Sept 14

N. Nashaun Island the

Ser as you requested me to make anquerye
What I could get the United States Lane
Fence in for Mr Willington. Who occupyes the
Farm on Nasshan Island has said he Will
Dig and Draw the Stoanes and Lay the Wall soar
feet hy Raund the Light House Lane for
two Dollors and 50 Cents p.r Roae he Will
Lay the Wall 5 feet hyge for 3 Dollars p.r
Roae I think that it Wold be necsseary to
have the Wall moore then soar feet hyt as thear
is Shipe ~~x~~ keep on the Island Mr. Willington Wold
thank you to let him know wether you ~~will~~
will have it down and to let him know
as Soon as it tes Convenunt to you self as it growes
Late in the Season for him to heer Seabars
as he Wishes to Do it this Fall ———

I have Openee the Light house every Morning
but it Stil continers to be verry Dampe
Mr Willington Sayes that A Boare fence or Rale
fence Wold be much moore expenesive
then A Stoa Wall Wold be
