I V 460

Light-House Establishment,

Office of Engineer, Tenth District,

Three *Inclosures.*

Buffalo, N.Y., Oct. 13, 1898.

Subject: Manhattan Range Lt. Sta.,O.
Stone for walk.

The Light-House Board,

Washington, D.C.

Sirs,

There will be required in constructing the walk from front beacon to shore at the Manhattan Range Lt. Sta., Ohio, authorized in the Board's letter dated 4 August, 1898, to be built by hired labor and open market purchases of materials, 25 cords of stone. Bids were invited for furnishing this stone, on form No.110 sent to dealers.

Herewith inclosed I forward an abstract of the bids received, together with the bids themselves. The bid of Mr. A. Dandren, of Brest, Mich., I have accepted in the sum of $5.25 per cord, the price being considered reasonable and advantageous to the United States, and the stone being required for prompt delivery.

I have to request that the action taken may be approved by the Board.

Respectfully yours,

Jas Bymans

Major of Engineers, U.S.A.
Engineer 10th L.H. District.
