Attention: C. Baird Penzien

Dear Sir:

Receipt is acknowledged of your letter dated 10 April 1962 requesting a record of the military service performed by George Martin Schindehette, Keeper, former Lighthouse Service, now United States Coast Guard, Retired.

The records available at Coast Guard Headquarters show that Mr. Schindehette served in the former Lighthouse Service from 8 May 1908 through 31 December 1934 when he was retired at Cleveland, Ohio, by reason of physical disability. His entire service in the former Lighthouse Service was in a civilian capacity. Mr. Schindehette's personnel record fails to contain any information that he had active military or naval service which would establish entitlement to benefits administered by the Veterans Administration.

The records further show that Mr. Schindehette was born on 7 September 1869 in Michigan.

Very truly yours,

J. F. BILLS
Captain, U. S. Coast Guard
Chief, Special Services Division

Mrs. Ruth Morrison

Bay City, Michigan

My dear Mrs. Morrison:

Receipt is acknowledged of a letter from the United States Public Health Service Hospital, Detroit, Michigan advising this office of the death of your uncle, George M. Schindehette, former Lighthouse Service, now United States Coast Guard, Retired.

It is requested that a certified copy of the certificate of death be forwarded to Coast Guard Headquarters for our records.

At the time of death there was due your uncle retired pay for the period 1 - 7 February 1962. Retirement benefits paid by the Coast Guard cease at the death of a retired member.

The records at Headquarters fail to reveal any evidence that your uncle designated a beneficiary to receive the retired pay due on the date of his death. Therefore, in accordance with the existing laws, payment of the accrued retired pay must be made to his survivors in the following order of precedence:

1. Widow
2. Child or children in equal shares
3. Parents
4. Legal representative
5. Heirs at law

If your uncle is not survived by a widow, child, children or parents, then the administrator of his estate or heirs at law should complete the enclosed Forms No. SF-1155, "Claim for Unpaid Compensation of Deceased Civilian Employee (no designated beneficiary or surviving spouse)". Proof that there is no surviving widow, children or parents must be submitted with the claim. These forms are to be completed in the presence of two witnesses. The original and two copies of the claim together with the copy of this letter should be returned to Commandant (PS-1). If the funeral expenses have been paid a bill receipted by the undertaker should be forwarded, otherwise, the undertaker should sign the enclosed waiver form. A copy of the court order is required to support the claim as administrator of the estate. If the claim is made by the heirs at law, evidence should be submitted that the courts did not require the appointment of a legal representative.

LCR

When the enclosed forms have been completed, return them to Commandant (PS-1) in the enclosed pre-addressed envelope.

Sincerely yours,

J. F. BILLS
Captain, U. S. Coast Guard

In regard to your letter of the 3rd, inst., will state that owing to the condition of my hands I would not be able to crank the Westinghouse enging for a few days in case it was needed should Mr. Schindehette be temporarily transferred to the Port Austin Reef Light-Station. Further, the watch now is between 12 and 13 hours and before the close of the season it will be between 15 and 16 hours which is more than one man should attempt to stand physicially and faithfully, for many nights.

If this light were equipped with an alarm system then it could be done reasonably well, for any length of time.

Respectfully,
Peter L. Richards, Keeper.

Port Hope, Mich.,

P.S.

For two weeks Mr. Schindehette has complained of a pain on the side of his head and it appears to have effected his hearing and I do not believe he is physicially able to be transferred to station mentioned above.

Defective Vision, Asst. Keeper Schindehette,
Pointe aux Barques Light Station. December 18, 1931

Ballowny note

Memorandum:

In view of reports reaching this office as to the defective vision of the first assistant keeper at Pointe aux Barques Light Station, Mr. George M. Schindehette, the Superintendent made inquiry when at the station on December 16th both of Mr. Schindehette and the keeper of the station in regard to this matter.

In response to inquiry relative to Schindehette's work at the station, the keeper stated that he was very willing and ready to do any work assigned him, but because of defective vision it was not his practice to assign to the assistant work of painting, etc. He also stated that it appeared to be difficult for Schindehette to clean the lens properly because of inability to see where cleaning was especially needed. He also stated that it was not the assistant's practice to wear glasses in doing work at the station.

