Sirs:

1. In reply to the Board's letter (12810), of June 8th, 1910, relative to Mr. Arthur J. Baldwin, lately First Assistant Keeper at the Montauk Point Light-Station, New York, who was directed to enter on duty as Assistant Keeper at the Plum Beach Light-Station, Rhode Island, on June 8th, 1910, I have the honor to state that Mr. Baldwin will not receive salary from June 1st to June 7th inclusive, for the reason that he advised this office that he wished to leave the service on May 31st, 1910 and afterwards stated that he would accept transfer to the Plum Beach Light-Station as Assistant Keeper if he could enter on duty at that station on June 8.

2. As Mr. Baldwin's last date of service at Montauk Point Light-Station was May 31st, and as he was unable to report for duty at Plum Beach Light-Station, Rhode Island, until June 8th, I do not consider that he is entitled to salary for the period June 1 to June 7th inclusive, as he rendered no service for the Light-House Establishment during that period.

Dear Mr. Thompson:

Your letter of March 30, 1959 requests information regarding Lighthouse Keepers of the Bristol Ferry Lighthouse subsequent to August 1916.

After the death of Edward Sherman, Arthur J. Baldwin was transferred to the Bristol Ferry Lighthouse. Mr. Baldin was Keeper-in-Charge from August 19, 1916 to August 9, 1925, when he transferred to the Saybrook (Lynde Point) Light Station.

On August 10, 1925, Leo R. Roode took charge as Light Keeper and continued in charge until August 31, 1927, on which date the Bristol Ferry Lighthouse was discontinued as a residence lighthouse. The illuminant was changed from oil to acetylene making the services of a full time keeper no longer necessary. The Lightkeeper of the Musselbed Shoals Lighthouse was given the keys to the Bristol Ferry Lighthouse Tower and assumed charge of the light. Mr. Roode was transferred to the Gull Rocks Light Station.

Sincerely yours,

M. D. DAVIS

Gentlemen:

I am a summer resident of Saybrook Point, Conn. my house being close to the inner lighthouse which is maintained by A. J. Baldwin. Some of my neighbors have brought to my attention the fact that on October 11 you advised Captain Baldwin that a complaint had been registered for the reason that he was doing work for the cottage owners in the vicinity.

I wish to go on record that this is a gross injustice-that Capt. Baldwin devotes his entire time to the lighthouse duties and consistently refuses to apply any time to the cottages. This I know from personal experience.

Under the circumstances, I should think it might be well for the department to investigate the source of the complaint which is so unjust in itself that it would seem an underlying motive might be found.

Very truly yours,

Gentlemen:

I take the liberty of writing you to ask if it is not possible to arrange some way whereby Captain A. J. Baldwin, keeper of Lynde Point Light Station, cannot, in a measure, act for me and the other cottagers on Lynde Point as guardian of our property, only insofar as not to interfere with the proper discharge of his duties.

Our property is isolated from towns and is a particularly inviting place for automobilists of an undesirable nature to gather and trespass in such a way as to cause considerable damage to property.

Further than this, there are other hazards which we must contend with particularly in the winter months, which cause us great concern unless we can feel that the property is properly watched.

Will it not be possible also for us to have Captain Baldwin do certain small work such as repairing board walks, putting up screens etc., when he has sufficient time?

Having known Captain Baldwin ever since he has been on his present station and having the highest regard, respect and personal regard for him, as well as feeling him to be an extraordinarily concientious and capable keeper who regards his duty to the government of prime importance which is shown by the excellent condition of the station, which is constantly a source of favorable comment from the public, I do not feel that my request is presuming but, being anxious to abide by any regulation, I write you for your valued advice in the matter.

Headquarters, Third District,

Dear Sirs:

I have a cottage located on Lynde Point near the Saybrook inner light. This is one of a group that is about two miles from any permanent all year round habitation except your lighthouse, and it occurred to some of my neighbors and myself that perhaps it might be possible to arrange to have Keeper Baldwin keep an eye on our property in his spare time, if any, and perhaps do such little odd jobs for us as turning on water, putting in screens, etc. as might occur from time to time.

I dare to ask this because he has been such a very fine neighbor and proven himself so generally acceptable to all of the Cottagers on the Point. We are all tremendously proud of the condition of the reservation, and as a yachtsman, very appreciative of the service he is rendering to navigators.

If we thought that this request would interfere with his duties, we, of course, would not make it, but knowing Captain Baldwin, we know that if he were permitted to do such little chores for us, you would not suffer.

Respectfully submitted,

Chas. N. Flagg

I am writing the office to find out if you can furnish me with the information as to how long Windmill Point Light Station at Lake Champlain, N.Y. will require the services of a Keeper the reason for me asking is that the Keeper at Windmill Point Lt-Sta, wishes to transfer stations with me on account of his family being from down this way. Owing to so many stations without fog signals being discontinued

I would like to be advised in regards to same.

SUBJECT: Request for raise of pay or assistant keeper.

REFERENCE: Your letter September 8th.

