Dear Sir

I was sorry I had to leave the station before you came I wanted to see you I think my health is a little better than it was I wanted to have a talk with you about Chas A Thurston the first day while I was off last Sept he took five gallons of Oil and supplied a fisherman I never found it out until this Spring I had a talk with him about it and and when he came back the 4 of April he brought back five gallons of Oil he left the boat off to his Mother and when I got her back she was badly chafed on one side I had to cut out a piece of plank and let in a piece he makes long trips every time he

I do not like to report
the Asst. Keepers but when they
will take five gallons of Oil
and dispose of it I think
it ought to be reported

Yours very Respectfully