Schindehette was asked directly whether or not his vision was defective to an extent which interfered with his doing his share of the work at the station. He was of the opinion that it did not interfere to that extent. He stated that he had glasses for reading, but did not have them for other purposes and would have to get them. His inability to see well without glasses is very evident through failure to recognize persons promptly or obstacles quite close to him. He was informed that the office felt it to be his duty whenever he was convinced of his inability to do a full share of the station work to so report in fairness to the Service and to the keeper. He was also advised that if, as a doctor making a previous examination stated, his sight was corrected by the proper glasses, he should provide himself with glasses needed in doing the work at the station. He was informed as to the provisions of the retirement act for retirement in case of disability and stated that he anticipated requesting disability retirement probably in about another year, also that he would request it at any time when he found that he was unable to perform his proper share of the station work. He further stated, in response to inquiry, that he had no dependents of any kind, but that he had obligations carried over from his wife's death and illness that he would like to get paid before retiremen.

He was advised that it was not the intention of this office to request his retirement, but that the matter was being explained to him in view of reports that had been received relative to his defective vision, and that this office felt that he should himself, at the proper time, take the necessary steps to request retirement when unable to perform duty. The matter was so left for the present.

CHAS. A. PARK,
Superintendent of Lighthouses.

Memorandum re Schindehette.

Copy to Keeper, Pointe aux Barques Light Station, for his information and file. You are requested to make a report in regard to Mr. Schindehette on June 1, 1932, stating whether or not he has provided himself with glasses to be used in connection with his work, and also what the condition of his sight is at that time so far as you are able to observe. State to what extent, if any, he is unable to perform his proper share of the duties at the station.

1. Referring to your application for transfer to the position of Assistant Keeper at Thunder Bay Island Light Station upon the retirement of present Assistant Keeper Mr. Ferguson.

2. You are advised that this office is agreeable to the transfer, except that a serious question is involved as to your physical ability to safely discharge the duties of that position. As you were advised at the time you were at this office recently, the work at Thunder Bay Island consists largely in the handling of machinery used in compressing air for the fog signal, generating electric current for the radiobeacon system, etc. This office has understood that your eye sight is very bad and does not desire to transfer you to a position where injury to yourself might result.

3. The duties at Thunder Bay Island are such that they cannot be safely discharged by an employee whose eyesight is greatly deficient and not entirely corrected by glasses. From such inquiry as has been made I would not feel justified therefore in transferring you to Thunder Bay Island Light Station unless you were to furnish this office with a doctor's certificate or report of examination indicating that you were physically able in the matter of eye sight to discharge the duties. In case you would find it practicable to submit such a report from a physician it is requested that you do so at once.

1. The first assistant at your station, Mr. Schindehette, has applied for transfer to Thunder Bay Island. It will be practicable to transfer him provided he is able to perform the duties of first assistant at that station. There is considerable machinery at Thunder Bay Island station consisting of Chicago Pneumatic Tool Company compressors, small electric generators and radio transmitters. It is known that Mr.Schindehette's eyesight is not particularly good and it is not desired to assign him to duties of attending such machinery unless his physical condition issuch as to make it possible for him to do it safely.

2. You are requested to advise this office at once, confidentially, your opinion as to the state of Mr. Schindehette's vision giving your opinion as to whether or not he could safely discharge the duties of operating fog signal machinery.

1. Referring to Department communication of May 29, 1925, (Form A-21) notifying George M. Schindehette, of increase in salary from $1140 to $1320 per annum in connection with his transfer from Keeper (Asst.) at Saginaw River Range Light Station to Keeper (1st Asst.) of Crisp Point Light Station, Michigan, to be effective June 15, 1925, or as soon thereafter as he enters on duty:

2. It has been discovered that nomination submitted by this office under date of May 27, 1925, gave the range as $1140-1380 per annum, which should have been $1200-1440 per annum for the position of First Assistant Keeper at Crisp Point Light Station. Inasmuch as Mr. Schindehette has been receiving $180 above the entrance salary of his grade at Saginaw River Range Light Station, he is entitled to receive a similar increase over the minimum pay for the grade of First Assistant Keeper of Crisp Point Light Station and he should therefore have been recommended to receive $1380 per annum in his new position. It is recommended therefore that the copy of the Notice of Change in Salary herewith be amended and the original notice will be forwarded for amendment accordingly as soon as obtained from Mr. Schindehette.

