Office of Light-House Inspector,
FIRST DISTRICT,
Portland, Maine, October 1st, 1885.

Sir:

I have the honor to enclose to the Board a bill I have rec'd. for Medical attendance on Mr. Henry Day who broke his leg a second time in July last, having returned to duty before he had fully recovered from his first accident, as reported in my letter of July 18th.

On Aug. 22nd. I requested authority to pay a bill of $30. - which I supposed at the time to be the bill for attendance to Mr. Day's second accident. In this I was in error. The bill for $30. - was for setting Mr. Day's leg at the time it was first broken and which I am informed Mr. Day has paid himself.

In regard to the present bill of $118. I would respectfully recommend that

Very Respectfully
