PROCEEDINGS OF A BOARD OF SURVEY

No. 1-53

Date 3/17/53

Convened at Isles of Shoals MS (Portsmouth Harbor Lt.), N. H.
(Unit and place)

1	-	BELL, FOG; 1200-pound, bell metal, 3 feet diam. by 2'-6" high. Manufacturer and date of casting unknown.	Prior to 1909	1	ea	$300. Est. Orig.	$300. Est.	10a	J

STATEMENT OF FACT

Subject fog bell was originally installed at Isles of Shoals MS as a fog signal. Bell was removed and replaced with modern air operated tyfons. Bell is now stored at Portsmouth Harbor Lifeboat Station, New Castle, N. H.

OPINION

The bell is surplus to the needs of the First Coast Guard District.

RECOMMENDATIONS

That the bell be declared excess to the need of the Service. That said bell be offered to the Fernquid Point Association, for historical purposes, in response to that organization's request for a surplus former Lighthouse Service fog bell.
