Subj: Direct request for legal services of U.S. Attorney; report on

Ref: (a) Comdt Circular No. 17-50

1. In accordance with the provisions of reference (a), this office made a direct request to the U.S. Attorney, Wilmington, Delaware for legal representation in the case of ANDREWS, Marvin J. (222-918) ENC, USCG. The trial date in this instance did not allow the time required for a written request to Coast Guard Headquarters.

2. This case involves one Chief Engineman Marvin J. Andrews who is attached to the C.G. Depot, Gloucester, N.J. While proceeding along a highway in the state of Delaware in a government vehicle and as the regular assigned driver, on 19 March 1952, Andrews came to an intersection and stopped. Seeing no approaching vehicles he turned slowly into the intersecting highway. Before fully completing the turn he observed another vehicle approaching rapidly in an opposite direction and already in a weaving, skidding motion on the highway. The government vehicle then moved over to the right shoulder of the road and stopped while the civilian vehicle continued its skidding, lurching movement until finally turning over. The three occupants of the civilian vehicle were shaken up but not seriously injured while the vehicle sustained an estimated $300.00 in damages. The government vehicle was undamaged as there was no physical contact between the vehicles. A state highway patrolman arrived a short time after the accident and arrested Andrews for violation of a traffic law prohibiting entry onto a highway before passage can be made in safety. Andrews was released on a $200.00 bail bond and ordered to appear before a Delaware magistrate on 3 April, however, the hearing has been postponed at the request of the U.S. Attorney until 10 April.

3. A full report of this accident with supporting photographs and drawings was submitted to Headquarters on March 28, 1952 via Commander, Third C.G. District.

PE-PR-2, CG-73

From: Commandant
To: Commander, 3rd CG District (p)

Subj: ANDREWS, Marvin J. (222-918) ENC(AN); leave record

1. As your letter of 13 September, 1948, pmp-73, does not contain information sufficient to enable completion of HQ records, subject man's service record, covering the enlistment period from 1 August, 1944 to 2 August, 1948, is forwarded herewith so that your office may make a review of the leave taken, complete the leave record and make whatever corrections and adjustments may be necessary.

2. Article 9 of the inclosed service record contains entries pertaining to leave taken prior to the adoption of the present leave regulations and also contains an entry showing leave taken in January, 1947 (erroneously entered with 1946 dates) and an entry stating that subject man had 60 days leave balance on 1 July, 1947. As indicated below, the latter entry is wrong. The service record also contains a new leave record sheet showing a balance of 60 days brought forward on 1 July, 1948 and entries pertaining to the payment of cash compensation for 60 days unused leave on discharge. There is nothing in the service record pertaining to leave between 1 July, 1947 and 1 July, 1948.

3. As stated in HQ letter, 4 August, 1948, PE-PR-2, CG-73, the service record of subject man's original enlistment, covering the period from 30 July, 1941 to 31 July, 1944, shows that during that enlistment he was absent on leave as follows:

Date departed	Date Returned	No. of days
11-15-41	12-6-41	20
6-9-42	6-20-42	10
12-16-42	12-27-42	10
7-20-43	7-26-43	5
12-17-43	1-2-44	15
5-6-44	5-17-44	10
6-21-44	6-26-44	4

4. Article 9 of the inclosed service record shows that during the period from 1 August, 1944 to 31 August, 1946, subject man was absent on leave as follows:

Date departed	Date Returned	No. of days
8-1-44	8-12-44	10
10-18-44	10-29-44	10
3-6-45	3-17-45	10

5. On the basis of the information shown in the two preceding paragraphs, subject man had 21 days accrued leave as of 31 August, 1946. There is no record of his having submitted any form CG-2888.

6. Muster rolls on file at HQ show that during the period from 1 September, 1946 to 2 August, 1948, subject man was absent on leave as follows:

(a) Departed Groton Trasta 1400, 14 January, 1947. Granted 10 days leave enroute. Reported to Fort Hancock Group 1800, 28 January, 1947. (This leave was entered in Article 9 of the service record as leave from 1-18-46 to 1-28-46.)

