Sir

I

In a letter lately received from Mr. Lewis, he mentions that the dwelling house of the Keeper of Cape Poge Light House wants enlarging, by adding 14 by 15 feet finished in the same manner as the other part of the House: that the dwelling and Light house wants painting, and that the new dwelling house of the Keeper of Nantucket Brant Point wants underpinning with a brick wall, one foot thick and sunk four feet. He also states, that the Nantucket Great Point Light House will have to be rebuilt next year.

You will be pleased to give me your opinion on the above, and transmit an estimate of the expense of such of the objects represented by Mr Lewis as necessary as you may think it advisable to effect.

I am respectfully

Sir
