Treasury Department,
Revenue Office,
July 3. 1816.

Sir,

I enclose a copy of a letter from Mr. Winslow Lewis, representing that the Lanthorns on the Light House of Baker's island, as well as those proposed for the New Light Houses, are too small for his apparatus.

You will be pleased, in these respects, to take such steps as you shall consider best promotive of the public interests, avoiding in the expenditure any excess beyond the appropriation.

I am, respectfully,

Tench Coxe
Commissr. of Revenue.