(b) AI from 0800, 8 December, 1947 to 0800, 1 January, 1948 while attached to Navesink Light Station.

7. On the basis of the information given above, subject man's leave record for the period from 1 September, 1946 to 2 August, 1948 apparently should be as follows:

Credits		Leave Taken		Balance
IC 9-1-46	21 days			21
		1-15-47 to 1-24-47	10 days	11
ANCR 6-30-47	25 days			36

BBF 7-1-48				43
DISCR 8-2-48	3 days			46

Unused leave on discharge 8-2-48 -46 days

8. It is requested that records available to you be checked, that the inclosed service record be completed to show an accurate leave record and, if it is found that the computations given above are correct and that subject man has been compensated for a greater amount of unused leave than he actually had, that necessary action be taken in connection with the overpayment.

Address Reply to:
COMMANDANT
U.S. Coast Guard
Headquarters
Washington 25, D.C.

24 September, 1948
File: PE-PR-2, CG-73

From: Commandant
To: Commander, 3rd CG District (p)

Subj: ANDREWS, Marvin J. (222-918) ENC(AN); leave record

1. As your letter of 13 September, 1948, pmp-73, does not contain information sufficient to enable completion of HQ records, subject man's service record, covering the enlistment period from 1 August, 1944 to 2 August, 1948, is forwarded herewith so that your office may make a review of the leave taken, complete the leave record and make whatever corrections and adjustments may be necessary.

2. Article 9 of the inclosed service record contains entries pertaining to leave taken prior to the adoption of the present leave regulations and also contains an entry showing leave taken in January, 1947 (erroneously entered with 1946 dates) and an entry stating that subject man had 60 days leave balance on 1 July, 1947. As indicated below, the latter entry is wrong. The service record also contains a new leave record sheet showing a balance of 60 days brought forward on 1 July, 1948 and entries pertaining to the payment of cash compensation for 60 days unused leave on discharge. There is nothing in the service record pertaining to leave between 1 July, 1947 and 1 July, 1948.

3. As stated in HQ letter, 4 August, 1948 PE-PR-2, CG-73, the service record of subject man's original enlistment, covering the period from 30 July, 1941 to 31 July, 1944, shows that during that enlistment he was absent on leave as follows:

Date departed	Date Returned	No. of days
11-15-41	12-6-41	20
6-9-42	6-20-42	10
12-16-42	12-27-42	10
7-20-43	7-26-43	5
12-17-43	1-2-44	15
5-6-44	5-17-44	10
6-21-44	6-26-44	4

4. Article 9 of the inclosed service record shows that during the period from 1 August, 1944 to 31 August, 1946, subject man was absent on leave as follows:

Date departed	Date Returned	No. of days
8-1-44	8-12-44	10
10-18-44	10-29-44	10
3-6-45	3-17-45	10
6-8-45	6-17-45	8
10-4-45	10-10-45	5
12-15-45	12-31-45	15

Commandant (PE-PR)to
Comdr., 3rd CG District(p)

24 September, 1948
(PE-PR-2) CG-73

5. On the basis of the information shown in the two preceding paragraphs, subject man had 21 days accrued leave as of 31 August, 1946. There is no record of his having submitted any form CG-2888.

6. Muster rolls on file at HQ show that during the period from 1 September, 1946 to 2 August, 1948, subject man was absent on leave as follows:

(a) Departed Groton Trasta 1400, 14 January, 1947. Granted 10 days leave enroute. Reported to Fort Hancock Group 1800, 28 January, 1947. (This leave was entered in Article 9 of the service record as leave from 1-18-46 to 1-28-46.)

(b) Al from 0800, 8 December, 1947 to 0800, 1 January, 1948 while attached to Navesink Light Station.

