Claims Division
Washington 25, D. C.

Gentlemen:

Reference your file Misc- 2874712. Inclosed is a letter of Mr. William H. Bailey, a retired member of the former Lighthouse Service, in which he claims the difference due in retired pay based on gross salary, which includes the amount deducted as a charge for occupancy of Government quarters, over that paid him based on net salary, for the period December 1, 1943 to June 30, 1947. In this connection, reference is made to the Comptroller General's decision of October 23, 1947 (B-70029).

Also inclosed is Standard Form 50 (9 Part), describing this retirement. This form shows correct computation of retired pay to be $1013.73 per annum, whereas, for the period December 1, 1943 to June 30, 1947, Mr. Bailey was paid at the rate of $978.75 per annum - an underpayment of $35.08 per year, or $2.92 per month.

Computation of the amount due and appropriations chargeable are as follow:

2041255 - Retired Pay, Former Lighthouse Service, Coast Guard,	1944 -	$ 20.44
2051255 - " " " " " " "	1945 -	$ 35.08
2061255 - " " " " " " "	1946 -	$ 35.08
2071255 - " " " " " " "	1947 -	$ 35.08
TOTAL		$125.68

For tax withholding purposes, the records of this office show that Mr. Bailey claims 1 exemption.

Mr. Bailey's mailing address is 33 Central Avenue, St. George, S. I. 1, N. Y., and his claim is forwarded for settlement. No part of this claim has been or will be paid by this office.

By direction of the Commandant.

Very truly yours,

Mr. G. R. Putnam,
Commissioner of Lighthouses,
Department of Commerce, Washington.

Dear Sir:

Your letter regarding the posible appointment of Wm. H. Bailey as assistant keeper at Barnegat Light Station is at hand. The same is interesting and illuminative.

As I understand the situatipn, the methods of operation at the Lighthouse itself have not changed in the slightest degree, though the residence of the keeper has been eliminated by nature to some extent, and by human nature, to a greater extent, having been sold for a song. I should think, however, that the same force, three men, would be required to run the establishment itself as heretofore.

I also regret the existence of a system which would prevent the selection of the most capable man available on the spot, and the possible transplanting thereto of a stranger, miles away, totally unfamiliar with the local situation, and one who would surely find such environment entirely uncongenial and uninteresting.

I cannot imagine the possibility that one of the seven men ahead of Mr. Bailey, in the list of eligibles, would want a job at Barnegat Inlet, nor can I conceive that Mr. Bailey would care to remove elsewhere, and locate at some other lighthouse. Such a system as prevails may work out well on paper, in an office in Washington, but I doubt very much if it is an unbounded success on the New Jersey Coast.

Yours very truly,

JUN 1 - 1921

** Inclosures.

May 27, 1921.

Hon. Joseph S. Frelinghuysen,
United States Senate,
Washington, D. C.

Dear Senator Frelinghuysen:

1. I thank you for your letter of May 17, in reference to the desire of Mr. Wm. H. Bailey to be appointed assistant keeper at Barnegat Light Station, N. J., and take pleasure in inclosing several forms which give information regarding the Civil Service Rules governing appointments of this character. By reference to these forms it will be noted that the position of keeper in the Lighthouse Service is in the classified civil service. Appointments to such positions, if not made by transfer, promotion, or reinstatement of former employees, are made by selection from registers of eligibles established and maintained by civil service boards of examiners from competitive, noneducational examinations conducted from time to time. The examination papers are rated on the physical ability and training and experience of the applicant. After the rating of examination papers the names of the applicants are placed on the register of eligibles in the order of their rating, and when it is proposed to fill a position by selection from such register the names of the three persons with the highest ratings are certified for consideration. If there is any further information which you would like not covered by these inclosures, I shall gladly furnish it.

2. On account of present conditions at Barnegat Light Station, only two keepers are assigned to duty there, and as both of those positions are filled by satisfactory incumbents, no vacancy exists at the present time at that station.

3. Due, however, to other appointments made at various stations, Mr. Bailey now stands number eight on the list of eligibles for light keepers, and his name will be given full consideration when it appears on a certificate of eligibles in the event of any vacancies.

Very truly yours,

Commissioner of Lighthouses.

Dear Mr. Putnam:

Your interesting letter of May 14, 1921, regarding the possible appointment of Mr. Wm. H. Bailey, as Assistant Keeper at Barnegat Light Station is at hand. It is a satisfaction to know that Mr. Bailey stands "number twelve" on the list of eligibles." As I doubt if the whole village of Barnegat City has that many inhabitants, I presume the other eleven "eligibles" live many miles distant, probably not in New Jersey at all. In filling this particular post at a place so remote, so inaccessible and so uninviting, I should think the sole question at issue would be selection of some one on the ground, quite content with such an environment, provided he was competent to fill the bill. Any other viewpoint would certainly not make for efficient service or the best results. I note the conforting assurance that "the Bureau will be glad to give consideration to his appointment thereto in accordance with Civil Service Rules." I will be glad if you will advise me just what the rules are which determine appointment to a job like that under consideration.

Hon. George R. Putnam,

My dear Mr. Commissioner:

I understand that there is a vacancy of Assistant Keeper at the Barnegat Light Station, Barnegat City, N.J., and that William H. Bailey, of that place, has applied for the post. I do not pretend to know how these appointments are made, but is there any insuperable reason why the appointment may not be given to Bailey?

You have visited this spot, and know how undersirable a location it is, and why a stranger, if sent there, might emigrate within 24 hours after his arrival.

However, that happens to be Bailey's home and he is one man out of a thousand willing to take a job like this. It seems to me that it would be in the interests of efficient service, if a competent and at the same time a contented man might be given this appointment.

During my four years in Washington I have seen so many fiascoes and failures in administration which have resulted from a super-abundance of red-tape, that I am always fearful lest it may intervene to prevent the consummation of some laudable purpose. I trust there may be no regulations which may prevent the appointment of Bailey to this post.

Yours very truly,
