Collector's-Office, Port of Newport,
Oct.r 30th 1826.

Sir

In answer to your letter of the 19th instant, I have to say that there is great probability that the light-house at Warwick Neck will be ready to receive the lighting apparatus some time about the middle of the next month, and that about the November same time supplies will be wanted for Dutch-Island light house. My hope is that both these light-houses will be completed & fitted in season to be lit up on the first of December next.

I am Sir
Your Ob.t Servant