7. On the basis of the information given above, subject man's leave record for the period from 1 September, 1946 to 2 August, 1948 apparently should be as follows:

Credits	Leave Taken	Balance
IC 9-1-46 21 days		21
	1-15-47 to 1-24-47 10 days	11
ANCR 6-30-47 25 days		36
BBF 7-1-47		36
	12-9-47 to 12-31-47 23 days	13
ANCR 6-30-48 30 Days		43
BBF 7-1-48		43
DISCR 8-2-48 3 Days		46

Unused leave on discharge 8-2-48 46 days

8. It is requested that records available to you be checked, that the inclosed service record be completed to show an accurate leave record and, if it is found that the computations given above are correct and that subject man has been compensated for a greater amount of unused leave than he actually had, that necessary action be taken in connection with the overpayment.

AMEND[illegible]T AND RATIFICATION OF REENLIST[illegible]T CONTRACT

UNITED STATES COAST GUARD

WHEREAS by a reenlistment contract subscribed and sworn to by me on the 1st day of August, A.D. 1944, I reenlisted in the Coast Guard of the United States, and obliged and subjected myself to serve 3 years from 1 August, 1944 unless sooner discharged by proper authority; and

WHEREAS said reenlistment contract was not in compliance with Article 552 of the Coast Guard Regulations, as amended by change No. 22 of 7 April, 1942, in that it was for a term of three years rather than four or six years as required by said Article 552, as amended; and

WHEREAS I desire that said reenlistment contract be amended so as to comply with said Article 552, and that said reenlistment contract as so amended be ratified in all respects as of its effective date:

NOW THEREFORE, for and in consideration of the agreement of the United States Coast Guard to this amendment and of the pay or wages due to the ratings which may from time to time be assigned me during the continuance of my service, I agree to and with H. L. CARTER, Lieutenant Commander of the United States Coast Guard, as follows:

1. That the third paragraph of Article 9 of said reenlistment contract is amended so as to read as follows:

"Secondly, I oblige and subject myself, and for that purpose covenant and agree, to serve during the term of FOUR YEARS from the date first written above, unless sooner discharged by proper authority; and also to the condition that said period may be temporarily extended by reason of duty away from my usual station, or during an emergency, to subserve the interests of the Government; and to further condition that the said period shall be extended to make good any time in excess of one day lost through unauthorized absence or by absence on account of injury, sickness, or disease, resulting from my own intemperate use of drugs or alcholic liquors, or other misconduct or while in confinement under sentence, or while awaiting trial and disposition of my case if the trial results in conviction, so that such extension with the time served by me prior thereto will amount to thefull term of FOUR YEARS, and I also oblige myself during such service to comply with and be subject to such laws, retulations, and discipline as are, or may be, established for the government of the United States Coast Guard, and to submit to treatment for the prevention of smallpox, typhoid (typhoid prophylaxis), and such other preventive measures as may be considered necessary by Coast Guard authorities. If discharged by sentence of a Coast Guard court, or by reason of bad conduct or undesirability, I agree to surrender my uniforms for a suit of civilian clothes."

2. That said reenlistment contract is in all other respects ratified as of its effective date.

3. 3. I have had this amendment fully explained to me, I understand it, and certify that no promise of any kind has been made to me concerning assignment to duty, or promotion during my enlistment.

Renewal of Oath of Allegiance; I, MARVIN J. ANDREWS, do solemnly reswear (or reaffirm), that I will bear true faith and allegiance to the United States of America, and that I will serve them honestly and faithfully against all their enemies whomsoever, and that I will obey the orders of the President of the United States and the orders of the officers appointed over me, according to the laws of the United States and the regulations governing the Coast Guard.

ARTICLE 9.—Record should especially be made of special qualifications of an enlisted man not required in his rating, which will serve as a guide for advancement and the utilization of the man on special duty to best advantage.

ARTICLE 10.—Record details to duty drawing extra compensation, such as messman, mail clerk, etc., and to special duty not ordinarily assigned to rating, such as recruiting, intelligence duty, instruction in radio, etc.

