Eastport Light Feb. 11th 1811

Honored Sir

I Rote for a Yakel. I all ways Last it being a thing much Wanting on the banks and Cliffs for neer two miles Each side of the Light house. is forty foot and over in hith All of which is very upright or prospects over nothing Can be Taken up Without a Yakel. that is the hardest for a man to take up a steep bank or her Shelder the Ship for Raising the Pile. wants Repairing with timber which Cannot be taken up Without the helps of a Rope 7 Yarn. I should have sent me Some Rope for the Smith Rope. will do but if I Cant get it Straw it Should be 2 or 2½ Inch I want forty five fathoms in Length I Rued by the Jaket Eastport 12 lb of Candle a Lanthorn no Week Yarn Which I Can get I Shall want before I Leave the Curcomstances Of the Buildings Should be Sent to. a No in Spector. If your Honor will Conform Me of my duty I will endever to Correct every Error

I am Hon Sir your to Serv Tho Dexter