Dear Madam:

Reference is made to your letter of July 18, 1947, in which you requested information as to whether or not $40 per month could be diverted from the retired pay of your husband, George M. Schindehette, inasmuch as he is not contributing to your support. You also asked if you would receive half of his pension if he were to predecease you.

In reply to your first query, you are advised that regardless of circumstances, no allotments can be made from the retired pay of employees who are retired under the Lighthouse Retirement Act.

As to whether or not you would receive half of your husband's retired pay after his death, you are advised that under the Lighthouse Service Retirement Act no deductions are made from an employee's salary for retirement purposes, such retirement being in effect a gratuity. Consequently, there is no money or fund to the credit of such employees. The Lighthouse Retirement Act does not provide for payment of a pension of any kind to widows or dependents of employees retired under that Act.

Dear Sir:

I would like some information and advice. I am George M. Schindlhette second wife and we have been married over two years. He was retired from the U. S. Coast Guards - he was under the civil service - was with the Light House and draws a pension. Before we were married - he told me he would send me $40 a month and when real estate came down we would have a home. That until then - it would be cheaper for him to stay in Detroit, and for me to stay here. Three months after we were married - he quit sending money. He told me that he would have to send it - whether he liked it or not because if I wrote in and reported it - they would take it out of his check. Is this true? What can be done about it? He sends me nothing and I have a daughter to support - so I need this help.

He also told me that at his death I would receive half of his pension. Is this true? I know it isn't true in just the regular Coast Guard - but under the civil service in the Light House division how does that apply.

8-1-47 Letter sent to Mrs. Schindehette on 8-4-47 about this matter JJH

"The Commandant, U. S. Coast Guard"
Washington 25 D. C.

Dear Sir:

I have written sevral letters to the U. S. Coast Guard in Washington, D. C. with no response or answer to my letters. I can't understand this. I wrote to U. S. Coast Guard, San Diego, Cal. and they answered right away and told me they didn't have the information I was asking, and gave me your address. So I hope you will answer - I'm in need of help.

I am writting to you about my husband Mr George M. Schindehette who is retired and gets a gourment pension. He was with The U. S. Coast Guard - with the Light House Department. We have been married over two years, and to get out of supporting me and my daughter - or contributing to our support he returned back to his sister's home in Detroit where he lived before we were married.

He told me before leaving - that he would send me $40 a month - he didn't do it. I didn't want him to go - but he said we could live cheaper that way - and that I didn't need to worry about him

not sending me money - that he had to send it or he would get in trouble - that it would even be taken out of his check before he received it.

He also told me that at his death - I would receive half of his pension - Is this true? He has told me so many conflicting stories - and I can't go on this way - so I would like to know what I can do. He had to take a civil service examination ~~and~~ and was with the Light House - I saw on one of his papers this number - Form CS-9671.

His address now is:

Wm George M. Schindehette
1593 Vernor Hwy West
Detroit 16 Michigan.

I would appreciate an answer, as I need to know this information. Is there anything I could do to make him help support me. That's why he went back to his sister's home to live ~~that~~ when he lived by me we were married. He can live with his sister for $5.00 a week.

So he has been to visit us twice since we were married - and to get out of giving us any money - he staid three weeks, and while we were at Church - he left for Detroit and didn't give me a cent. So I would like to know what I can do about it.

Also would I get half of his pension after his death?

Would appreciate an answer soon as possible.

Yours truly,

Mrs George M. Schindehette

Dear Sir:

Reference is made to your letter of 10 April, 1947, in which you requested information as to whether or not in case of death of a retired light keeper, his widow would draw fifty percent of his retired pay.

The record shows that you were retired from the Lighthouse Service on 31 December, 1934, under the Lighthouse Retirement Act of June 20, 1918, as amended. Under that act no deductions are made from an employee's salary for retirement purposes, such retirement being in effect a gratuity. Consequently, there is no money or fund to the credit of such employees. The Lighthouse Retirement Act does not provide for payment of a pension of any kind to widows or dependents of employees retired under that act.

Very truly yours

Subj: 1943 Tax Withholding

1. This is in reply to your letter of 31 August, 1943, regarding tax withholding from your retired pay.

2. This office has been unable to locate any provision of the current tax laws which would exempt from the withholding provisions of the law amounts received as retired pay for disability incurred while engaged as a civilian employee of the United States. There is no alternative, however, to withholding the tax.

