

C. G. OFFICIALS TO BE EXAMINED

**DEMERITT, HASKINS AND
SCHONECK AWAIT ORDERS
TO GO TO JACKSONVILLE**

Instructions have been received at Coast Guard-Lighthouse headquarters in Key West from Washington headquarters for Principal Lighthouse Engineer William W. Demeritt, Lighthouse Engineer Henry B. Haskins and Assistant Lighthouse Engineer W. J. Schoneck to proceed to Jacksonville when orders are received.

They will report to Captain J. F. Hottel, president of the board, which has been convened by the commandant to ascertain their mental, moral and physical qualifications for induction into the Coast Guard Service.

Mr. Demeritt stated this morning that specific orders relative to the date on which the orders will become effective will be received at a later date.