ARTICLE 12.—It is most important that an accurate record be kept of all periods during which a man is not in a pay status, in order that Article 18 may be executed correctly. An accurate record shall be kept of all absences on account of:

(1) Absence without leave (including overleave and desertion).

(2) Sickness, disease, or injury resulting from own intemperate use of drugs or alcoholic liquors, or other misconduct.

(3) Nonperformance of duty because of confinement awaiting trial by a Coast Guard court resulting in a sentence of imprisonment, where the place of imprisonment is designated as a naval prison.

Abbreviations may be used in the "Remarks" column to indicate nature of absence, as follows:

A. W. O. L.—Absence without leave (including overleave and desertion).

A. O. M. (absent, own misconduct).—Sickness, disease, or injury resulting from own intemperate use of drugs or alcoholic liquors, or other misconduct.

N. P. D. I.—Nonperformance of duty because of confinement awaiting trial by a Coast Guard court resulting in a sentence of imprisonment, where the place of imprisonment is designated as a naval prison.

ARTICLE 16.—On retirement this certificate will be executed, but Article 20 will *not* be executed.

ARTICLE 18.—The entries under Article 12 will be considered when compiling Article 18.

ARTICLE 19.—On desertion this certificate will be executed, but Article 20 will *not* be executed.

ARTICLE 20.—This certificate will be executed on discharge or death.

No interlineations, erasures, alterations, or use of ditto marks are permitted. Should an error be made, a light red-ink line shall be drawn through it, the commanding or enlisting officer entering his initials alongside in ink.

As far as practicable, all entries on Service Record should be made on the typewriter.

RE: ENC Marvin J. ANDREWS

SS# 156 28 9172

Dear Mrs. Andrews:

Information has been received at Coast Guard Headquarters of the death of your husband. I wish to extend to you and your family my sincere sympathy in your great loss.

You can be assured that we at Coast Guard Headquarters will help you in every way possible to facilitate applying for Federal Benefits that may be available to you.

The enclosed benefit guide briefly explains the assistance and survivor benefits furnished by the Coast Guard as well as other governmental agencies. The enclosed forms are forwarded to aid you in filing for Veterans Administration benefits, Uniformed Services Identification and Privilege Card and a Headstone or Marker to which there may be entitlement.

Four forms No. SF-1174, Claim for Unpaid Compensation of Deceased Member of the Uniformed Services, are enclosed to aid you in applying for the unpaid accrued retired pay. These forms must be completed in the presence of two witnesses and signed by you. Return the original and two copies of the completed claim to this office.

An annuity was provided for you by your husband under the Survivor Benefit Plan. In order that the Coast Guard may begin payment of your annuity, it is requested that you sign forms No. DD-1884, Application for Annuity, on the front and back and return them to this office with a copy of your marriage certificate. VA form No. 21-534, Application for Dependency and Indemnity Compensation by Widow or Child, should be completed and forwarded to your local VA office in order for them to adjudicate your claim for possible entitlement.

Sincerely,

INSTRUCTIONS: Evaluation should *not* be based upon general impressions; it should be based upon actual, observed performance. The mark given in one trait should not influence the mark given in another trait. Men can be expected to vary in strength from one trait to another. Complete and careful observation should support a mark in each one of the sixteen listed traits.

The following is a step by step procedure for using this form:

1. Consider the first trait listed in the left column.
2. Read the descriptive phrases listed to the right of the trait.
3. Decide which of these descriptive phrases best describes the individual.
4. Mark the individual in one of the boxes under the most fitting descriptive phrase.
   a. These boxes run from the least favorable at the left, to the most favorable at the right.
5. Repeat this same procedure for each of the listed traits, keeping in mind that each trait should be considered separately, and that the mark in one trait should not influence the mark in another trait. Also keep in mind that the majority of personnel can be expected to fit into the middle or average category.
6. Do not hesitate to check "not observed" where the performance of the petty officer being evaluated has not been observed in any trait or when the trait is not applicable with reference to a particular job or rate.
7. Now in the space indicated in the lower half of the back page, make a brief comment describing any general impressions you have of the individual; indicate the degree to which you feel the individual is qualified for officer status; indicate your recommendation regarding reenlistment. If this recommendation is negative, include reasons in comments. If the individual has outstanding ability in some technical specialty so state and identify the specialty.

