Boston 7th April 1817

Sir,

I will contract to fit & light the light house to be built at Naushan Island with patent lamps & reflectors on the same plan as the light houses before fitted by me for one thousand dollars, with such number of lamps as the Superintendent of Lights in Massachusetts may deem requisite, and furnish the following articles which are all that are necessary, being the same that the light houses fitted by me have been furnished with —

Oil Butts sufficient to hold two years supply of Oil for the lamps —
One Tin Lantern Canister & Funnel
Six Wooden Horses
One Wick Box
One Tube Box
One three gallon Canister
One Torch
One Oil Feeder
One Hand Lantern
Two Files
Two pr. Scissors
Two Buff Skins
One Stove & Funnel
One Tub of Whiting
One Oil Carrier
One Hacking Knife
One Putty Knife
Two Tube Cleaners
Two Oil Strainers
Six Wick Formers

I am Sir, very respectfully
your Obt. Servant

Henry A. S. Dearborn Esq.
Superintendent of Light
Houses in Massachusetts

N B The Lantern to be completely fitted & lighted
in ten days after the Lighthouse shall be
finished.
