LIGHT-HOUSE ESTABLISHMENT,

OFFICE OF ENGINEER, 10TH DISTRICT,

Two INCLOSURES.
One in separate incl.

BUFFALO, N. Y., April 6, 1903

No. 304
SUBJECT: South Buffalo, N.Y.
Bulkhead,

The Light-House Board,

Washington, D.C.

Sirs:-

Referring to the Board's letter (No. 58) dated 31 March, 1903, approving the plans and estimates for the pile and timber bulkhead for the light-house reservation at Stony Point, Buffalo, N.Y., and requesting copies of the title papers relating to the site of the reservation; I have the honor to inclose herewith copy of that part of a Patent dated 10 Sept., 1900, issued by the State of New york to the United States, conveying a strip of land on which the Buffalo, N.Y. breakwater is built, which includes the site of the light-house reservation in question.

In a separate roll I also inclose a section of a chart of Buffalo Harbor and head of Niagara River, on which is shown in red the site of the breakwater conveyed by the above mentioned Patent. I have indicated in black near the southerly or Stony Point end of the breakwater the location of the light-house reservation in question, and its dimensions, 300 feet by

176 feet.

Very respectfully,

F W Symons

Major of Engineers, U.S.A.
Engineer 10th L.H.District
