There is herewith submitted the 19th Superintendent's letter of October 15 with regard to charges against Mr. Samuel Anderson, keeper of Kumukahi Lightstation. 1380 (Range 1380 - 1740)

In consideration of paragraph 6 of the Superintendent's letter and his comments as to Mr. Anderson's excellent previous record the Bureau considers that dismissal at this time would perhaps be too severe an action, and in lieu of that it is recommended that Mr. Anderson be suspended without pay for a period of 15 days and demoted to an assistant keeper at another station, nomination for transfer to be duly submitted by the Bureau and the dates of the period of suspension also to be reported. If the proposed action is approved by the Department the Bureau will also reprimand this keeper and furnish a copy thereof to the Department.

AIR MAIL

October 15, 1934.

COMMISSIONER OF LIGHTHOUSES:

Subject: Keeper, Cape Kumukahi Light Station, Charges & Suspension.

Enclosure: (a) Copy of charges preferred (in duplicate) dated Oct. 9, 1934.
(b) Keeper's reply, letr Oct.11th "
(c) Form 61, report of inspection of light station.
(d) Statement of Mr. Fred Jordan, Temporary Foreman, in duplicate
(e) Radio dated Oct. 13th from Mr. Fred Jordan, temporary foreman, in duplicate.
(f) Keeper Anderson's record in the 19th Dist., in duplicate.

1. In conformity with Article 438 of the 1927 Lighthouse Regulations, and for reasons mentioned in charges preferred, enclosure (a), the suspension of Mr. Samuel Anderson, Keeper, Cape Kumukahi Light Station, is recommended for Nov. 15, 1934, or effective upon date of notification of Department suspension.

2. Copy of charges, enclosure (a), is self-explanatory.

3. In view of the Keeper's reply, enclosure (b), it would appear that Keeper Anderson's offense is sufficient to warrant dismissal from the Service, and is so recommended.

4. Should the dismissal of Keeper Anderson, however, not be considered imperative as per requirements of paragraph (c), Article 481 of 1927 Regulations, the Superintendent would be agreeable to reconsideration of the above recommendation in Mr. Anderson's case to cover demotion to the position of First Assistant Keeper at the Kilauea Pt Lt Station, including reduction in pay from $1380 to $1320 per annum, for a probationary period of 6 months.

5. This recommendation is not in violation of Section 2 of Civil Service Rule I.

6. The latter consideration is due to his previous excellent record, copy of which is attached hereto, enclosure (f).

7. Radio advice is requested for the expeditious conclusion of this case.

1. You are charged with gross negligence of duty for the following reasons:

A. In that it appears that you were not on duty at the Light Station on your regular watch from Sept. 19, 1934, to Oct. 6, 1934. This is supported by the fact that the Superintendent observed on Oct. 6 that the Watch Book had not been signed by you.

B. In that you failed to put in an appearance on the occasion of the official inspection of your station by the Deputy Commissioner of Lighthouses, Mr. H. D. King, and the Superintendent on October 6, 1934.

C. In that you failed to report to the tower when a message had previously been sent you to your quarters by the Superintendent.

D. In that your physical condition due to your personal habits was found to incapacitate you from performing your duty, as observed by the Superintendent on the morning of Oct. 6, when it was noted that your eyes were bloodshot and bleary and you appeared in a semi-stupor when interviewed in your quarters.

2. You will be allowed one week from the time this letter reaches you to make reply in writing addressed to the Superintendent of Lighthouses, Honolulu, with full explanation of your conduct.

Sir:

It is with deep regret that I am answering a list of charges which received in yesterday's mail and can only say that the things you say, I am guilty of. I must have fall in through quite a lot of domestic trouble over I had no control and suffering these conditions with the lonesomeness of same I took too many drinks, the like of which I am not in the habit of doing, and could not straighten out. This is my first offence since entering the lighthouse service and can assure you that if I am forgiven or pardoned for same and given a chance to perform my duties as usual I will do the square thing for the department. So all there is left for me to do is to thrust myself on the mercy of the department and sincerely hope for the best.

I wishing you will give this your earnest consideration as I have now returned to normal condition and in real good health.

Dear Sir:

In reply to your letter of yesterdays date, I beg to state that on arrival at the above station on Friday the 5th inst I found no one at Station but later the storekeeper brought Mr. Anderson back to the station somewhat under the influence of liquor, and I was forced to go to Kapoho to lunch, as he did not stay very long on the station, and he did not show up again until late that night, in an intoxicated condition, and he did not stand his watch that night and he went away from the station again after your departure, and the next time that I saw him was Tuesday morning at 9 o' clock he was entirely gone from duty and he was under the influence of liquor during this whole period according to all parties who saw him in Kapoho, Today he was up and around in his uniform cap and started in to work and tonight he is standing the first watch, the first time since my arrival, I have seen him and talked to him but he did not snap out of it until today. Trusting this will answer your request for information I am

Careful search of the files indicate that Mr. Samuel Anderson's record during the period mentioned above have been excellent with the Lighthouse Service. He is one of the few capable keepers in the Hawaiian Islands with ability to repair and keep in operation engine generators and radio-beacon apparatus. Furthermore he is the only keeper or assistant keeper in the 19th District with a radio operator's license. He secured this through the completion of a correspondence course in electricity and radio instruction.

## INSTRUCTIONS

1. The act, approved February 14, 1922, prescribes that "each executive department, and each independent establishment of the Government not within the jurisdiction of any executive department, shall establish and maintain such record as will enable it to determine the amount deducted within each fiscal year from the basic salary, pay, or compensation of each employee within its jurisdiction to whom this act applies. When such employee is transferred from one office to another a certified abstract of his official record shall be transmitted to the office to which the transfer is made."

2. A complete official record in the Federal service of the employee named should be set forth on this abstract. If an employee is transferred to another department, an abstract will be prepared in duplicate, showing his appointment in the department from which transferred and all changes of grade or compensation while therein. The original, properly executed, will be transmitted to the department to which transferred, the duplicate to be retained in his personal file. Should such employee be again transferred the second department will prepare an abstract setting forth the data contained in that received by it, with the addition of his record while in the second department, such abstract to be transmitted to the department to which he is transferred, a duplicate being retained.
In the case of a reinstatement, the department in which the employee is reinstated should apply to the establishment in which the former service was rendered for an abstract of record in the case. Statements of employees must not be accepted unless verified from official records.

3. In Table II show the amount deducted for the retirement fund during each fiscal year, or part of fiscal year, the employee was in your service.
