District of Passamaq.ds Augt 23d 1808

About an Hour since I had the Honour of Writing you on the Subject of the Light House & Wreck for the Lamps - I must add Three to 10 Drop pans -

the Builders had furnished one dozn Drop pans to put under the Cistern - they were Left in the Dwelling House - some evil & over Curious person Got in the Shutters of the Windows not fastning Clear and Purloined - Ten of the Tin pans - Will you have the Goodness to procure that Number and forward them with the Wreck gear if that Application is proper - your Attention will much oblige me -

am with due Respect

Sir

your Most Hble Servt -

Lewis Tucker Dodderidge
