We have written the debtor regarding the claims, but to date he has not called on us or made any arrangements for the settlement of the same.

NOTICE OF RESIGNATION OR DEATH.

DEPARTMENT OF COMMERCE
LIGHTHOUSE SERVICE

OFFICE SUPERINTENDENT OF LIGHTHOUSES, 19th DISTRICT,

Honolulu, T. H., Aug. 25, 19 36.

COMMISSIONER OF LIGHTHOUSES:

Herewith is transmitted the resignation, in duplicate, of the following-named employee:

Name, Walter L. Anthony — Position, Additional Keeper at Large

Legal residence, Hawaii — Station, 19th Lighthouse District

Salary, $1380.00 per annum

The acceptance of this resignation { with / ~~without~~ } prejudice is recommended effective at the close of August 22, 1936.

This employee has not taken leave in excess of the accrued rate.

REMARKS: (In case of death, if person had 25 years or more of service, give name, degree of relationship, and address of next of kin.)

AT the time Mr. Anthony submitted his resignation, he was employed at Makapuu Point Light Station to assist during the absence of the keeper while on annual leave. Effective Aug. 24, 1936, he had been instructed to leave Makapuu and report on one of the other islands to relieve a keeper who started on annual leave several days prior to the 24th. Due to Mr. Anthony's resignation on such short notice, it is now necessary to try and locate someone who has had prior experience as a keeper in order that the maintenance of the work at the station in question will be interfered with for the shortest possible time.

Sir.

In replay to your letter of May 14-1936 regarding my entering the McVeigh Home for the purpose of checking over one Kelvinator refrigerator I admit that it is true that I entered this place for the propose stated. However this was at the request of Mr. R.L. Cook and I do not believe I have violated the instructions contained in paragraph 2. of Special Regulations, Molokai Light Station of Feb. 12-1936, but do believe this to be in line with the instructions contained in paragraph 7 of there same regulations, inasmuch as Mr. Cook asked me to check over this refrigerator. This was done after the reciept of ~~your~~ the special regulations of Feb. 12-1936

When Mr. Cook asked me to check this refrigerator I refred him to the new regulations and he told me that he believed it would be all right as the cook and his wife at the McVeigh Home were not lepers and that

DEPARTMENT OF COMMERCE

lepers did not enter the kitchen.

I did not do any work on the refrigerator as after checking it over I found it was in too poor condition to be worth repairing. This was reported to Mrs. Cook.

As regards my entering stores and homes to do any refrigerator repair work or for any other purpose it is true that I have entered Mrs. R.L. Cook's quarters to repair a refrigerator also that I did start up the ice cream cabinet that was to be delivered to one of the stores in Kalaupapa but this cabinet was a new one recieved from Honolulu the same morning I started it up and it had not been handled by lepers.

The two operations referred to above were completed before the reciept of the special regulations of Feb. 12-1936.

Respectfully
Walter L. Anthony

This is to inform you that additional Keeper Hattaway while 2nd asst at this station has entered the McVeigh's house feeding 60 lepers to fix the refugator also saw Kana's store and several of the houses here.

I find the Hattaway very hard to get along with he don't like work this's to find some easy job of his liking and will not stand 1st watch: in engine room stay's up in tower watch room during his 4 hour watch resents being told not to.

I also found about 200 or 300 ft gal xiron pipe out in the lantana which is entered in the journal as being put in

The most brutal thing happened right outside of 2nd asst house one day last week.

This dog that was only a little more than a pup belonging to Keeper Fred Kihoa and as I could see no trouble to any one stayed on grounds at all times behind the house that I stop in.

Additional Keeper Fluttony tied a rope on his neck took him outside of wall and beat him to death with a pick ax handle until he was dead Laborer Mr Kobuga and my self talked about it after it was done. but we could do nothing as he had permission from Mr Kihoa to do away with dog I think he could at least get a gun and shoot him which would not be so bad but beat him with pick ax handle to me most brutal.

I am the Keeper
Sir,

In answer to your letter of June 10th I wish to state that I have been trying to pay the Central Market something each month as the enclosed statimant and reciepts show and will pay them $5.00 on July 8th and $10.00 each month thereafter until the full amount is paid.

After the Central Market failed to send me groceries for two weeks in the month of April without any explanation whatever, (it was later learned that it was because I was one month behind in my payments) it was necessary to go elsewhere for my groceries

I can only pay the Central Market the amounts stated above as I have other obligations I am also honestly trying to meet.

I am hoping this will be satisfactory and ask that the enclosed statement and reciepts be returned at your convinence.

1. Letter has been received from the Central Market Ltd., relative to your account with them for groceries furnished you, outstanding balance of $109.72.

2. The Central Market has advised that for some time past you have been negligent in making payments, and it is desired that you advise the office through the Keeper as to just how you propose to liquidate this outstanding obligation. As you know, it is compulsory that employees of the Lighthouse Service take care of their just and honest debts, and definite information as to amounts to be paid until this outstanding obligation is liquidated, is desired, by return mail.

Mr. F. A. Edgecomb,

Dear Mr. Edgecomb,

Upon entering your service as Keeper at Molokai Light Station, Mr. Walter L. Anthony applied to me for credit, in order to purchase and have sent him groceries, pending such time as he would be able to transport his family to Molokai and adjust himself. This was granted him and groceries were furnished Mr. Anthony up to a short time ago, regardless of the fact that he paid very little on his bill. Mr. Anthony recently made arrangements to have his groceries sent over by the Army Commissary.

At the present time there remains a balance of $109.72 against Mr. Anthony, and I would appreciate anything you may be in position to do to have this account settled. Mr. Anthony did pay against his old account $5.00, May 8th, 1935, but, in view of the size of his bill, and the fact that he voluntarily transferred his business elsewhere, this is not a satisfactory payment. Have not heard from Mr. Anthony since May 8th.

I thank you in advance for whatever assistance you may give me in seeing that this long outstanding account is settled.

Yours very truly,
