ABSTRACT OF OFFICIAL RECORD OF U. S. GOVERNMENT EMPLOYEE

(For the use of the department to which the employee has been transferred)

INSTRUCTIONS

1. The act, approved February 14, 1022, prescribes that "each executive department, and each independent establishment of the Government not within the jurisdiction of any executive department, shall establish and maintain such record as will enable it to determine the amount deducted within each fiscal year from the basic salary, pay, or compensation of each employee within its jurisdiction to whom this act applies. When such employee is transferred from one office to another a certified abstract of his official record shall be transmitted to the office to which the transfer is made."

2. A complete official record in the Federal service of the employee named should be set forth on this abstract. If an employee is transferred to another department, an abstract will be prepared in duplicate, showing his appointment in the department from which transferred and all changes of grade or compensation while therein. The original, properly executed, will be transmitted to the department to which transferred, the duplicate to be retained in his personal file. Should such employee be again transferred the second department will prepare an abstract setting forth the data contained in that received by it, with the addition of his record while in the second department, such abstract to be transmitted to the department to which he is transferred, a duplicate being retained.
In the case of a reinstatement, the department in which the employee is reinstated should apply to the establishment in which the former service was rendered for an abstract of record in the case. Statements of employees must not be accepted unless verified from official records.

3. In Table II show the amount deducted for the retirement fund during each **fiscal year,** or part of **fiscal year,** the employee was in your service.

4. This certificate must be signed and countersigned (if necessary) by an official recognized by the Bureau of Pensions as authorized to sign certificate of administrative officer on application for refunds.

5. In the case service was per diem and continuous through the calendar year, so state; if intermittent, give dates of beginning and ending of actual employment, with the number of days served.

1. Referring to your application for a transfer to the position of Lamp Lighter, and stating that you had a defective shoulder, you are advised that there is no prospect of your being transferred as Lamp Lighter or Light Attendant to the care of any beacons whatever.

2. You will give entire satisfaction in your present position, or your employment in the Lighthouse Service will be discontinued. You may as well understand that, even though your services are found to be entirely satisfactory, it would require a long period of years before you would be given consideration for transfer to the care of beacons in what you consider a desirable position. All desirable positions are given to those who have given long and satisfactory service, and new appointees are never given consideration for such vacancies.

1. During your absence, this office received an application from Edgar R. Sprinkle, Third Assisant Keeper, for transfer to the position of Lamp Lighter, owing to what he stated was a defective shoulder.

2. This office arranged to have this particular defect looked into when he reported at New Orleans for his physical examination, but instead of having his physical examination made at New Orleans, it was done by the Public Health Service at Mobile, who do not show any physical defect of any kind, and reported him qualified physically.

3. You are advised, in view of Sprinkle's own report that he is not able to carry on in his present position satisfactorily to himself, to be very careful in rendering your report of whether or not his probationary services are satisfactory. If they are unsatisfactory, it is your duty to submit the report as soon as it appears to you that his services are not satisfactory. You need not wait beyond that time. His services will then be immediately discontinued.

ABSTRACT OF OFFICIAL RECORD OF U. S. GOVERNMENT EMPLOYEE

(For the use of the department to which the employee has been transferred)

INSTRUCTIONS

1. The act, approved February 14, 1922, prescribes that "each executive department, and each independent establishment of the Government not within the jurisdiction of any executive department, shall establish and maintain such record as will enable it to determine the amount deducted within each fiscal year from the basic salary, pay, or compensation of each employee within its jurisdiction to whom this act applies. When such employee is transferred from one office to another a certified abstract of his official record shall be transmitted to the office to which the transfer is made."

2. A complete official record in the Federal service of the employee named should be set forth on this abstract. If an employee is transferred to another department, an abstract will be prepared in duplicate, showing his appointment in the department from which transferred and all changes of grade or compensation while therein. The original, properly executed, will be transmitted to the department to which transferred, the duplicate to be retained in his personal file. Should such employee be again transferred the second department will prepare an abstract setting forth the data contained in that received by it, with the addition of his record while in the second department, such abstract to be transmitted to the department to which he is transferred, a duplicate being retained.
In the case of a reinstatement, the department in which the employee is reinstated should apply to the establishment in which the former service was rendered for an abstract of record in the case. Statements of employees must not be accepted unless verified from official records.

3. In Table II show the amount deducted for the retirement fund during each **fiscal year**, or part of **fiscal year**, the employee was in your service.

4. This certificate must be signed and countersigned (if necessary) by an official recognized by the Bureau of Pensions as authorized to sign certificate of administrative officer on application for refunds.

5. In the case service was per diem and continuous through the calendar year, so state; if intermittent, give dates of beginning and ending of actual employment, with the number of days served.
