June 3rd 1860

Sir the present Situation of the Light House and others belonging on West Point Island Head Report no Material Difference from Last year Except in the Under pinning which is Continually Dropping out the Oil Bill is very Bad Find work year by the Packet no Oile, Oile on hand 182 gals

Sir your Obd Servt
Thos Dexter
Keeper of the
Light House

Sir not having an opportunity to forward these Lines by past on packet unto the 29 day of May Month would inform you that no Oile has yet arrived preparing to Receive the Oile Left the Yakel fall Head for that purpose two Keepers Came on Shore finding nothing they left the Premises they took that in Spite of what Could be done to prevent

Thos Dexter
