Office of Light-House Engineer,

FIRST AND SECOND DISTRICTS.

Boston, Mass., May 6, 1886

To the Chairman:
Light House Board.
Washington, D.C.

Sir:

Refering to my letter to the Board of April 20th 86 recommending the Erection of a new dwelling for the Keeper at Little River, Me. Light-Station, having just returned from an inspection of that Station I respectfully recommend that the new dwelling be erected about 12 feet west of the tower and as the situation is much exposed that the dwelling and tower be connected by a covered way.

As it would in my judgment