QUALIFICATIONS FOR CPO	RECOMMENDED FOR ADVANCEMENT TO

QUALIFICATIONS FOR OFFICER STATUS	RECOMMENDED FOR PROMOTION TO

COMMENTS (*Do not leave blank*)

ANDREWS, Ralph S. (224-791) BMC AN, OinC, CG Depot Bristol, R. I. has served under my command for the past 2½ years, with the additional responsibility of being appointed Acting Group Commander, Newport Group during all absence of the Group Commander. During the past year while I was hospitalized for a period of 3 months, ANDREWS in addition to his regular duties as Officer in Charge, CG Depot Bristol, assumed the responsibility as Commander, CG Group Newport and carried out these duties in an efficient and capable manner. The forementioned clearly indicates his ability to assume responsibility and perform duties beyond those usually required of a Chief Petty Officer.

ANDREWS past record of operational and administrative duties clearly shows why I recomment this man so highly for promotion to CPO E8.

Ref: (a) VA Form 9-4457, countersigned 10 February 1955

1. There is herewith forwarded from the Veterans Administration Form 9-4457, National Service Life Insurance Renewal Endorsement, regarding the expiration of the term period of the $3,000 National Service Life Insurance issued to you under policy number V 1425 59 06. The term period will expire on 30 April 1955. In order that you may continue to have the protection of this insurance, it must be renewed or, if you prefer, it may be converted to one of the six permanent plans of insurance.

2. Your attention is called to the fact that it will not be necessary for you to submit an application for renewal to this office. Public Law 148, 83d Congress provides for the automatic renewal of the term period of all National Service Life Insurance and United States Government Life Insurance that expires on or after 23 July, 1953 provided that the policy is in force at the end of the term period.

3. There is in effect at the present time an allotment of your pay in the amount of $2.67 per month for premiums on National Service Life Insurance as follows:

$2.67 - $3,000 Level Term Insurance V 1425 59 06 ren. effective 1 May 1950

If the insurance is renewed, a new allotment in the amount of $3.24 should be established with the month of first payment April 1955 and the present allotment of $2.67 should be discontinued with the month of last payment March 1955 to confirm the administrative change authorized by Headquarters.

4. The necessary Allotment Authorization, Nav S&A Form 545, should be forwarded to Commandant (PS).

5. Advise Commandant (PS) of action that will be taken by you in connection with your National Service Life Insurance.

Subj: National Service Life Insurance, Policy No. 2 148 492
Expiration of term insurance.

1. There is herewith forwarded a notification from the Veterans Administration that the $3,000 level term National Service Life Insurance issued under policy number N 2 148 492 will expire on 30 April, 1950. In order that you may continue to have the protection of this insurance, it must be renewed or, if you prefer, it may be converted to one of the six permanent plans, i.e., Ordinary Life, 30-Payment Life, 20-Payment Life, 20-Year Endowment, Endowment at age 60 or Endowment at age 65.

2. In view of the fact that the application for renewal of insurance on the five-year level term plan or application for converted insurance must reach the Veterans Administration before the expiration of the current term period, you are urged to take immediate steps toward completing the application and making the necessary allotment adjustment.

3. There is in effect at the present time an allotment of your pay in the amount of $2.25 per month for premiums on National Service Life Insurance as follows:

$2.25 - $3,000 term insurance N 2 148 492 effective 1 May, 1942.

If insurance is renewed, the new allotment should be $2.67. Your authorized certifying officer should be instructed to discontinue the $2.25 allotment with the month of last payment March, 1950 and to establish the new allotment, reflecting the increased premium, effective with the month of first payment April, 1950.

