Feby 6 From Naval Secretary Comdr Geo. W. Coffin U.S.N.

1890

Sir:— In accordance with the recommendation made in your letter of 4 Feby '90, the Board authorizes you to grant the Keeper of Egg Rock Light-station, Me., permission to erect a new house

1890. on the light-house grounds, with the understanding that it does not interfere in any way with the station, and that it will be removed by the Keeper whenever the Board thinks it necessary.
