O N E inclosure.

PETIT MANAN L. S.,
Maine, keepers, etc. MAY 27, 1911.

Mr. William E. Curtis,
Home Life Building,
Washington, D. C.

Dear Mr. Curtis:

1. Referring to your letter of the 19th instant in re list of keepers of Petit Manan Light Station, Maine, etc.

2. I have to inclose herewith a statement showing the various keepers and assistant keepers at this station since April 21, 1853. This information has been compiled from the old records of this office, but I assume that the names of the employees and the time of their service is correct.

3. Petit Manan is located on the easterly point of Petit Manan Island, seacoast of Maine, two miles from the mainland. The light is of the second order, and there is a ten-inch steam whistle as a fog signal. There is a bell at the station to be struck by hand in case the whistle should become disabled. The records searched do not show any interesting events.

Very truly yours,

Commissioner.