4. The completed application, in duplicate, together with the necessary allotment adjustment (Forms CG-2528 and CG-2528A) should be forwarded to the Commandant (PMM) for transmittal to the Veterans Administration.

5. Advise Commandant (PMM) of action that will be taken by you in connection with your National Service Life Insurance.

JUL 13 REC'D

Dear Sir:

This is a full explanation of my marriage to Marvin J. Andrews, and the reason my oldest daughter is named Margaret Smith Livingston.

When I was 15 years old I was going with a fellow named William Livingston and I became pregnant and July 15-1932 my daughter Margaret was born but, I did not get married. My brother had a birth certificate recorded and filed naming William Livingston as the father as he thought I would marry him but, I did not but, the birth certificate was filled & recorded nevertheless.

My husband thought that Margaret would assume this name when we were married and did not know any different till he tried to get a birth certificate for you.

Their is no divorce papers as I was never married before.

My daughter Margaret still lives in my household under my care and custody and always has, and in High School & Church is know as Margaret Andrews as I have never told her any different and do not wish to.

Respectfully
Mrs. Rachel Andrews

INSTRUCTIONS FOR UNIFORMED SERVICE OR GSA RECORDS CENTER

In all cases, please verify the veteran's name and service number furnished by the Social Security Administration. If identical with the military file, check "Yes" in the spaces provided on the reverse of this form; if different, check "No" and enter the name and/or service number shown in the military file.

Then certify the information requested by the Social Security Administration in item 2 above. All applicable items in the block are to be filled in by the certifying organization. If you need additional space or remarks are appropriate, use the "Remarks" space on the reverse.

The duplicate copy of this form should be kept in the veteran's military file whenever a certification about retired or retainer pay (Part B) is furnished. If there is ever a subsequent change made in the retirement record which affects the information furnished, the Social Security Administration should be advised accordingly.

PART A – This information permits the Social Security Administration to determine whether the veteran had active military or naval service during World War II (September 16, 1940–July 24, 1947) or post-World War II (July 25, 1947–December 31, 1956) for which military service wage credits may be granted. List each period of service and identify all periods of service designated as "active duty for training."

PART B – Social Security needs this information to determine whether wage credits are precluded because another Federal Agency has determined that a periodic benefit is payable based in whole or part on active military service in World War II or post-World War II.

Military retired pay is based on the WW II or post-WW II period of service, as the case may be, if active service in the period *has ever* been directly credited (used) in establishing eligibility to the retired pay, or in computing the amount of such pay. Transfer to the Fleet Naval (or Marine Corps) Reserve is treated the same as a normal retirement for purposes of completing this form. A decision to retire an individual, when officially approved, constitutes a retirement even though for any reason no retired pay is ever made.

Items 1(c) and (d) – Active service was "used" in establishing eligibility to retired pay if it comprises part of the total minimum service required for retirement according to the provisions of law under which the veteran was actually retired. The fact that he was eligible for retirement under some other provision of law is immaterial.

Item 2(a) – Retired pay is "fixed" when one of several applicable formulas for computing retirement pay is selected. If the individual is given the option of deciding which formula is to be used, the pay is not "fixed" until the selection is made and approved.

Items 2(a), (b) and (c) – A "multiple of active service" is that number used to represent years of active service when computing retirement pay. For purposes of this multiple, periods of one-half year or more of active service are counted as a whole year. However, when computing longevity retirement and pay from the Public Health Service, the multiple is the last full year.

Item 3 – The terms "active duty" and "active duty for training" have the same meaning as defined in Sec. 102 of Public Law 881, 84th Congress (Servicemen's and Veterans' Survivor Benefits Act).

Item C – This information is requested where proof of the veteran's age is needed to adjudicate his Social Security claim.

