.19 for 5 work days plus a correction of $2.92 for a within-grade increase of $66.00 p.a. which was effective 7 April, 1946, and not paid on the 7-21 April, 1946 pay roll, D.O. The amounts of 70¢ for tax and $4.62 for quarters were withheld from the $47.11. His salary is not subject to retirement deductions. IN REPLY PLEASE QUOTE

Misc-2286643-BCW

October 14, 1946.

District Coast Guard Officer,
Thirteenth Naval District,
Seattle 4, Washington.

Sir:

Returned herewith for administrative reexamination and report is the pertinent file in connection with the claim of Anna Petersen, 316 West 53rd Street, Seattle, Washington, for an amount alleged to be due the estate of John Petersen, deceased, former employee of the United States Coast Guard, Mukilteo Light Station.

In view of the penultimate paragraph of your letter dated May 31, 1946, indicating that the account was last stated on D. O. Voucher 12631, May 1946, paid by W. C. Carber, symbol 55-199, it would appear that the checks were drawn to cover the amount for lump-sum payment for annual leave pursuant to the Act of December 21, 1944, Public Law 525 (58 Stat. 845) and the amount for last salary including adjustment of increased compensation. If this construction is correct, the checks drawn should be forwarded and if not in your possession, the description thereof and disposition made should be furnished.

In the event no checks were drawn for the net amount due the decedent's estate, a short form pay roll should be furnished indicating the amount due, period covered, rate of pay, deductions made and disposition thereof, together with the appropriation to be chargeable in each instance. Further, the amount of $2.92 adjustment of increased salary for April 7 to 20, 1946 appears to be in error in which event a verification of the period and amount involved should be made and supplemental report furnished as to the correct amount due and period covered. Number of hours of unused annual leave on last day of active duty should be stated.

The above information should be furnished together with the return of the enclosures.

Respectfully,

P. E. Rours

Chief of Section.

Enclosures.

INFORMATION FOR NOMINATING OR APPOINTING OFFICERS

Section 3 of the act approved April 27, 1938, making appropriations for the Department of Commerce, etc., provides that - -

"No part of any appropriation contained in this Act or authorized hereby to be expended shall be used to pay the compensation of any officer or employee of the Government of the United States, . . . whose post of duty is in continental United States unless such officer or employee is a citizen of the United States or a person in the service of the United States on the date of the approval of this Act who being eligible for citizenship has filed a declaration of intention to become a citizen or who owes allegiance to the United States: . . ."

In effect, the above quoted provision prohibits the appointment within continental United States of persons who are not citizens of the United States, excepting those who on April 27, 1938, were in the service of the United States and (a) who on or before that date had filed a declaration of intention to become a citizen, which has not become invalid; or (b) owe allegiance to the United States (Filipinos).

Nominating or appointing officers should carefully ascertain from all applicants (except those certified from registers maintained by the Civil Service Commission) for positions in continental United States, whether they are citizens of the United States or, if noncitizens, they fall within either exception (a) or (b). Statements by applicants that they were in the service of the United States on April 27, 1938, must be verified. Doubtful cases should be referred with a full statement of facts, through official channels, to the Department.

NOTE: THE MAKING OR POSSESSION OF A COPY OF NATURALIZATION CERTIFICATE IS A FELONY PUNISHABLE BY FINE OF $10,000 OR IMPRISONMENT FOR 10 YEARS, OR BOTH. (18 USC 137)

INFORMATION FOR NOMINATING OR APPOINTING OFFICERS

Section 3 of the act approved April 27, 1938, making appropriations for the Department of Commerce, etc., provides that - -

"No part of any appropriation contained in this Act or authorized hereby to be expended shall be used to pay the compensation of any officer or employee of the Government of the United States, . . . whose post of duty is in continental United States unless such officer or employee is a citizen of the United States or a person in the service of the United States on the date of the approval of this Act who being eligible for citizenship has filed a declaration of intention to become a citizen or who owes allegiance to the United States: . . ."

In effect, the above quoted provision prohibits the appointment within continental United States of persons who are not citizens of the United States, excepting those who on April 27, 1938, were in the service of the United States and (a) who on or before that date had filed a declaration of intention to become a citizen, which has not become invalid; or (b) owe allegiance to the United States (Filipinos).

Nominating or appointing officers should carefully ascertain from all applicants (except those certified from registers maintained by the Civil Service Commission) for positions in continental United States, whether they are citizens of the United States or, if noncitizens, they fall within either exception (a) or (b). Statements by applicants that they were in the service of the United States on April 27, 1938, must be verified. Doubtful cases should be referred with a full statement of facts, through official channels, to the Department.

NOTE: THE MAKING OR POSSESSION OF A COPY OF NATURALIZATION CERTIFICATE IS A FELONY PUNISHABLE BY FINE OF $10,000 OR IMPRISONMENT FOR 10 YEARS, OR BOTH. (18 USC 137)

Sir:

1. It is requested that you fill out the enclosed efficiency report regarding Mr. William H. Sheldon, 2nd Assistant Keeper, Destruction Island Light Station who is now serving on a probationary appointment. It is understood that Mr. Sheldon has a physical defect due to the removal of a bone in the right foot causing moderate impairment of function. It is requested that you particularly advise whether this impairment interferes in any way with carrying out his duties as lighthouse keeper. A waiver has been issued by the Civil Service Commission in approving his probational appointment in the following language, but a report is required at this time to indicate what interference the physical defect may have in the carrying out of the required duties. The Commission's report is as follows:
"The physical examination accorded Mr. Sheldon in accordance with his proposed appointment disclosed that he was otherwise in good physical condition and in view of his status as a disabled veteran, in whose case the physical requirement may be waived, and the further fact that he has already been assigned to duty at an isolated light station, the District Manager was authorized to approve the probational appointment.
In passing on Mr. Sheldon's physical condition, consideration was given to the fact that the register from which Mr. Sheldon was appointed was established as a result of an examination held prior to the revision of the examination requirements for Assistant Keeper position and before the adoption of the physical standard now prescribed for this particular examination."

Dear Sir:

In reply to your letter of October 14, 1938, in which you request information concerning the nature of the illness in the case of John Petersen and the period of time considered necessary for him ~~to remain under~~ hospital and outpatient treatment, we wish to advise you that the diagnosis in this case is pernicious anemia. It is our opinion that he will not be able to return to his usual duties for several weeks.

It may not be necessary that he remain in the hospital longer than two weeks from this date, but he should continue his treatment as an outpatient under medical supervision for several weeks.

Yours very truly,

Receipt is acknowledged of your letter of March 5, 1938 making application for transfer to the position of Keeper of West Point Light Station.

Arrangements have already been completed for filling the prospective vacancy at that station.

Your statement as to your reason for requesting transfer in this case has been noted and you will be given consideration, along with others, in filling of any future vacancies at less isolated stations. Seniority is the guiding factor in selecting keepers for transfer to more desirable stations, efficiency and all other things being equal.

Justification for Filling Vacancy under Authority of the Act approved June 30, 1932.

Portland, Oregon, Oct. 20, 1932

Bureau or Office: 17th Lighthouse District

Position: Keeper, Lighthouse Service

Compensation: $1560.00 per annum

Location: Destruction Island Light Station, Wash.

Appropriation: Salaries, Keepers of Lighthouses, 1933

Date of Vacancy: October 31, 1932, or as soon thereafter as practicable.

Justification: This vacancy will be caused by the transfer of Ernest E. Day to Keeper, Lime Kiln Light Station.

Destruction Island Light Station is a primary seacoast station located on an island off the coast of Washington. It is a four-keeper station and is equipped with a light and fog signal.
