Mr. Timothy J. Brown

Dear Mr. Brown:

This is in response to your inquiry of June 12, 1998, requesting copies of the Official Personnel Folders for twenty-seven Federal civilian employees and twenty members of the U.S. Coast Guard.

A search of our records located OPFs for the following indiviuals: William P. Lewis, James L. Lewis, Harry L. Langley, William Yeatman, Walter J. Westcott, Dallas E. Quidley, Oscar P. Olsen, Henry L. Matthews, John W. Higbee, Franklin S. Barnes, John J. Daley, John W. Parks, William M. Goeshy, Earl C. Harris, and John W. Hansen. We were unable to locate the OPFs for the other individuals

During the 1800's, personnel records were seldom created. The primary source of information relating to employment during that period was from the agency's payroll records. These pay records were destroyed many years ago under Congressional authority. Generally, the earliest date coverage of records on file here dates back to the early 1900s.

Your request for the OPFs concerning Federal civilian employees, along with the necessary documents, has been forwarded to the office that retains legal custody of the record for processing. That office will respond to you directly. Please contact that office at the address given below if you have further questions about this matter. Office of Personnel Management, OPF/EMF Access Unit, P.O. Box 18673, St. Louis, MO 63118.

As a courtesy we are forwarding your request for the OPFs concerning U.S. Coast Guard personnel to our military facility at the following address: NATIONAL PERSONNEL RECORDS CENTER, Military Personnel Records, 9700 Page Avenue, St. Louis, Missouri 63132-5100.

Dear Mr. Brown:

This is in response to your inquiry of June 12, 1998, requesting copies of the Official Personnel Folders for twenty-seven Federal civilian employees and twenty members of the U.S. Coast Guard.

A search of our records located OPFs for the following indiviuals: William P. Lewis, James L. Lewis, Harry L. Langley, William Yeatman, Walter J. Westcott, Dallas E. Quidley, Oscar P. Olsen, Henry L. Matthews, John W. Higbee, Franklin S. Barnes, John J. Daley, John W. Parks, William M. Goeshy, Earl C. Harris, and John W. Hansen. We were unable to locate the OPFs for the other individuals

During the 1800's, personnel records were seldom created. The primary source of information relating to employment during that period was from the agency's payroll records. These pay records were destroyed many years ago under Congressional authority. Generally, the earliest date coverage of records on file here dates back to the early 1900s.

Your request for the OPFs concerning Federal civilian employees, along with the necessary documents, has been forwarded to the office that retains legal custody of the record for processing. That office will respond to you directly. Please contact that office at the address given below if you have further questions about this matter. Office of Personnel Management, OPF/EMF Access Unit, P.O. Box 18673, St. Louis, MO 63118.

As a courtesy we are forwarding your request for the OPFs concerning U.S. Coast Guard personnel to our military facility at the following address: NATIONAL PERSONNEL RECORDS CENTER, Military Personnel Records, 9700 Page Avenue, St. Louis, Missouri 63132-5100.

Gentlemen:

Reference your file Misc-2871094.

Inclosed is a letter of Mr. Franklin S. Barnes, a retired member of the former Lighthouse Service, in which he claims the difference due in retired pay based on gross salary, which includes the amount deducted as a charge for occupancy of government quarters, over that paid him based on net salary, for the period November 1, 1944, to June 30, 1947. In this connection, reference is made to the Comptroller General's decision of October 23, 1947 (B-70029).

Also inclosed is Treasury Department Form 2249, describing this retirement. This form shows correct computation of retired pay to be $866.48 per annum, whereas, for the period November 1, 1944, to June 30, 1947, Mr. Barnes was paid at the rate of $835.22 per annum--an underpayment of $31.26 per year, or $2.60 per month.

Computation of the amount due and appropriations chargeable are as follow:

2051255 - Retired Pay, Former Lighthouse Service, Coast Guard, 1945 -	$	20.80
2061255 - Retired Pay, Former Lighthouse Service, Coast Guard, 1946 -		31.26
2071255 - Retired Pay, Former Lighthouse Service, Coast Guard, 1947 -		31.26
Total . . .		83.32

For tax withholding purposes, the records of this office show that Mr. Barnes claims two exemptions.

Mr. Barnes mailing address is Colonial Beach, Virginia, and his claim is forwarded for settlement. No part of this claim has been or will be paid by this office.

By direction of the Commandant.

SUBJECT: Indebtedness of Mr. Spencer Barnes to the Ridge Stores, Inc.; letter of September 12 from Mr. M. N. Stewart, Mgr. of Ridge Stores, Ridge, Maryland, concerning this matter.

Office of the Supt. of Lighthouses,
Baltimore, Md., October 1, 1929.

1. Returned to the Commissioner of Lighthouses, with the statement that as stated in our indorsement of Sept. 4th, the check of Spencer M. Barnes is being held up. Mr. Barnes does not dispute the indebtedness, but declines to authorize this office to forward his check to the Ridge Stores, Inc., where he might indorse same and be paid the difference between the amount of his account and the amount of the check. This office is not convinced that Mr. Barnes is acting in good faith in demanding that the check be sent to him, but doubts that it can legally hold this check against Mr. Barnes' wishes. Barnes has, however, submitted an application for examination in order to establish eligibility for appointment as Assistant Keeper. The desired effect might be secured if this office would write to Mr. Barnes and state that if the account is not paid it might effect his standing on an eligible register, as it is believed that the Local Board might with propriety take cognizance of any action on the part of applicants which would ordinarily effect the status of men already in the Service.

