Light House. Baker's Island.
June 1. 1809.

Sir. Agreeable to your directions. this will inform you of the State of the Light House under my care.

The House is in good order. excepting the roof, which is in want of some repairs, as it leaks badly. The oil cellar is also in want of some repairs. The Lanterns. each of which contains 6 sashes, of 8 squares, 15 by 13, are in good order. There is one Lamp in each Lantern, each of which will contain. 4 galls. of oil. and 16 wicks. The consumption of oil for the last year was 1000 galls. The quantity of Oil nec^d for the

ent ye Baker by capt Perry
from Nantucket, is 18 casks.
as follows:

	Summer oil	Winter Oil.
One cask of	60	57
"	60	61
"	60	43.
"	60	58
"	28	58
"	61	57
"	61	60
"	59	59
"	60	56
	509	509
Short	9	9
	500	500

On hand when the above supply was received, one cask containing 70 galls. All which is respectfully submitted by your obt and humble servt

George Chapman
