Office of the Light-House Board,
Washington, D.C.)

January 11, 1895.

Lt. Col. J. A. Smith, U.S.A.,
Engineer 10th L. H. District,
Cleveland, Ohio.

Sir:

Referring to the joint report of the Inspector and Engineer of the Tenth Light-House District, dated 29 Dec. '94, the Board informs you that, at its session of 7 Jan'y '95, it was ordered:

That the lenses and other illuminating apparatus of the range lights at Ironville, entrance to Toledo Harbor, O., known as the Maumee Inner Range, be transferred to the new Manhattan Range Beacons at the mouth of the Maumee River below Toledo.

It was also ordered:

That the lights of the Maumee Middle Range and Maumee Outer Range be discontinued upon the establishment of the Manhattan Range. The sale of the property and buildings pertaining to the discontinued lights will be deferred for the present.

The Board requests you to take proper measures to have the

above order carried into effect.

Respectfully,

J. H. Smith

Captain, Corps of Engineers, U.S.A.,

Engineer Secretary.