2. Further advices from the Bureau are requested as to whether or not Mr. Barnes' check should be further withheld.

For and in the absence of the Superintendent,

Asst. Superintendent of Lighthouses.

Gentlemen:

We are writing with reference to Mr. Spencer Barnes of Ridge, Md., who is in your employ as a substitute lighthouse keeper in the vicinity of lower Chesapeake Bay.

We beg your attention to the matter which we shall explain in detail below, as we have a very just claim against Mr.Barnes.

We operate our store at Ridge, Md. on a strictly cash basis and know that Mr. Barnes has practically no financial responsibility. During the first part of this month, Mr. Barnes approached our Mr. M. N. Stewart, manager of our store, and asked Mr. Stewart to carry his account for the month; pledging his check which he expects from you about September 5th in payment of his account. This account is for groceries and provisions all of which are sold on a very close margin.

Yesterday, Mr. Barnes assumed a very disagreeable attitude and intimated that he would take his check elsewhere to be cashed and that we would have to look for him. Mr. Barnes is very unfair to us inasmuch as we have extended him credit only on his pledge of this check. Mr. Barnes' account is about $60.00 and Mr. Stewart knows he has been buying more than his family needs. In other words, he has taken this opportunity to stock his kitchen shelves.

Would it be possible to attach in some manner the check which he expects from you about September 5th? Or as a suggestion, could you notify Mr. Barnes that his check would not be valid unless endorsed by The Ridge Store, Inc?

We hope you will view this matter with an open mind and under the unusual circumstances under which this bill was contracted, arrange some way in which we may be compensated.

Any action you may take in our favor will be greatly appreciated.

Sir:

Since entering the Lighthouse Service, I have had many occasions where I could tow in disabled motor boats, help get their engines in condition, and I have never made any report of these cases as I only did what I considered my duty to ward my fellow man, but there was an incident occured here this afternoon that seemed more like a miracle than forethought. I will try to describe it as accurately as possible. Late in afternoon I went to the Government works at Morgantown to take a torch blower. As I was feeling the need of dinner pretty lively, I came directly back to station. While eating the assistant keeper told me he had company. While I was gone two young men from Dalgren had swam from the Virginia shore out to Lighthouse and had started back. I got up, went on deck with the glasses and could just see their heads above water. They were a little over half way across. I taken the situation in at a glance and immediately dispatched the motor boat with Mr. Barnes to their rescue and it proved a nick in time. The youngest was played completely out and the older one said he could not have gone five minutes longer. They were worrying that their bodies would not be found until the next day. The sargeant was on shore to meet them when they landed, as they had been reported lost. Our boat had just got back when a boat and crew put out looking for them and came to station to see if we had any tidings of them. Seeing our boat come from that side, you can imagine how we all felt to be able to break the news that they were safely landed at home.

Answer to Question 25, P.C.B.Form No.14

The duties of this employee are to share the watches with principal keeper in care of light and fog signal and the labor of keeping same in state of perfect cleanliness and efficiency, and in cleaning, painting and minor repairs of the entire station, which is a 2-story frame house on interbraced iron piles on a submarine foundation, surmounted by a glazed lantern in which is mounted a fresnel lens for di[illegible]ay of light, which may be either a kerosene wick lamp or incandescent oil vapor light. The fog signal is a bell operated by clockwork machinery. Communication with shore is by motor launch. Each of two keepers is allowed 5 days ashore per month and during absence of principal keeper, the assistant is in full charge of station.

The attendance upon minor lights grouped under this station is an important duty and requires skill and considerable risk in operating motor launch oftentimes under stormy conditions, and knowledge of the care and operation of acetylene gas apparatus.

1. The Bureau is in receipt of communication from the Coast Guard reporting that the above named lighthouse keeper was given emergency medical care at the Naval Proving Grounds, Dahlgren, for which he has been billed in the sum of $4.50 in the names of E. Sir:

In answer to your letter of 13 April, 1942, you are informed that none of us are under compulsion to accept the Payroll Deduction Plan for the purchase of Defense Bonds. While the response has been gratifying, yet every employee is not in a position to subscribe. The smallest deduction permissible under the plan is $6.25 per month. If you are unable to subscribe that amount, you may purchase stamps and drop me a note advising me of the sums you purchase so we may add that to our record. Of course, the Payroll plan is preferred, and it is the most convenient.

Very truly yours,

W. L. REBBEL,
Group Agent.

Mr W.L. Rebbel. Group agent.

Dear Sir -

In reply to the application for Defense Bonds, will say that I am most anxious to do my part. But if I pay 18.75 per. month on a bond, I will have about $100.00 per month to live on. I have a family. My daughter is in high school, there is no school near here, so they can't move to this place. This is a one man station about 100 miles from home, I can't visit my family, so they have to visit me. It costs to travel and living expenses are very high. We are already under a great strain to get along. Will you accept $5.00 per month until I have paid the 18.75? I could continue this for a while and by more bonds.

If you can't do this, there is only one thing left for me to do and that is to spend 5.00 in stamps at my Post Office at Colonial Beach Va.

Regretting that I am unable to do more.

I am Sincerely yours

Franklin S. Barnes, acting Keeper
Solomons. Md.

P.S. Please let me hear from you as soon as possible.

Sir,

I respectfully request to be transferred to Mathias Pt. Light station as soon as there is a vacancy there.

For the last few years I have suffered little my back so I had an ex-ray taken and the Doctor said that I should have only light work to do.

Mathias Pt. would be easier for me, It isn't far from home, it only has one beacon, and being near shore I would'nt have to lower and wind up the motor boat.

These are the things that hurt me more than any thing else.