The oldest record giving the veteran's date of birth or age should be certified. However, if a later record contains discrepant date of birth or age, certify that record as well. (The "Remarks" block may be used as necessary.)

When certifying *age*, it is important to show the date as of which the age was given. For example, some World War I discharge or separation records may show the veteran's age when he entered service. In this case, the date of entry into service is the "Date As of Which Age Was Given" while the date of discharge may be the "Date Record Established."

5. On the basis of the information shown in the two preceding paragraphs, subject man had 21 days accrued leave as of 31 August, 1946. There is no record of his having submitted any form CG-2888.

6. Muster rolls on file at HQ show that during the period from 1 September, 1946 to 2 August, 1948, subject man was absent on leave as follows:

(a) Departed Groton Trasta 1400, 14 January, 1947. Granted 10 days leave enroute. Reported to Fort Hancock Group 1800, 28 January, 1947. (This leave was entered in Article 9 of the service record as leave from 1-18-46 to 1-28-46.)

(b) A1 from 0800, 8 December, 1947 to 0800, 1 January, 1948 while attached to Navesink Light Station.

7. On the basis of the information given above, subject man's leave record for the period from 1 September, 1946 to 2 August, 1948 apparently should be as follows:

Credits	Leave Taken	Balance
IC 9-1-46 21 days		21
	1-15-47 to 1-24-47 10 days	11
ANCR 6-30-47 25 days		36
BBF 7-1-47		36
	12-9-47 to 12-31-47 23 days	13
ANCR 6-30-48 30 days		43
BBF 7-1-48		43
DISCR 8-2-48 3 days		46

Unused leave on discharge 8-2-48 -46 days

8. It is requested that records available to you be checked, that the inclosed service record be completed to show an accurate leave record and, if it is found that the computations given above are correct and that subject man has been compensated for a greater amount of unused leave than he actually had, that necessary action be taken in connection with the overpayment.

Subj: ANDREWS, Marvin J. (222-918) ENC(AN); leave record

1. As your letter of 13 September, 1948, pmp-73, does not contain information sufficient to enable completion of HQ records, subject man's service record, covering the enlistment period from 1 August, 1944 to 2 August, 1948, is forwarded herewith so that your office may make a review of the leave taken, complete the leave record and make whatever corrections and adjustments may be necessary.

2. Article 9 of the inclosed service record contains entries pertaining to leave taken prior to the adoption of the present leave regulations and also contains an entry showing leave taken in January, 1947 (erroneously entered with 1946 dates) and an entry stating that subject man had 60 days leave balance on 1 July, 1947. As indicated below, the latter entry is wrong. The service record also contains a new leave record sheet showing a balance of 60 days brought forward on 1 July, 1948 and entries pertaining to the payment of cash compensation for 60 days unused leave on discharge. There is nothing in the service record pertaining to leave between 1 July, 1947 and 1 July, 1948.

3. As stated in HQ letter, 4 August, 1948, PE-PR-2, CG-73, the service record of subject man's original enlistment, covering the period from 30 July, 1941 to 31 July, 1944, shows that during that enlistment he was absent on leave as follows:

Date departed	Date Returned	No. of days
11-15-41	12-6-41	20
6-9-42	6-20-42	10
12-16-42	12-27-42	10
7-20-43	7-26-43	5
12-17-43	1-2-44	15
5-6-44	5-17-44	10
6-21-44	6-26-44	4

4. Article 9 of the inclosed service record shows that during the period from 1 August, 1944 to 31 August, 1946, subject man was absent on leave as follows:

Date departed	Date Returned	No. of days
8-1-44	8-12-44	10
10-18-44	10-29-44	10
3-6-45	3-17-45	10
6-8-45	6-17-45	8