3. Should it be found that the amounts have been erroneously withheld, an adjustment will be made in such manner as the Commissioner of Internal Revenue may direct.

4. Your tax withholding, in the amount of $4.60, is based on information contained in your Form W-4 and on the tables furnished by the Bureau of Internal Revenue.

1. Authority is requested for the temporary detail of George M. 1. Referring to Department communication of May 29, 1925, (Form A-21) notifying George M. Schindehette, of increase in salary from $1140 to $1320 per annum in connection with his transfer from Keeper (Asst.) at Saginaw River Range Light Station to Keeper (1st Asst.) of Crisp Point Light Station, Michigan, to be effective June 15, 1925, or as soon thereafter as he enters on duty:

2. It has been discovered that nomination submitted by this office under date of May 27, 1925, gave the range as $1140-1380 per annum, which should have been $1200-1440 per annum for the position of First Assistant Keeper at Crisp Point Light Station. Inasmuch as Mr. Schindehette has been receiving $180 above the entrance salary of his grade at Saginaw River Range Light Station, he is entitled to receive a similar increase over the minimum pay for the grade of First Assistant Keeper of Crisp Point Light Station and he should therefore have been recommended to receive $1380 per annum in his new position. It is recommended therefore that the copy of the Notice of Change in Salary herewith be amended and the original notice will be forwarded for amendment accordingly as soon as obtained from Mr. Schindehette.

2. You are informed that it is expected that you will give better attention to your duties in the future, failure to do which will result in more drastic action being taken. Your work will be particularly observed by the Inspector and a further report made in your case by him on January 2, 1912.

Gentlemen:

Inclosed is a letter of Mr. George M. Schindehette, a retired member of the former Lighthouse Service, in which he claims the difference due in retired pay based on gross salary, which includes the amount deducted as a charge for occupancy of Government quarters, over that paid him based on net salary, for the period January 1, 1935 to June 30, 1947. In this connection, reference is made to the Comptroller General's decision of October 23, 1947 (B-70029). Also inclosed is Standard Form 50 (9 Part), describing this retirement. This form shows correct computation of retired pay to be $1035.74 per annum, whereas, for the period January 1, 1935 to June 30, 1947, Mr. Schindehette was paid at the rate of $875.77 per annum - an underpayment of $159.97 per year, or $13.33 per month.

Salary adjustment,
G.M.Schindehette, Kpr.
(asst.) - 11th Dist.

Commissioner of Lighthouses,
Washington, D. C.

1. Referring to Department communication of May 29, 1925, (Form A-21) notifying George M. Schindehette, of increase in salary from $1140 to $1320 per annum in connection with his transfer from Keeper (Asst.) at Saginaw River Range Light Station to Keeper (1st Asst.) of Crisp Point Light Station, Michigan, to be effective June 15, 1925, or as soon thereafter as he enters on duty:

2. It has been discovered that nomination submitted by this office under date of May 27, 1925, gave the range as $1140-1380 per annum, which should have been $1200-1440 per annum for the position of First Assistant Keeper at Crisp Point Light Station. Inasmuch as Mr. Schindehette has been receiving $180 above the entrance salary of his grade at Saginaw River Range Light Station, he is entitled to receive a similar increase over the minimum pay for the grade of First Assistant Keeper of Crisp Point Light Station and he should therefore have been recommended to receive $1380 per annum in his new position. It is recommended therefore that the copy of the Notice of Change in Salary herewith be amended and the original notice will be forwarded for amendment accordingly as soon as obtained from Mr. Schindehette.

this was corrected long now.

Reprimand. June 21, 1911.

Mr. George M. Schindehette,
Assistant Keeper, Saginaw River Range Light-Station,
Through the Inspector of
The Eleventh Lighthouse District,
Detroit, Michigan.

Sir:

1. The Bureau states that it is in receipt of an efficiency report from the Lighthouse Inspector in your case from which it appears that the quality of work performed by you and the interest manifested in the same is not up to the required standard of efficiency of employees in the Lighthouse Service.

2. You are informed that it is expected that you will give better attention to your duties in the future, failure to do which will result in more drastic action being taken. Your work will be particularly observed by the Inspector and a further report made in your case by him on January 2, 1912.

Respectfully,

(S) G. R. PUTNAM.

Commissioner.
