(All communications should be addressed to "THE LIGHT-HOUSE BOARD."

B.

Treasury Department,

Office of the Light-House Board,

Inclosures Set.

Washington, April 11, 1892.

Subject: New Straight Channel.
Maumee Bay, Ohio.
Range lights.

The Light-House Board.

Sirs:

The Committee on Location, to which were referred on 8 April, 1892, the papers relating to the necessity for changing certain range lights in Maumee Bay near the entrance to Toledo Harbor, Ohio, respectfully return them with the following report:

Your Committee recommends the establishment of a range on Grassy Point, the discontinuance of both the Outer and Middle Maumee range lights, and the re-building of the East Beacon farther to the eastward in the new Straight Channel as proposed by the Engineer of the District in his letter of 4 March, '92, and by the joint report of the district officers of 29 March, '92, both of which letters are submitted herewith.

It is understood that the cost of the necessary sites on Grassy Point will not exceed $500. and that the cost of re-

moving and rebuilding the East Beacon will not exceed $3600 at the outside.

Respectfully,

H. L. Howison.

Captain, U. S. N.,

Chairman of the

Committee on Location.
