RE: BMC Earle B. ASHBY 227 257
SS# 006 34 8937, USCG, Retired

Dear Mr. Ashby:

Information has been received at Coast Guard Headquarters of the death of your father. I wish to extend to you and your family my sincere sympathy in your great loss.

The enclosed forms are forwarded to aid you in filing for burial benefits and a headstone or marker to which there may be entitlement.

At the time of death there was due your father retired pay accrued from the first of the month to the date of death. Retired pay ceases at the death of a retired member.

The records at Coast Guard indicate that your father designated you as the beneficiary to receive the accrued retired pay due. Four forms No. SF-1174, Claim for Unpaid Compensation of Deceased Member of the Uniformed Services, are enclosed to aid you in applying for this sum. These forms must be completed in the presence of two witnesses and signed by you. Return the original and two copies of the completed claim to this office with a copy of your father's death certificate.

A pre-addressed envelope is enclosed for your convenience.

Sincerely,

R. R. HARBER
Chief, Retired Military Affairs Branch
Personnel Services Division

Subj: National Service Life Insurance, Policy No. 2 206 773
Expiration of term insurance.

1. There is herewith forwarded a notification from the Veterans Administration that the $6,000 level term National Service Life Insurance issued under policy number N2 206 773 will expire on 31 March, 1950. In order that you may continue to have the protection of this insurance, it must be renewed or, if you prefer, it may be converted to one of the six permanent plans, i.e., Ordinary Life, 30-Payment Life, 20-Payment Life, 20-Year Endowment, Endowment at age 60 or Endowment at age 65.

2. In view of the fact that the application for renewal of insurance on the five-year level term plan or application for converted insurance must reach the Veterans Administration before the expiration of the current term period, you are urged to take immediate steps toward completing the application and making the necessary allotment adjustment.

3. There is in effect at the present time an allotment of your pay in the amount of $6.48 per month for premiums on National Service Life Insurance as follows:

$6.48 - $6,000 term insurance N 2 206 773 effective 1 April, 1942.

If insurance is renewed, the new allotment should be $10.62. Your authorized certifying officer should be instructed to discontinue the $6.48 allotment with the month of last payment February, 1950 and to establish the new allotment, reflecting the increased premium, effective with the month of first payment March, 1950.

4. The completed application, in duplicate, together with the necessary allotment adjustment (Forms CG-2528 and CG-2528A) should be forwarded to the Commandant (PMM) for transmittal to the Veterans Administration.

5. Advise Commandant (PMM) of action that will be taken by you in connection with your National Service Life Insurance.

Honorable Styles Bridges,
United States Senate,
Washington, D. C.

My dear Senator:

With reference to your letter of December 5, 1941, I am pleased to advise you that Mr. Earl B. Ashby was inducted into the Coast Guard on May 21, 1941, as a petty officer, second class, under the provisions of the Act of August 5, 1939. He is now receiving the maximum pay and allowances provided by law for personnel of his rating.

Advancements in rating of Coast Guard personnel are predicated upon service requirements, the position which the person is holding, and the qualifications of the individual. In view of these facts, any further adjustment in the salary of Mr. Ashby cannot be foreseen at this time.

Very sincerely yours,

R. R. WAESCHE,
Rear Admiral, U. S. Coast Guard,
Commandant.

Dear Sir:

In re: CP-75

On December 11, 1940 I received a letter from you in regard to the salary of Earle B. Ashby of Lubec, Maine.

Mr. Ashby seems to feel that he would like another adjustment in salary so that he would receive the full salary for the work he is doing.

Would you please advise me if there is any prospect of adjustment of salaries in the future.

Sincerely yours,

OFFICE OF SUPERINTENDENT, 1ST DISTRICT

Commissioner of Lighthouses:

Lubec Channel Light Station, Maine.
Disposition of services of keepers.

With reference to Bureau endorsement of May 8, 1939, file 1154E, on District letter of April 25, 1939, in view of the fact that it is expected Lubec Channel Light Station will be placed in automatic operation shortly after the first of July, and as a vacancy has arisen in the position of 2d Assistant Keeper, Petit Manan Light Station, Maine, as a consequence of the retirement of Hervey H. Wass, Keeper, Libby Islands Light Station, Maine, to become effective July 1, 1939, this office is recommending that Mr. Arthur R. Marston, Keeper, Lubec Channel Light Station, at $1560.00 per annum, be transferred to the position of 2d Assistant Keeper, Petit Manan Light Station, at $1200.00 per annum, effective July 1 or as soon thereafter as his transfer can be made.

This action is not recommended as a permanent disposition of Mr. Marston's services, but is taken in order to discontinue the positions at Lubec Channel Light Station at the earliest practicable date after the station becomes automatic. While Mr. Marston will lose $360.00 cash salary, he will be reimbursed to some extent by the fact that there are family quarters at Petit Manan Light Station and he will have benefit of coal and other allowances.

When the station is placed in automatic operation, it is intended to enter Earle B. Ashby on duty as Additional Keeper and temporarily assign him to West Quoddy Head Light Station, Maine, for assistance at that station and also to exercise supervisory control over Lubec Channel Light Station until a more permanent arrangement such as outlined in Bureau endorsement of May 8 can be effected.

Washington, D. C.

My dear Senator:

With further reference to your letter of October 2, 1940, in the interest of Mr. Earl B. Ashby of Lubec, Maine, I have to advise you that Mr. Ashoy's pay was changed from $1440 to $1380 in connection with his transfer from one station to another, this having been in accordance with the regulations of the Service in cases of this kind because of the fact that the pay range of his new position was lower than that of his former position. The records indicate that Mr. Ashby was agreeable to the change at the time.

It is expected that there may be some adjustments in the compensations of keepers at a later date in the fiscal year if funds permit, and at that time due consideration will be given to Mr. Ashby's status.

Very sincerely yours,

L. C. COVELL,
Rear Admiral, U. S. Coast Guard,
Acting Commandant.
