Olle G. Anderson,

Sir:-

In reply to your communication of April 16, 1909;-

As stated in your letter your name was at one time No. 4 on the eligible list for appointment as Light-House Keeper or assistant keeper. Since your name was placed on the list an examination has been held, the result of which changed the position of your name on the list, those persons who were given a higher average were placed at the head of the list and those who received a lower average than yourself were placed below you on the list.

In regard to your temporary service as assistant keeper at Romer Shoal Light-Station, I have to say that the Civil Service rules state that "Experience gained by an eligible in temporary service shall not be considered

as in any way giving him an advantage or preference over others on the register."

Sirs:-

In connection with the letter from this office dated January 20, 1909, recommending the temporary appointment of Mr. Olie G. Anderson, to assistant keeper at Romer Shoal Light-Station, New York, I have the honor to state that Mr. William Welch, who stands No. 5 on the eligible list, class I, was not considered for this position, for the reason that his application states that he would accept a position at a station where no quarters are provided for the families of keepers, if there was a house nearby. There are of course no houses near Romer Shoal Light-Station.

The following is a copy from Mr. Welch's application:

"If a married man, would you accept a position at a station where no quarters are provided for the families of keepers?.....
(See under) Yes, if there was a house near by.

Respectfully,

Chief Clerk.
