The undersigned at the request of Elias Farrand Collector of the Customs for the District of Buffalo Creek, do hereby Certify that they have for several years had the charge and command of Vessels on Lake Erie and are well acquainted with the Navigation of said Lake. The undersigned further certify, that they are well acquainted with the Scite selected for a Light-House by the said Collector, between Buffalo Creek and the Lake, and also with the Scite originally selected on the Terrace south of Buffalo Village, and that they are fully of opinion, the Scite selected by the said Farrand, is the only one on which a Light-House can be Erected with any prospect of benefiting the Navigation of the Lake, and that the Scite for said Light-House has been properly and judiciously selected.
