Treasury Department,
Revenue Office,
June 28th 1807.

Sir,

I enclose a copy of Proposals for erecting a Light House at the South point of Cumberland Island which you will be pleased to have inserted in a Gazzette of Boston once a week for four weeks. You will be pleased to transmit, at the prescribed time, to this office, such proposals as may be made, with your opinion relative to them, & the qualifications of those who make them.

I am,

respectfully

Your Servt

Commissioner of the Revenue