You are advised that this office cannot see its way clear to take any action with the view of providing an assistant keeper for the station in your charge or increasing your pay, for the reason that the work involved at Saybrook Lynde Point Light Station would not justify such action. The present rate of pay is liberal, considering the comparatively small amount of work required which can readily be performed by one man without difficulty, as evidenced by the fact that similar stations and some more difficult stations are readily being taken care of by one keeper without difficulty. There is no merit in making comparison of the station at which you are at present employed with the Bristol Ferry Light Station, since conditions at Bristol Ferry were such that the station might be well maintained with but very little effort on the part of the keeper.

I am writing you in regards to the salary at Saybrook (Lynde Point) Light Station which is $10.00 per month and Bristol Ferry Light Station that I recently transfered from the salary was $100.00 per month. And in comparison to the work between the two stations there is three times the work here, besides a fogsignal.

The former Keeper here was fortunate enough to have several sons to assist him in his work and watch which in my case I am all alone. And I respectfully ask you to consider an assistant Keeper here, or a raise of pay. But would rather have an assistant.

I also mistook the meaning of your letter, as I thought you meant any time the last of the month. And it was impossible for me to get my effects and the former Keepers effects transferred in one day. as we had to have things to get along with up to the last minute and had to have our bedding there when we arrived.

Re Baldwin

Inspector;-

Your letter of Oct-4th 1913 received to day in regards to settling the matter of expenses of exchanging positions with the Keeper of Bridgeport Harbor Light Station, Conn. and myself. I wish to inform you that, That question was settled between the Keeper and I when I called on him at his station Sept-20, 1913. I was more than surprised to receive a letter from you in regards to expenses. And enclosed you will find a letter which I received from the Keeper, stating that I would pay the expense of moving him from his station to my station. I'm not in the habit of enclosing, private letters, but I think it is necessary you should see his own statement. When I called to see him in regards to exchanging he said that he would be just as well off on my station as he is at Bridgeport. But he couldnot afford the expense of moving but if I would land him and his effects on my station So he would not have to go to no expense he would make the exchange with me. I ask him twice over that if I payed his expenses if he would be satisfied to exchange. and he told me yes. It was perfectly satisfactory to him.

He told me to inform you that it was satisfactory to him to exchange. I was making all preparations to exchanging with him, and also went as far as seeing about a boat to transfer our effects. And I dont understand why he should ask you, to be transferred by a Tender. Because that was understood between us that I was to transfer him and his effects to my station at my expense. I also agreed to furnish substitute on my station while making the exchange.

His letter which I enclose will verify my statement. If this proves satisfactory to you for me to exchange let me know soon as possible.

Sirs:-

1. In reply to the Board's letter (12810), of June 8th, 1910, relative to Mr. Arthur J. Baldwin, lately First Assistant Keeper at the Montauk Point Light-Station, New York, who was directed to enter on duty as Assistant Keeper at the Plum Beach Light-Station, Rhode Island, on June 8th, 1910, I have the honor to state that Mr. Baldwin will not receive salary from June 1st to June 7th inclusive, for the reason that he advised this office that he wished to leave the service on May 31st, 1910 and afterwards stated that he would accept transfer to the Plum Beach Light-Station as Assistant Keeper if he could enter on duty at that station on June 8.

2. As Mr. Baldwin's last date of Service at Montauk Point Light-Station was May 31st, and as he was unable to report for duty at Plum Beach Light-Station, Rhode Island, until June 8th, I do not consider that he is entitled to salary for the period June 1 to June 7th inclusive, as he rendered no

Gentlemen:

Reference your file Misc-2877101. Inclosed is a letter of Mr. Arthur J. Baldwin, a retired member of the former Lighthouse Service, in which he claims the difference due in retired pay based on gross salary, which includes the amount deducted as a charge for occupancy of Government quarters, over that paid him based on net salary, for the period 1 May 1941 to 30 June 1947. In this connection reference is made to the Comptroller General's decision of October 23 1947 (B-70029).

Also inclosed is Standard Form 50 (9 Part), describing this retirement. This form shows correct computation of retired pay to be $1,307.63 per annum, whereas for the period 1 May 1941 to 30 June 1947 Mr. Baldwin was paid at the rate of $1,127.63 per annum - an underpayment of $180.00 per years or $15.00 per month.

Computation of the amount due and appropriations chargeable are as follow:

2011255	- Retired Pay, Former Lighthouse Service, Coast Guard, 1941,	$30.00
2021255	- " " " " " " " "	180.00
2031255	- " " " " " " " "	180.00
2041255	- " " " " " " " "	180.00
2051255	- " " " " " " " "	180.00
2061255	- " " " " " " " "	180.00
2071255	- " " " " " " " "	180.00
		$1,110.00

For tax withholding purposes, the records of this office show that Mr. Baldwin claims three exemptions.

Mr. Baldwin's mailing address is Old Lyme, Connecticut, and his claim is forwarded for settlement. No part of this claim has been or will be paid by this office.

By direction of the Commandant.

Very truly yours,
