Treasury Department
Revenue Office 14 Dec. 1815.

Sir

I have received your favor of the 7th inst.

You are hereby authorised to furnish the keeper of Thatchey Island Light House with a boat, provided the cost of it shall not exceed seventy five dollars, being the sum stated by Mr Lewis's report as sufficient.

You are also authorised to have built near the Nantucket light Light House, in the manner suggested, a Dwelling House for the Keeper, provided the expense shall not exceed seven hundred dollars.

The house must of course be erected on ground belonging to the united States.

I am respectfully

Sir Your

Henry A. S. Dearborn Esquire