Subj: ANDREWS, Marvin J. (222-918) EN1; GAO informal exception No. 9

1. HQ is in receipt of informal exception No. 9 from General Accounting Office following their audit of Andrews' pay records closed by you to 30 June and 31 December, 1947. An examination of the records shows credit made therein by you for subsistence (Ft. Hancock Group) for the period (0600) 6/16-12/31/47 at the rate of $2.25 per day, less ATD 8/25-9/3/47 in the amount of $19.50, making a total credit of $427.50. Form 510, Commanding Officers Order showing whether messing facilities were furnished was not included with the pay record vouchers in accordance with Article 181 (9) L (c), P. and S.I.. General Accounting Office has taken informal exception to the credit of the difference between $2.25 per day and $1.20 per day in the amount of $200.50 and in this connection it is requested that a certified copy of the Commanding Officers Order showing the amount of subsistence allowance to which Andrews was entitled for the period in question and also whether or not messing facilities were furnished, be forwarded to HQ in order that exception may be obviated or a PAV may be prepared by HQ to effect adjustment.

Subj: ANDREWS, Marvin J. (222-918) CMoMM(a); correction and forwarding of reenlistment contract

1. HQ has received the service record of subject man who was discharged 31 July, 1944 and reenlisted 1 August, 1944, but has not received the reenlistment contract.

2. Your letter dated 1 August, 1944 states that Andrews has reenlisted for a period of three years in the Regular Establishment. In accordance with Article 552, CG Regulations, amended by change No.22 the term of enlistment should be either four or six years. If the reenlistment contract shows the term of enlistment as three years, correct the contract by lining out the three years and inserting four or six years. This correction should be initialed by both the subject man and the commanding officer,

3. Upon completion forward the reenlistment contract to Commandant (PEA-E-15) promptly.

9/17 Commended Andrews

Gentlemen:

Attention: Mr. King

I witnessed the saving of three lives off the Orient Point Lighthouse on Long Island, on Sunday, September 6th, and this letter is to commend to you, Mr. Marvin Andrews, the lighthouse keeper, who through sheer pluck and wisdom, set out in his small boat in a very dangerous sea, to make the rescue.

The object of this letter is to call your attention to the fact that the small boat that Mr. Andrews operated had an outboard motor, and the thought occured to me that it may be an act of wisdom on the part of the government officials in charge of lighthouses, to see that the lighthouse keepers have fairly sizeable motor boats. I understand that numerous accidents have happened around this particular point, and it may be the means of saving some lives if the lighthouse keeper has proper equipment.

Yours very truly,

Jos Pulvermacher

Dear Sir:-

A party of two and myself were wrecked when our sloop was dismasted at Orient Point, Long Island.

Marvin Andrews, Lighthouse Keeper at Orient Point attempted our rescue in a frail outboard motor boat. In doing so he risked his life.

We understand from a great many yachtmen and fishermen at Greenport Long Island, that his request for a sturdier boat to carry on his work has been refused, and we would like to call this to your attention.

DISCHARGE SUMMARY: This 43-year-old white male CG with rating of Chief Engineman was admitted withchief complaint of skin ~~eruption on palms of hands.~~ Patient states he has had a skin eruption of the palms of the hands for the past 4 days. However, he has also had a skin eruption of the back and chest for approx~~imately 7 years. This latter eruption~~ was moderately itchy and seems to improve with exposure to sunlight. He has tried many proprietary ointments without too much relief. Past history and symptom ~~review essentially non-contributory.~~ Physical examination:- Temperature, pulse and BP within normal limits. Patient is a small but well developed, fairly well nourished white male who is in no acute ~~distress. Physical examination essenti~~ally within normal limits, except for skin condition. There is a papulo-pustul~~ar eruption of both palms of hands.~~ There is also a papulo-pustular eruption in the ~~sweat trough area of the back and also in~~ thesweat trough area of the chest. There is moderate lichenification on the back ~~with some confluency of lesions.~~ The essential lesion appears to be around the ~~hair follicle, which feels rough and~~ creates a grating sensation to the touch. Laboratory data:- Blood count with differ~~ential within normal limits.~~ Serology negative, urinalysis within normal limits ~~Examination of feces for ova and parasit~~es negative.
